Curriculum for Fall Review

The courses due to the DCC for the first scheduled NS review are Anatomy & Physiology 34A and 34B, Physiology 31, Geography 2 and 5 and the Geography AA-T degree. These are due by faculty member in Curricunet by September 13 and need to be reviewed by the DCC by September 21. The second round of reviews is Hort 55, 56, 60 and Physics 3A and 3B. They are due by faculty October 11 and need to be reviewed by the DCC by October 19.

Curriculum for Spring Review

Course for Spring review are Biology 101, 102, 103, 17, Chemistry 4, Geology 30, 32, 24 and 36 and Physics 2A and 2B. These are due to the DCC by December 3.

Content Review Checklist and CCC

J. Shankweiler and B. Carey went over the checklist of items in Curricunet that DCC members need to look at for course review. If not everything on the checklist has been completed, the DCC members should note that in their comments in Curricunet. Then, vote Yea or Nay.

Transfer Model Curriculum - Geography

Geography is almost ready to submit the TMC degree. It will be an AA degree rather than an AS degree.

Next Meeting is scheduled for Friday, September 14 at 12:30pm. The committee decided to change the time to 10:00am. The meeting will be cancelled if curriculum review in Curricunet is going well and no one needs assistance.
