

El Camino College Humanities Division
Journalism Meeting
April 3, 2013

In attendance: Elise Geraghty, Lori Medigovich, Kate Mc Laughlin

1. PROGRAM REVIEW

- 1.1. Kate M. attended Program Review training and is taking the lead on Program Review. She is accumulating data and reviewing the last Program Review. We will be looking closely at recommendations so that they reflect the constantly changing needs of a discipline like journalism.

2. SLO AND CURRICULUM UPDATES

- 2.1. SLOs: Kate is currently assessing J9; the report will be completed at the end of the semester. We are working together to find all previous SLO assessment reports (as some were lost in CurricUNET) so that we can build our hardcopy and e-files of all journalism SLO assessment reports.
- 2.2. CURRICULUM: The Journalism AA-T degree was approved by the CCC last week—Quajuana needs a narrative for the degree to be sent to the chancellor's office. She will send a template for this narrative and Kate will prepare it.

3. EVALUATIONS

- 3.1. Both Lori and Kate are evaluating new adjuncts this semester and will work with them to ensure that their self-evaluations include thorough discussions of SLO assessment at the course level.
