A. **PROJECT BUDGETS**

The Facilities Needs Report prepared May 2002, established preliminary budgets for the renovation or replacement of the buildings reported in the categories identified below. The Needs Report was the basis for determining the amount of bond funding required to complete the facilities upgrade/modernization program. The preliminary budgets were revised February 17, 2004, when project scopes and timelines were further defined. Budgets were also revised as of May 16, 2005. Also included in the needs report was a listing compiled by division of equipment and technology that needed to be replaced or upgraded.

Rights of ECCPOA

Section 1. Dues Deduction
The District will deduct from the pay of Unit Employees covered by this Agreement the dues of those employees who are members of ECCPOA upon receiving the employee’s voluntary and written authorization for the District to make such deduction. Such authorization shall be revocable. The District will pay over to ECCPOA the amount withheld, shall be reported and paid to ECCPOA on a monthly basis. ECCPOA shall provide sufficient advance notice to employees authorizing deduction of dues or any increase in dues to allow the member to revoke the written authorization, if desired. ECCPOA will give the District at least forty-five (45) calendar days advance notice of any change in the amount of the monthly dues and shall provide to the District a copy of the notification to affected members. No dues authorization deduction will be effected until it has been on file with the District for at least fifteen (15) work days in advance of the pay period in which the deduction is to be made. ECCPOA agrees to reimburse the District for any dues withheld and paid to ECCPOA by mistake if the District fails to deduct the dues of a Unit Employee who has executed a valid authorization for such deduction. The District will make the correction at the next payroll period if notified by ECCPOA within ample time to make the correction. No such payroll adjustment shall exceed three (3) month’s dues.

Section 2. Access to Work Areas
Representatives duly authorized by ECCPOA shall be permitted to transact business on District premises so long as the transaction of such business does not interfere with the performance of a Unit Employee’s duties to the District and is conducted during periods of time that the concerned Unit Employee(s) is not rendering service to the District.

Section 3. Access to Bulletin Boards
ECCPOA shall have the right to use designated employee bulletin boards for posting notice of its activities subject to the following provisions:

a. Posting of information by ECCPOA shall be on designated employee bulletin boards only.
b. Items posted by ECCPOA shall contain the name of ECCPOA and shall be signed and dated by an official of ECCPOA.

c. A copy of posted information shall be filed with the Office of Human Resources by ECCPOA.

Section 4. Use of Facilities for Meetings

ECCPOA shall have the right to use without charge District facilities at reasonable times for the purpose of meetings concerned with its representation rights at this District, provided that such use shall not interfere with nor interrupt normal District operations, nor shall cause after hour increased maintenance costs to the District, and that arrangement for such use shall be made in accordance with established procedures. Any additional direct cost shall be paid by ECCPOA.

Section 5. Distribution of Information

ECCPOA shall have the right to distribute information to Unit Employees on matters related to this Agreement and its representational rights at this District subject to the following provisions:

a. Any item to be placed in the intercampus system shall bear the name of ECCPOA and the date. A copy of any general memoranda mailed to all Unit Employees shall be filed with the Office of Human Resources by ECCPOA.

b. Usage shall be restricted to distribution of information which is noncommercial and which is not in violation of Article 17, Section 6, Political Activities, and shall be subject to the provisions of regulations governing use of school mail.

d. Distribution between District operating locations and employee mail boxes may be made either by the intercampus mail delivery service or by personal delivery to division offices.

Section 6. Use of District Equipment and Supplies

ECCPOA shall not have the right to use District equipment or supplies for the conduct of ECCPOA business, except ECCPOA officers may, with permission of the appropriate Dean, Director or Manager, have limited use of typewriters and copier provided ECCPOA provides its own paper supplies.
Section 7. Documents

Upon written request of ECCPOA, the District shall provide ECCPOA with copies of any documents that are a matter of public record provided that these materials are not confidential. ECCPOA shall bear the expense of duplicating any such materials unless there are existing copies available that are not earmarked for other distribution. Such request shall be submitted to the Office of Human Resources.

Section 8. Use of Telephone and Electronic Services

The District will provide POA on-campus telephone service, electronic mail, and internet privileges in accordance with the District’s E-Mail, Internet and Network Policy (Board Policy 6160) for the purpose of conducting business.

