

HEALTH SCIENCES AND ATHLETICS

Division Meeting

October 14, 2014

Minutes

Meeting Commencement

1:05 p.m.

Rory Natividad

Welcomes everyone to the 2nd divisional meeting of the semester. Asks for any further agenda items. Rory introduces and welcomes Joi Mo our ASO student senator. Rory update everyone on the on accreditation visit and exit meeting.

Continuing to work on our annual plan. At that point well go back program plan and area plan shoot for being done by the end of the semester. We will be using TracDat.

Clery act - if you do witness something, please bring it to the division or director's attention. We have to report this.

CTEA - @ \$400,000 coming from the state to spend in our Health Sciences area. Radiologic Technology, Respiratory Care and Nursing. Those areas are working to put together proposals.

Faculty Identification. Rankings for the division Nursing was ranked number 1 and number 3, kinesiology instructor was ranked number 2.

2 nursing positions and 1 kinesiology position Nate Fernley is the faculty representative. The votes are public. They need to look at the global need of the college. Votes go in Friday. We hope to be able to fly positions. We hope for about 20 campus wide.

Building Summer now. Rory is not going to make changes. Fall is going to be built right after. Going to roll over. Block schedule is working. Night population is down. Rory doesn't want a lot of staff classes. It scares the student and they think it might get cancelled. May look to expand online. For faculty that have demonstrated proficiency online there may be an opportunity to teach another online class.

We are down a little bit on FTES. Summer was going to be more like a 50-50 split but Dr. Arce's recommendation is a 65% may/june 35% in second sessions for Summer

Mark Lipe – Academic Senate Nominees

He has been attending the meetings on a regular basis. Meets on 1st and 3rd Tuesdays of the month currently Robert Uphoff and minas term ends spring. We should really have 5 senators because our division is so big. Kristy Loesener and Andrew Alvillar have been nominated and are willing to serve. If you are interested and willing to serve it is a three year term.. We need to get voting started. Let Mark know if you are interested. Three spots are vacant now and two more when Robert and Minas term is up in spring. Discussion on what an academic senator does. Body that has representation from all divisions.

Department Updates

Athletics – Randy Totorp

October is busy. Annual ADA report is due at the end of this month. Title 9 report also due. Lots of planning going on. We will be working on our scholar baller recognition reaching out to programs

Nursing – Octavia Hyacinth

No updates

Respiratory Care – Roy Mekar

Sent in program review. Current on our SLO assessments

Radiologic Technology – Mina Colunga

Tomorrow is graduation breakfast. Friday they are having their completion ceremony. They have 22 students graduating.

Special Resource Center – Dipte Patel

Sign Language has submitted their program review. Having a fair in December. We've extended the hours in the lab. Having an Open house October 23rd 1-4 pm.

Health Center – Debbie Conover

Send students over for flu shots while supplies last.

Curriculum – Sandra Bartiromo – Chairperson Updates

Six year course review – PE 3, PE 250, PE 409 and Rad Tech A

Misc. courses PE 10 , PE 233

New courses PE 233B, PE 255, Deaf Culture ED DEV 37, ED DEV38

Kinesiology degree - waiting for PE 277 Introduction to Kinesiology to go through curriculum approval process regarding CID issues DCC has approved and forwarded to CCC. It will be sent to the Chancellors office.

DCC meeting – were meeting and putting together an in-service. If you are reviewing a course we need to be critical of the course. Check for technical issues - writing assignments, lecture and lab hours, units.

Student Learning Outcomes – Russell Serr – Chairperson

Russell and Corey are at an SLO meeting. Rory passed out the list of courses to be assessed. Please start trying to go to Corey to take some of the load of Russell.

Annual Plan

Adjournment
