

Campus Wide Earthquake Drill  
Thursday, October 18, 2018 @ 10:18 a.m.  
Itinerary

- 10:18 Simulate Earthquake – police units campus wide
- IP Phone Emergency Broadcast 1– Chief Trevis, Incident Commander**
- “Attention, this is an El Camino College Emergency Broadcast from the Incident Commander at the Emergency Operations Center. This is a drill, this is a drill.
- We are experiencing a major earthquake – Drop, Cover and Hold On. Take cover under a sturdy object until the shaking stops.”
- 10:20 **IP Phone Emergency Broadcast 2 – Chief Trevis**
- “Attention, this is an El Camino College Emergency Broadcast from the Incident Commander at the Emergency Operations Center. This is a drill, this is a drill.
- Shelter in Place and stay where you are until you receive notification from El Camino College Emergency Response Personnel or until you hear an evacuation alarm.”
- 10:23:15 EOC Communication (Art Leible) to Building Captains via radio
- “This is Art Leible, Logistics Chief at the EOC. All Building Captains contact your floor leaders and prepare to evacuate your buildings when the fire alarms are activated. Should you experience an actual emergency during this drill, state clearly by way of your radio that ‘this is not a drill, we have a real emergency’. Direct building occupants to your assemble area. Monitor this channel for further instructions”.
- 10:23:30 Activate Fire Alarm for Evacuation (Michael Clifford)
- 10:30:00 Disengage Fire Alarm (Michael Clifford)

10:35 EOC Communication (Art Leible) to Building Captains

“All Building Captains this is Art Leible at the EOC. We are going to begin a roll call of all buildings at this time. Please stand by and listen for your Building to be call.”

10:45 EOC Communication (Art Leible) to Building Captains

“All Building Captains. This Art Leible at the EOC. The Incident Commander has declared an All Clear. Return occupants to the buildings.”

End of Exercise