Section 9. Use of District Personnel During Workday

a. Reasonable time off without pay may be granted to Unit Employees to attend monthly ECCPOA meetings. The employee’s supervisor at his/her discretion may authorize the employee to attend the monthly chapter meeting with pay provided the supervisor schedules make-up time within thirty (30) days.

b. Reasonable time off without pay may be granted to ECCPOA officers to perform other duties for ECCPOA. The employee’s supervisor at his/her discretion may authorize ECCPOA officers to perform other duties for ECCPOA with pay provided the supervisor schedules make-up time within thirty (30) days.

c. Reasonable released time with pay may be granted to a Unit Employee officially designated to represent ECCPOA to attend public meetings of the Board of Trustees.

d. Released time with pay for two (2) ECCPOA designated Unit Employees on ECCPOA’s negotiating committee shall be granted for the purpose of meeting and negotiating in accordance with Government Code Section 3543.1 when such meeting with a designated representative(s) of the District conflicts with the scheduled work hours of such employees. If the meeting is scheduled during the Unit Employee’s regularly scheduled time off, compensatory time equal to the employees’ regular pay (straight time) will be granted. A Release Time Authorization Form with pay or compensatory time for negotiating committee members shall be submitted by ECCPOA as far in advance as possible to the Chief of Police, who then forwards the
form to the Human Resources Division. The straight time will only be granted for the actual time of the meetings.

e. Attend Grievance Procedure Meeting (w/pay).
f. Release time with pay for one (1) ECCPOA designated Unit Employee to attend Annual Conference with pay up to three days or twenty-four (24) hours.
g. Reasonable release time with pay may be granted to Unit Employee officially designated to attend Grievance Procedure meetings.

Section 10. Copies of the Agreement

The District will reproduce this Agreement and distribute a copy to each Unit Employee and will distribute a copy to each newly hired Unit Employee at the time of his/her employment.

Section 11. Board Minutes and Agenda

The District will furnish ECCPOA with a copy of the minutes of Board meetings and with a copy of the agenda of Board meetings and supporting documents submitted to the Board with such agenda, except for supporting documents of a confidential and/or privileged nature upon request.

Section 12. Other Committees

Unit Employees who are appointed to serve on any committees established by the District shall receive released time with pay if the committee meeting conflicts with the regular duty hours of the employee. If the committee meetings are scheduled during the Unit Employee’s regularly schedule time off, compensatory time equal to the employees’ regular pay (straight time) will only be granted, for the actual time of the meetings.

Section 13. Release Time Procedures

Prior to contractual release time with or without pay as specified in Sections 9 and 12 of this Article, the employee will inform the immediate supervisor of scheduled meetings or leave requests. Subsequent to a planned leave of absence, the employee and/or POA will complete and submit a POA employee Release Time Authorization Form to the Human Resources Division and forward a copy to the immediate supervisor of the employee. The Human Resources Division will review the form(s) for appropriate activities and will meet with POA representatives on a regular basis to review any concerns, discrepancies or adjustments that may be required. A copy of the POA Employees Release Time Authorization Form is attached as Appendix D.
ARTICLE 5

a. The standard work week for a full-time Unit Employee shall be an average of forty (40) hours of scheduled duty per week. Buyback will be consecutive to regular 12 hour days unless otherwise mutually arranged.

b. The District may establish a work week of less than forty (40) hours for part time employees, in which case the Unit Employee shall be paid that percentage of the full-time monthly salary schedule that is equivalent to the percentage of his/her assignment to a full-time schedule, or at an equivalent hourly rate for actual hours worked, whichever method is designated by the District.

c. For each five (5) days of unused earned sick leave days on the record as of June 30 of each fiscal year, each officer shall receive one (1) additional paid day (8-hour) off up to a maximum of eight (8-hour) days. Days earned will be scheduled at the discretion of the Chief and will be scheduled at the beginning or end of the officers’ regularly scheduled non-working days. Days off will be scheduled during the eight (8) week summer schedule. In the event the officer is precluded from utilizing his/her additional days due to District priorities or personal priorities approved in advance by the Chief, unused days may be taken prior to the end of the calendar year. In no case will days be carried beyond December 31 of the calendar year in which earned.

d. Police Officer Trainees shall adhere to the work days and hours of the Police Academy.

