

El Camino College Nursing Department NCLEX Pass Rates

The table below is categorized by academic year (e.g., July 1st - June 30th) and reflects the results of all graduates who have taken the NCLEX examination for the first time within the last five years (including those students who graduated more than five years ago). Due to possible changes in this data, the BRN asks that you contact the individual programs directly for the most accurate and up-to-date information.

Current combined NCLEX pass rates have exceeded the national mean for the last two academic years:
