Black closed-toe, closed-heel, leather or rubber soled shoes with less than 2 inch heels are required. Tennis shoes meeting the aforementioned requirements are acceptable. Sandals, slippers, flip-flops, or shoes with heels in excess of two inches are not acceptable and are not to be worn in class.

**Note:** You will get credit(s) for applied effort in the classroom.

**Punctuality and Attendance:**

All cosmetology students must report to their assigned station for each class session on time in proper attire with all required books and materials.

After the first week, the Cosmetology Department provides the following allowances for student tardiness and/or absence:

**Night students** will be dropped from class when tardiness or absence during the semester exceeds a maximum **25** hours. **Day** students will be dropped from class when tardiness or absence during the semester exceeds a maximum 22.5 hours for advanced students, and a maximum of 45 hours for freshman students.

Each instance of tardiness and/or absence is rounded up and accumulated in quarter hour (15 minute) increments. i.e., a tardiness of 7½ minutes will result in a 15 minute deduction from the allowable absence time remaining. Tardiness at the beginning of class in excess of the first 30 minutes is recorded as an absence and the entire class session will be deducted from the student's allowed time. \_\_\_\_\_

Each instance and time that a student spends outside of the classroom, other than that designated as break time or directly expressed by the instructor will be similarly rounded up, accumulated in quarter hour (15 minute) increments, and deducted from the student's remaining allowable absence time. Students who exceed the stated maximum limits will be dropped from this semester's cosmetology class.