Section 2. Work Day

a. The standard work day for a full-time officer shall be 12 hours of scheduled time, except during special assignments, for example, Community Oriented Policing Officers, so long as the work week is an average of 40 hours. If an officer is given a special assignment that lasts less than thirty (30) days, the officer assigned to that special assignment will not lose any shift differential he/she was receiving prior to the special assignment until the end of the shift rotation.
b. The District may establish a work day of less than twelve (12) hours pursuant to Section 1(b) of this Article.

c. All officers are required to be dressed in the uniform of the day and have all necessary equipment ready to respond to emergency, as well as general service police calls, at the beginning of their assigned shift. These same requirements apply to overtime assignments along with an additional condition that the officer(s) will be at their venue site upon the start time of the detail.

d. Police Officer Trainees shall adhere to the Police Academy Schedule.

Section 3. Work Schedules

a. Upon initial employment and any subsequent change of classification, each Unit Employee shall be furnished by the District with a notice which shall specify the employee’s duty hours and days of work with POA input assignment or work location, classification description and salary data.

b. The District may extend the regularly assigned work day or work week of a Unit Employee on an overtime basis when such extensions are necessary to carry on the business of the District. Eligibility for compensation for such assigned overtime shall be as provided in Article 6, Section 2. A unit employee shall not be required to work in excess of sixteen (16) consecutive hours in any twenty four (24) hour period except under emergency conditions or when an officer is officially subpoenaed to appear in court. If the Unit Employee is authorized to work available overtime and it is the Unit Employee’s last scheduled work day of the week, the officer may work additional overtime above his/her regular hours, not to exceed eight (8) hours.

c. (1) A shift Reassignment Request Form will be posted two (2) months in advance of each scheduled shift change for officers to express their preferred shifts. Shift changes are effective January 1, May 1, and September 1. Each shift assignment form will include the shift elimination order and department mandated shift assignments, with an explanation, at the time of posting.

(2) The Department will post the shift schedules no later than one month in advance of the scheduled change.
Assignments and adjustments to schedules by the Department will be determined by the following priorities:

a) The needs of the Department.

b) Seniority of the requesting officer.

Employees may submit in writing any other reasons they are requesting particular shifts. If the tentative schedule indicates that an employee will not receive any of his/her three preferred shift assignments, prior to posting of the final schedule, that employee will be given an opportunity to submit a fourth preferred shift assignment. Adjustments to schedules not anticipated at assignment date and after the schedule has been posted, will be determined by department needs.

No Unit Employee may be assigned to the night shift in excess of two schedule rotations without the prior written approval of the Chief, upon written request of the employee. Approval shall not be withheld arbitrarily or capriciously.

A minimum of eight (8) officers is required for the 3/12 schedules to be in effect. Schedule will revert to 5 consecutive 8 hour days until the minimum number of officers is reached once again. In the event this is necessary, ECCPOA will work with the District to coordinate a smooth transition.

Any adjustments to the approved schedules shall be authorized by the Chief of Police.

Section 4. Adjustment Time

Any Unit Employee who works an average of thirty (30) minutes or more per day in excess of his regular part-time assignment for a period of twenty (20) consecutive working days or more shall have his regular assignment adjusted upward to reflect the longer hours, effective with the next pay period.
Section 5. Voting Time Off

Pursuant to the requirements of Election Code Section 14350 to Section 14352, the District for all statewide and local elections shall provide Unit Employees with sufficient time off to vote (not to exceed two (2) hours of paid time) if the voting time available outside of working hours is not sufficient to enable the employee to vote. The Unit Employee shall request such time off from the Chief of Police or designated supervisor.

Section 6. Meal Periods and Rest Periods

a. Each employee who works a shift of more than five hours shall receive a paid thirty (30) minute meal period, to be taken at a time approved by the employee’s supervisor.

b. Each employee who is scheduled to work for four or more consecutive hours shall receive one paid coffee break of twenty minutes each in each such period, including travel time, to be taken at a time approved by the employee’s supervisor.

c. Meal and rest periods may not be accumulated, shall be considered as duty time and the Unit Employee shall be subject to all on-call requirements.
ARTICLE 6
Compensation

