SLO Assessment Timeline: Create Your 4-Year Assessment Plan

Directions: Starting in academic year 2011-2012, SLOs will be assessed over a four-year cycle at ECC. Because program review will start occurring in calendar years (i.e. Spring to Fall semester), the grid below is organized by calendar year rather than academic year. Plan out your program’s assessments so that all SLOs (both course- and program-level) are assessed at least once every four years.

***Note: Indicate which SLOs will be assessed in the timeline by indicating the number or title of the SLO.**

Note: in next four year cycle, schedule all assessments by course, not by SLO. All SLOs within a course are to be assessed in one semester.
