Equipment Needed

Students will need #2 pencils, eight short scantrons for the quizzes and two long scantrons for the mid-term and final examinations. Unless you receive an excused absence for a missed class, there will be **no makeup's**.

Attendance During Semester

College attendance policies relating to 16 week classes state that "Students whose absences from a class exceed 10% of the scheduled class meeting time may be dropped by the instructor."

Everyday that the student is on-time to class, he or she will receive 10 points.

Everyday that the student is tardy or leaves class early without approval, he or she will lose 5 points. Additionally, 10% will be deducted from any assignment and/or test on such day.

Regular attendance, getting to class on time, and reading the assigned chapters is the best assurance of a good grade.

Disability: If you have a documented disability and wish to discuss academic accommodations, please contact me as soon as possible.

Field Trip

The Field Trip shall take place at the El Camino Fire Academy, which is located at 206 W. Beach Ave., Inglewood, CA.

Maps and the alternate site meeting form shall be distributed to the students one week prior to the assigned date. Proper etiquette will also be discussed.

Any student who fails to attend the field trip shall have 10% of the Total Points **(48 points)** deducted from their total score.

Term Project

The term project for this class must be typed and at least six pages in length. You will be given a handout on term paper guidelines for more detailed instructions and periodic verbal instructions.