Section 1. Salary Schedule Step Placement and Advancement

a. Appendix F is reserved for the Police Officer Association (POA) Salary Schedule effective January 1, 2006. Effective January 1, 2006 the District will adjust the 2005 POA Salary Schedule by the “Adjusted Cost of Living Adjustment (COLA) as described in Appendix E, plus “the Funded Growth Percentage.” The “Funded Growth Percentage” shall be computed by comparing the funded FTES in the Final Report (320) in October of the year prior to the year in which the calculation is made, to the funded FTE in the Final Report (320) in October of the year in which the calculation is made, and taking into effect any deficit factor applied by the State.

b. Adjustments shall be calculated through Appendix E annually through the duration of this agreement.

c. A unit employee shall be employed at Step A of the appropriate salary range in accordance with the POA Salary Schedule in effect as of the unit employee’s date of employment unless the district specifies a step other than Step A.

Section 2. Overtime

c. Overtime work must be authorized by the Chief of Police or designated supervisor.

d. All authorized work in excess of the regularly assigned work week regardless if the hours worked are before or after the employee’s regular work day (except as provided in subsection (c) of this Section), shall be compensated at one and one-half times the unit employee’s hourly rate in effect at the time the overtime hours were worked unless compensatory time off at the time and one-half rate is mutually agreed upon between the Chief of Police or designated supervisor. If a Unit Employee is required to commence work before his/her regular work day, the regular work day shall not be shortened except by mutual agreement between the employee and Chief of Police or designated supervisor.
Compensatory time off shall be taken at a time mutually acceptable to the employee and the supervisor within twelve months following the month in which the overtime was worked or the employee shall be paid.

For the purpose of computing hours worked, time during which an employee is excused from work because of paid holidays, sick leave, vacation, or other paid leave of absence shall be considered as time worked by the employee.

e. The following is the procedure for the uniform distribution of overtime in the Campus Police Division (hereinafter referred to as "Division"):  

1) Overtime shall be awarded to the employee with the lowest hours recorded.

2) Employees with seniority shall be given first opportunity to work when overtime hours are equally distributed.

3) The overtime and seniority list shall be posted in a conspicuous place. Changes will be recorded on a day-to-day basis.

4) A new employee in the Department shall be credited with the highest amount of hours charged to any employee on the overtime list. A new employee in the Department is eligible for overtime when he/she completes training.

5) All overtime hours will return to zero (0) after every second shift rotation.

6) The overtime sign-up sheet for a particular event will be posted at least 72 hours before that event is scheduled to take place or as soon as practical.

7) The Division will inform an employee who has been selected to work a scheduled event by annotating the overtime sign-up sheet. It will be the responsibility of the employee to determine if he/she has been selected for a scheduled overtime event.
8) Overtime will be approved and assigned based on date of service and start time of each overtime assignment. Multi-day overtime assignment (bookstore for example) will be assigned as above and not as a block.

9) Sergeant overtime assignments will be included in the uniform distribution of overtime list.

10) No overtime will be posted for less than three (3) hours.

11) If overtime is cancelled with less than eight (8) hours notice, the assigned officer will be paid for a minimum of three (3) hours.

12) If it is necessary to mandatorily assign an officer to work overtime, for a specific event, the officer who was mandatorily assigned and any officer who volunteered, for that event, will not be charged on the uniform distribution of overtime list.

d. In the event that no regular officer or sergeant volunteers to work overtime, the overtime will be assigned to the least senior eligible exclusive of those officers on approved leave status.

e. Police officer trainees who are required to work more than (40) forty hours a week as prescribed by the Police Academy, shall be compensated at one and one half times the hourly rate in effect at the time the overtime hours are worked or compensating time off (at one and one half time) as mutually agreed upon between the Unit Employee and Chief of Police or designated supervisor.

Section 3. Court Guarantee Pay

When an Officer is ordered by an Official Subpoena (as determined by the Chief or Sergeant) to be placed on call or appear in court due to a departmental related incident, the officer may elect one of the following alternatives: Minimum of two (2) hours of pay at time and one half his/her regular rate of pay, if he/she remains on call at home, or actually goes to court, or minimum of three (3) hours of pay at time and one half his/her regular rate of pay, provided that the officer reports to duty for any time he/she is not required to actually be in court. The Officer will be allowed to choose the option, provided that the choice is made in writing as soon as practicable before the scheduled court appearance. If the Officer does not submit his/her
choice prior to the scheduled court appearance, he/she will receive the two (2) hour minimum on call.

