The DCC met to review the following course proposals: Anthropology 14 (The Celtic World—new course proposal) and History 5B-to be renumbered as 163—course review).

The DCC reviewed Anthropology 14 and made a number of suggestions regarding the catalog description, course objectives and course content; also about course work assignments. The proposal will be returned to B. Gibson and reviewed at a later date this semester.

The committee reviewed History 5B. The committee approved the course changes with minimal suggestions to college level critical thinking assignment V.B.2.

The DCC also approved inactivating Human Development 15.

Amy Himsel presented a draft of the proposed new course outline of record form that will be used on CurricUNET and asked for suggestions of what other information faculty might want for conducting queries on specific course outlines.

**Meeting adjourned at:** 1:35 p.m.
