

**EL CAMINO COLLEGE
CURRICULUM REVIEW TIMELINE
FALL 2018 SEMESTER**

Fall 2018 Curriculum Review Process

- **No new courses, degrees, or certificates** will be accepted for fall 2018 unless there is an outside agency requiring the changes. In these cases, the Division will be required to request an extenuating circumstance waiver. The dean must submit a memo to the Curriculum Advisor, Lavonné Plum, and include formal documentation from the outside agency that is compelling the development of a new course, degree, or certificate or the revision to existing curriculum.
- **Course review** will continue as scheduled so that we may remain in compliance with Title 5 regulations and ACCJC requirements. Only courses listed on the review cycle will be reviewed.
