**WELCOME TO
FASHION FULLYLOADED**

This is an over-the-top annual event, featuring the hottest student designs. So, get revved up, buckle your seat belt, and hold-on for Fashion Fullyloaded is headed full-speed down the runway!

Mrs. Melanie McFarland
Fashion Show Coordinator

El Camino initiated its first fashion show 24 years ago, not only to exhibit our fashion students, but also to inspire students and broaden their horizons. "Fashion Show Production" is a hands-on class that showcases the Design and Merchandising student projects produced throughout the school year. The Fashion Show Production Class is unique because the students get to decide everything about the show. From the title, to the graphics, to the music, models and spirit of the show, "It's all theirs!" A budget is calculated for advertising, promotion and staging. Models that are trained by the modeling committee display the student designs. The Tailor Made fashion club provides additional funding as a sponsor of this event. The event provides an avenue to share the departments pride to the campus and the community. All proceeds go towards next year's student design show and students scholarships.
