16007 Crenshaw Boulevard Torrance, California 90506-0001  
Telephone (310)532-3670 or 1-877-ECAMINO

### El Camino College Up Coming CADD class's for Spring 2012

**FYI: All weekday classes at El Camino College begin on Mon., February 13, 2012.**

**1. CADD 10 Section #7309**

**Instructor: D.Valladares**

**On Mon. and Wed. 12:00 to 3:10 PM - First Class is February 13, 2012**

I will instruct a **CADD 10** class, using "AutoCAD 2012", an Autodesk software.

**Subject matter covered:**

- 2D Wireframe
- 3D Wireframe
- 3D Wireframe and Surfacing
- Solid Modeling
- Assembly of solid models
- 2D Drawing using Solview & Slddraw commands
- W-Block Assemblies
- And a lot more

A strong CADD 5 and CADD 10 background will help open doors and increase employment opportunities in today's difficult times.

**2. CADD 28 Section #7326**

**Instructor: D.Valladares**

**On Thursday evening 6:00 to 10:15 PM - First Class is February 16, 2012**

I will instruct a **CADD 28** class, using "Inventor Pro 2012" an Autodesk software.

**Subject matter covered:**

- Solid Modeling
- Assembly of solid models
- 2D Drawings of parts
- 2D Drawings of assemblies
- Presentation (animate exploded assemblies)
- Drive Constraints (animate assemblies)
- And a lot more

If you have had **CADD 5**, **CADD 10**, or have any type of CADD background, then **Inventor Pro (CADD 28)** will be an excellent class to develop your advance level CADD skills and greatly enhance your employment opportunities.

**NOTE:** I will communicate any class changes to everyone via email immediately. If you are aware of anyone that may have an interest in either class, please forward this information to them and also send their email address to me immediately.
