

## SLO and PLO Assessment Timeline

SLO and PLO Assessment Timeline		
Division: Math	Program: Computer Science	Program Review Date: SP17/FA17
Semester and Year	SLO to be Assessed Include the SLO# and Short Title	PLO to be Assessed Include the PLO# and Short Title
Spring 2014		
Summer 2014 (If applicable)		
Fall 2014	CSCI 1 SLO #1 – Using Specifications CSCI 2 SLO #1 – Using Specifications CSCI 3 SLO #1 – Using Specifications CSCI 12 SLO #1 – Using Specifications CSCI 16 SLO #1 – Using Specifications CSCI 30 SLO #1 – Using Specifications CSCI 40 SLO #1 – Using Specifications	PLO #1: Upon completion of their course of study in the Computer Science Department, students, when given a specification for a program or program segment, will be able to design, code, compile, test and document a solution.
Spring 2015		
Summer 2015 (if applicable)		
Fall 2015	CSCI 1 SLO #2 – Tracing Execution CSCI 2 SLO #2 – Tracing Execution CSCI 3 SLO #2 – Tracing Execution CSCI 12 SLO #2 – Tracing Execution CSCI 16 SLO #2 – Tracing Execution CSCI 30 SLO #2 – Tracing Execution CSCI 40 SLO #2 – Tracing Execution	PLO #2: Upon completion of their course of study in the Computer Science Department, students, when given a code segment, will be able to trace the execution and give the output.
Spring 2016		
Summer 2016 (If applicable)		
Fall 2016	CSCI 1 SLO #3 – Identifying and Correcting Problems CSCI 2 SLO #3 – Identifying and Correcting Problems CSCI 3 SLO #3 – Identifying and Correcting Problems CSCI 12 SLO #3 – Identifying and Correcting Problems CSCI 16 SLO #3 – Identifying and Correcting Problems CSCI 30 SLO #3 – Identifying and Correcting Problems CSCI 40 SLO #3 – Identifying and Correcting Problems	PLO #3: Upon completion of their course of study in the Computer Science Department, students, when given a code segment with errors, will be able to identify and correct the problems.
Spring 2017		
Summer 2017 (If applicable)		

<p><b>Fall 2017</b></p>	<p>CSCI 1 SLO #4 – Concepts of Computer Language  CSCI 2 SLO #4 – Concepts of Computer Language  CSCI 3 SLO #4 – Concepts of Computer Language  CSCI 12 SLO #4 – Concepts of Computer Language  CSCI 16 SLO #4 – Concepts of Computer Language  CSCI 30 SLO #4 – Concepts of Computer Language  CSCI 40 SLO #4 – Concepts of Computer Language</p>	<p>PLO #4: Upon completion of their course of study in the Computer Science Department, students will be able to explain concepts specific to a particular language.</p>
