

STEM AMBASSADOR PROGRAM (SAP) APPLICATION

STEM Ambassadors are a diverse group of enthusiastic and visible El Camino College student leaders with knowledge and experience in STEM fields. These students can share first-hand information about STEM experiences, develop short demonstrations or activities under the supervision of a STEM adviser, and serve as presenters or El Camino College representatives at STEM outreach events or other events such as Onizuka Space Science Day, Open Houses, Science Saturdays, and Planetarium Shows.

Applicants Must:

- * Have a minimum 2.5 GPA at El Camino College or have a 3.0 GPA from high school if in your first semester at El Camino College.
- * Have two semesters of majors-level math, chemistry, physics, astronomy, earth science, biology, engineering technology or machine technology, or comparable AP math/science scores.
- * Be willing to provide assistance and effectively relate with people of diverse cultural, social, and educational backgrounds.
- * **Submit a completed application packet including: application, resume, and unofficial copy of college transcript or high school transcripts (if applicable) to the STEM Program Coordinator by posted deadline.**

Once accepted into the STEM Ambassador Program, students will be required to attend all Student Ambassador trainings, respond to ALL emails in a timely manner, participate in a minimum of three events per year, maintain a minimum 2.5 GPA, be enrolled in a minimum of six units, and maintain professional conduct when representing El Camino College.

All applications and materials must be submitted to:

Kimberly Davis, STEM Program Coordinator
