

**Conference for High School & Middle School
Counselors, Faculty and Administrators
Thursday, May 27, 2010, 8:00 am – 2:30 pm
El Camino College**

“Educate-Innovate-Lead: California Pathways to Living, Learning & Working in the 21st Century”

Keynote Presentation by Jim Brazell

Jim is a 26 year leader in science, technology and innovation.

**He delivers timely strategies to address global competitiveness, civil society,
educational innovation and workforce talent.**

Join El Camino College and El Camino College Compton Center in welcoming our guest speaker Jim Brazell to explore California’s emerging technologies, evolving occupations and educational strategies. Conference will include ECC/CEC information, an interactive workshop and a student services resource fair. Lunch will be provided.