Section 4. Guarantee Pay

If a Police Officer is required to work during his or her off-hours to perform department-directed duties or assignments, he or she shall be compensated for a minimum of three (3) hours at a rate of time and one half his or her regular pay. In the event that the Officer is required to perform the department directed duty on assignment immediately before or after the scheduled shift, the Officer will be compensated at a rate of time and one half his or her hourly rate for the period worked.

Section 5. Work Out of Classification

A Unit Employee may be required to perform duties inconsistent with those assigned to his classification. If such employee is assigned duties inconsistent with those assigned to the employee’s regular position for a period of more than five (5) work days within a 15 calendar day period, the employee’s salary shall be adjusted as provided in Section 1(c) of this Article for the entire period the employee is required to work out of classification and such amounts as will reasonably reflect the duties required to be performed outside the normal assigned duties.

Section 6. Pay Period

Unit Employees compensated on a monthly basis shall be paid twice per month payable on the tenth (10th) and the twenty-fifth (25th) of the month. Unit Employees compensated on an hourly basis shall be paid once a month payable on the tenth (10th) of the month. If the normal pay date falls on a Saturday, Sunday or holiday, the paychecks shall be issued on the preceding workday.

Section 7. Reemployment

A Unit Employee who resigned from the service of the District in good standing and who is subsequently reemployed within one calendar year from the date of such termination shall be placed on the experience step of the salary schedule occupied at the time of termination.
Section 8. Payroll Deductions

Unit Employees, by law, become contributing members of the California Public Employees Retirement System (PERS) and of the Old Age Survivors and Disability Insurance Fund (Social Security). Deductions required by the State and Federal Governments are made monthly. Federal and State income tax deductions are made monthly as are other authorized voluntary deductions.

Section 9. Shift Pay Differential

a. A Unit Employee who is assigned and works two (2) or more days in any workweek to a schedule defined herein, shall receive shift pay differential. Full-time Unit Employees shall receive for such week one-quarter of the monthly shift pay differential. Unit Employees working at least a 50% but less than 100% assignment shall receive a percentage of the differential equal to that of the employee’s assignment. Hourly Unit Employees shall receive shift pay differential on an hourly basis if they are assigned and work the necessary two (2) or more days on a schedule defined herein for each hour worked in such week.

b. One of the following shift differentials, whichever is greater, shall be paid for work assignments as follows:

1) Mid Shift - A workday assignment which ends after 8:30 p.m. shall be compensated on the basis of $55 per month.

2) Night Shift - A workday assignment which begins at 7 p.m. or later but before 4 a.m. shall be compensated on the basis of $145 per month, effective.

c. A Unit Employee who receives a Mid Shift or Night Shift differential premium shall suffer no reduction in premium when assigned temporarily (thirty (30) working days or less) to another shift with lesser premium or no premium.

Section 10. Mileage

A Unit Employee authorized by the Chief of Police or designated supervisor to use the employee’s vehicle on District business shall be reimbursed for all miles driven on behalf of the District at the rate established by the District.
A Unit Employee shall be authorized to use the employee’s vehicle if it is more time-efficient to drive from the employee’s residence to the training location rather than drive to El Camino College, retrieve a District vehicle, and then drive to the training location.

Section 11. Educational and P.O.S.T. Certificate Stipend

a. An educational stipend of $28 per month shall be paid to each officer who completes thirty (30) units of college credit from an accredited institution.

b. An educational stipend of $50 per month shall be paid to each officer who possesses a Bachelor of Science degree or Bachelor of Arts Degree from an accredited institution. This $50 stipend replaces the $28 per thirty (30) unit stipend.

c. A P.O.S.T. stipend of $28 per month shall be paid to each officer who possesses a P.O.S.T. Intermediate Certificate.

d. A P.O.S.T. stipend of $50 per month shall be paid to each officer who possesses a P.O.S.T. Advanced Certificate. This $50 stipend replaces the $28 per month Intermediate Certificate stipend.

e. Stipends are payable on the date of eligibility. If an officer is eligible prior to hire date, the date of eligibility is considered to be the date of hire. If the eligibility occurs after the hire date, eligibility will be considered the date of achievement, or graduation. Upon written notification to the District, the stipend will be retroactive to the date of eligibility from the effective date of this contract. Within six (6) months after the date of eligibility or the date of hire, a written notification shall be submitted to the District requesting the stipend.

