Office: Natural Sciences Building, Room NS 105
(lower level)**

DESIGN STUDENTS

El Camino College's Fashion Department provides a nurturing environment where creativity can be developed. Students are encouraged to use techniques and principles learned in class to expand their design horizons. Uniqueness is encouraged and expected!

This page show cases a few designs from one of our many talented students Daniela Kroehne. The garments are modeled by fellow design student Sy.

El Camino gives the students the skills and experience they need to succeed in the fashion industry.
