## YOU NEED TO KNOW THESE THINGS ABOUT SEMINAR/WORKSHOPS

You will lose your priority registration if you do not attend a seminar/workshop. Write down each seminar/workshop you attend on the HTP Completion Form. You will receive credit only for the seminar/workshops that you recorded accurately.

1. You will not sign up for seminar/workshops in advance.
2. **ARRIVE AT THE SEMINAR/WORKSHOP ON TIME!** We go by the clock in the seminar/workshop room. If you are late, the door will be locked and you will not get in.
3. **Stay for the full (50 minutes). You cannot leave the room and then return**
4. **NO credit is given if you do not sign the attendance sheet. NO SIGNATURE = NO CREDIT.**
5. NO food or beverages are allowed in the seminar/workshop rooms.
6. Turn off all electronic devices
7. Listen to the speaker. No talking, texting, reading, studying, or disturbing others.
8. If you cannot attend any of these scheduled workshops, you may receive credit by participating as a presenter at the HTCC Student Research Conference.
9. If we add anything else for the workshop credit, we will announce it via email.
10. **TRANSFER CENTER WORKSHOPS ARE NOT HTP SEMINAR/WORKSHOPS**
11. You may attend more than one workshop in a single semester, and they will all count, but you cannot “bank” a workshop.
12. Every semester you must attend a workshop, until you have credit for four workshops. There are no workshops scheduled in the summer.

At least once a week during the fall and spring semesters, the HTP assistant will send an email (including seminar/workshop reminders) to your ECC email address.
