

Steps to Preschool Teaching for BA/MA Degree Holders

If you earned your degree in another country, you must first have it evaluated by a US transcript evaluation service.

Step 1: BA degree holders will take the following courses to earn their Master Teacher/Site Supervisor permit (which also authorize them to teach):

Child Development 103

Child Development 104

One course from Child Development 115, 116, 117, 118, or 119

One additional three unit Child Development course not already taken

Child Development 125

Step 2: Contact our permit specialist, Nancy Alvarez, for assistance in filing for your permit. Nancy is located in ARTB 340E and can be reached at:
