Agenda:

- 1) **Professional and Personal Growth Assessment this semester:** *Students exhibit self-esteem, responsible behavior and personal integrity. Students are reflective and intellectually curious; they continue to improve themselves throughout life.*
 - a) Pilot Results - Comments from participating faculty, looking at the student comments.
 - b) Finalize Survey - Survey will be sent to all instructors whose sections were randomly selected (at both campuses) no later than October 31, 2011.
- 2) Newsletter ideas and suggestions
- 3) Future Core Competency Assessments: Involving faculty in all parts: putting together the assessment tool, participating in the assessment, analyzing results, and sharing the results with the entire campus.