Section 12. Attendance Incentive Program

a. Purpose.

The purpose of the Attendance Incentive Program is to recognize those employees who have an exemplary attendance record.

b. Annual Recognition.

Upon approved application submitted in letter form to the Office of Human Resources, if an employee has not been absent for any consecutive twelve (12) month period, he/she shall be granted a $150 award to be paid as soon as possible. Absences for this purpose do not include
holidays, scheduled vacations, bereavement leave, jury duty, or closure by the District for a
department/area, or campus as a whole. No employee shall be entitled to more than one (1)
award per calendar year for the duration of this Agreement.
e. The program is not intended to encourage or permit employees who are ill to come to work. The
District reserves the right to send an employee home if there is reason to believe the employee is
too ill or contagious to remain at work.
e. To be recognized for an exemplary attendance record and receive the $150 award, employees
must submit their request to participate in the Attendance Incentive program within three (3)
months of completing twelve consecutive months of perfect attendance.

Section 13. Field Training Officer (FTO) Assignment Pay

a. A typical field training officer program is 12-16 weeks. New officers are paired with more
experienced officers for on-the-job training. During a new officer’s training period, that officer
may work with 3-4 field training officers.
b. Qualifications for consideration as field training officer include: two years experience as a police
officer; successful completion of the P.O.S.T. FTO Course; and satisfactory performance.
c. Effective January 1, 2000, FTO assignments will be based on various factors including,
but not limited to, departmental and trainee needs, available training personnel, and shift
assignments. Every effort will be made to initially assign FTO duties on a seniority basis
and subsequently rotate thereafter. Field training officers will be listed by seniority.
When the officer has finished with the training period, he or she will go to the bottom of
the FTO list. Newly qualified field training officers will be placed on the bottom of the
FTO list.
d. A Unit Employee who is assigned to work as a field training officer shall be paid a
special duty pay at the rate of $150 per four (4) week assignment provided that the officer
is actually engaged in the training of a new officer.
e. In the event that the field training officer is engaged in training a police reserve officer,
special duty pay of $10.00 per day shall be paid upon the completion of the training-for
that FTO. Training a reserve officer will not affect standing on the FTO list.
Section 14. Compensation in Lieu of Dependent Insurance Benefits

The District will pay $420 at the end of each full year of completed service to each full-time Unit Employee scheduled to work 20 hours or more per week for 10 months or more per fiscal year who does not elect dependent medical, dental and vision insurance coverage for such a year. The Unit Employee may, pursuant to Internal Revenue Code regulations, use this sum for a tax sheltered annuity contribution.
ARTICLE 7

Section 1. Regular Classified Employee

a. A Regular Classified Employee, also known as Police Officer in this Agreement, refers to a Unit Employee who may gain permanent status as defined in Section 4 of this Article.

b. Upon authorization of the Board of Trustees, a classified position may be created under federal or state legislative enactment or other special funding and not designated as part of the regular District program. Such position shall, nevertheless, be a part of the classified service. A person employed in such position shall be a Regular Classified Employee and shall enjoy all of the rights; burdens and benefits accorded other Unit Employees under the terms of this Agreement.

Section 2. Police Officer Probationary Status

On the date of beginning employment as a sworn police officer in the classified service of the District, a Regular Classified Employee shall be required to serve a probationary period of twelve (12) calendar months of active service with the District. Active service is defined as all time in paid status excluding compensation payable under Article 9, Sections 4(c); and any period of unpaid leave of more than eleven (11) work days in a calendar month. An employee who has not completed his probationary period and who voluntarily leaves the service of the District and who is subsequently reemployed as a Regular Classified Employee shall be required to successfully serve a new probationary period of twelve (12) calendar months of active services beginning on the date of reemployment in such position.

Section 3. Permanent Status

A Regular Classified Employee, who successfully serves and completes the initial probationary period, shall be designated as a Permanent Classified Employee of the District.

Section 4. Trainee

a. The Police Officer Trainee receives Police Academy and on-the-job training in law enforcement and police methodology in preparation for eligibility to qualify for the Police Office position. The Police Officer Trainee is an entry-level class for candidates wanting to achieve the police officer position.
The Police Officer Trainee will attend and must successfully complete training at a District approved P.O.S.T. certified academy. Assignment to this class is limited to the duration of the Police Academy training period. Change of status to the position of Police Officer is done by recommendation of the Police Chief.

b. **Police Officer Trainee – Probationary Status**

The police officer trainee will be on probation for the duration of the Police Academy.

