

El Camino College *STEM Week*

Thursday, April 7 ~ 1:00-2:00 p.m.

James Stein

(ECC Mathematics Instructor)

Presents

“STEM Trek: The Next Generation- Powered By Math”

Location: MBA 219

***“Empowering,
Promoting
&
Celebrating
STEM”***

These are the voyages of the STEM students --
the scientists, mathematicians, technologists
and engineers who will shape the future. But it
would be a lot more fun if others could share in
the journey, and they would if only we could
persuade them of the magic and enchantment
that lies in math we can use in our daily lives.
