SLO Update

J. Soden reported on the HDEV 10 assessment planned for fall 2010. The department intends to use the Life Plan as the basis for this course assessment.

Juli is working with Vanessa Haynes at Compton on HDEV 5 and wants to recognize Vanessa's efforts on this course level SLO work.

Juli also indicated that she would like to put together a "summit" or workshop of all faculty teaching HDEV 5 and HDEV 8.

Program-Level Assessment: the report should be completed tonight and will consist of HDEV 5, 8, 20 and comments from HDEV 10 assessments.

Curriculum

HDEV 12—the department determined that consideration of either making this course degree applicable or transferrable could be further discussed at the planned fall workshop.

Service Learning

G. Miranda stated that she will be providing the faculty with information on ECC's field trip/excursion policy at the start of the fall semester since service learning is a component of the course requirements in several HDEV classes.

FIPP

K. Daniel-DiGregorio stated that training for faculty wanting to participate in FIPP will take place in August. In addition, On Course II training will take place at ECC as well. The program focuses primarily on full-time faculty who work with first generation college students but part-timers may also apply to participate.

Spring 2011

G. Miranda reminded the department to submit their spring 2011 scheduling preferences to Beverly as soon as possible.
