

## **RATIFICATION OF CHANGES TO ECC ACADEMIC SENATE CONSTITUTION**

Colleagues,

Your division representatives to the Academic Senate have voted to approve changes to the Senate Constitution that restructure the Senate to accommodate representation for Compton Educational Center faculty. **In order for these to take effect, the faculty at large must vote to ratify them.**

In general, the changes –

- establish a Faculty Council at the Compton Educational Center as a standing subcommittee of the Senate
- apply our current formula for determining division representation on the Senate to the Compton Center
- add a Vice President of Educational Centers to the list of Senate officers and Exec Board
- define the responsibilities of the VP of Educational Centers

You can read the new text in its entirety at the bottom of this message. The entire constitution and bylaws (prior to this change) are posted on the Senate's website at <http://www.elcamino.edu/academics/academicssenate/constitution.asp>.
