

# One Stop Shopping Initiative (OSSI) for NASA Internship, Fellowship and Scholarship Opportunities

An Innovative Solution to Support the STEM Workforce of Tomorrow

**Paid Internships,  
Fellowships and  
Scholarships**

**“The One Stop Shopping Initiative is user-friendly and intuitively designed to complete an application within 30 minutes or less!”**

- Stephanie Freeman,  
NASA Student  
Ambassador,  
Alabama A&M University

**“Everyone wants to be among greatness; so if you knew the upward mobility that students received from OSSI opportunities to intern and gain real-life research experience, then you would pride yourself in being a member of the ‘posse’ that has benefited from NASA’s OSSI - a force that helps propel us to greatness.”**

- Marsha Cole, NASA Student Ambassador,  
Louisiana State University

**“The OSSI application has been an invaluable resource that has continuously kept me updated regarding opportunities available at all NASA sites. I do my best to tell all students with whom I interact about the site, and I have seen it help many of them take part in career-transforming internships.”**

- Alejandro Perez, NASA  
Student Ambassador,  
Massachusetts Institute of Technology

**“My internship with NASA gave me the opportunity to step outside the confines of classroom theory and apply all the knowledge I obtained to tangible, challenging, and time-pressing problems that are facing the aerospace industry today.”**

- Denisse Verónica Aranda,  
NASA Student Ambassador,  
Florida International University

**Support for  
Graduate Study**

**Apply  
and Select  
Opportunities**

# One Stop Shopping Initiative (OSSI) for NASA Internship, Fellowship and Scholarship Opportunities

An Innovative Solution to Support the STEM Workforce of Tomorrow

## Earn and Learn with NASA!

### Earn

- Paid internships and scholarships for undergraduate students at NASA Centers and installations
- Paid fellowships for graduate students at NASA Centers and installations

### Learn

- College/University scholarships for undergraduate students
- Support for graduate studies

### Is it for Me?

- Are you a U.S. citizen?
- Are you currently enrolled full-time in or accepted to an accredited U.S. college or university?
- Are you a student with a 3.0 or higher GPA?
- If you answered yes to these questions, you are eligible to apply!

### Apply

- Go to <https://intern.nasa.gov> or scan the QR code on this flyer
- Click on either "Internships," "Fellowships," or "Scholarships"
- Click on "Log in/Register"
- Register and complete your student profile
- Complete your application
- Submit your application for up to 15 specific opportunities

#### International Students

- Visit the NASA OSSI LaunchPad at <https://intern.nasa.gov> and click on "NASA Intern and Fellow Opportunities for International Students"

### NASA Mission Directorates

#### Aeronautics

Enable a safer, more secure, efficient, and environmentally friendly air transportation system.

[www.nasa.gov](http://www.nasa.gov)

#### Human Exploration and Operations

Operate the International Space Station and prepare for human exploration beyond low Earth orbit.

#### Science

Exploring the Earth-Sun system, our own solar system, and the universe beyond.