### Section 5. Reserve Officer

A Police Reserve Officer is a part-time volunteer/casual employee who has successfully completed a course of training required by the District and approved by the California Commission on Peace Officers Standards and Training. The purpose of a Reserve Police Officer is to supplement and assist, not to supplant full time Police Officers in their full time duties.
ARTICLE 8
Performance Evaluation

Section 1. Performance Evaluation
The intent of the evaluation process is to assess and recognize the competence of the employee’s performance. This process will be used as a tool to plan and review employee performance. The evaluation process shall apply to all employees.

a. The District will train all District personnel responsible for performance evaluations.
b. Each employee shall be evaluated by the immediate supervisor who has worked most often with the employee during the evaluation period. Other supervisors (with notation as to source), may add comments to the evaluation. The evaluation procedure shall include a meeting called by the evaluator with the employee to discuss the employee’s performance. This meeting shall be given a reasonable amount of time to discuss each topic. If an error or omission is discovered during the review meeting, the error or omission shall be corrected.
c. No evaluation shall be based upon hearsay statements but shall only be based upon the direct observation and/or use of information from other sources, provided the evaluator investigate and verifies this information. The evaluator will provide upon request the names of any individuals related to any statement on the evaluation form.
d. If the evaluation fails to provide information pursuant to (c) above then that item shall be stricken from the form.
e. If an employee receives an unsatisfactory rating in any performance category, the performance evaluation will provide specific recommendations for means of improvement and suggestions of available sources of assistance. Subsequently, one or more conferences shall be held with the employee to assist him/her in correcting deficiencies previously noted. A record of such conferences shall be prepared by the evaluator for the employee’s personnel file and a copy given to the employee.
f. The original copy of the evaluation shall be filed in the employee’s District personnel file and a copy shall be given to the employee at the meeting. The employee shall have the opportunity to review, comment, and sign his/her evaluation prior to the placement of said evaluation in the employee’s personnel file. If the employee elects to comment in writing, the written comments will be filed with the evaluation. The employee’s signature shall
represent discussion and reception of the employee’s performance evaluation, not agreement or admonition of its content.

Section 2. Schedule of Evaluations

Each probationary Unit Employee and Restricted Unit Employee shall be evaluated at least twice during the employee’s probationary period. Each permanent and continuing Restricted Unit Employee shall be evaluated at least once annually during the month following their service date of employment. The District may make additional performance evaluations for Unit Employees at any time.

Section 3. "Overall Unsatisfactory" Evaluation

The District may utilize an "overall unsatisfactory" evaluation in subsequent disciplinary proceedings. Any permanent and continuing restricted employee who receives an "overall unsatisfactory" evaluation may file a grievance directly at Step One.

Section 4. Review Procedure

A Unit Employee in receipt of an evaluation reflecting "needs improvement" for any performance factor may request review by the Chief of Police or designated supervisor who will arrange a conference with the Unit Employee and the Office of Human Resources. The Chief of Police or designated supervisor will render a written decision to the employee within five (5) working days. If the decision favors the Unit Employee, that area of complaint shall be stricken from the evaluation.

Section 5. Acknowledgment of Outstanding Work

A supervisor who believes that an employee’s work performance has been exceptional may complete the District’s form entitled "Acknowledgement of Outstanding Work Performance" in addition to the District’s Performance Evaluation Forms, or at times when periodic evaluations are not required. The outstanding work performance described may have occurred on a day-to-day basis or in an unusually difficult and/or emergency situation. All Acknowledgments of Outstanding Work Performance shall be reviewed and signed by the employee’s immediate supervisor.
ARTICLE 9

Section 1. General Conditions

a. A Unit Employee who has cause to request a paid leave of absence shall make written application for such leave to the Chief of Police or designated supervisor as far in advance as possible. For (a) bereavement; (b) personal necessity (1), (3), (4) and (5); or (c) disability leave, the Unit Employee shall inform the Chief of Police or designated supervisor of his absence as soon as possible and the Unit Employee will make written application for the leave as soon as practicable. The application for leave shall state the leave category requested, the reason’s(s) necessitating the employee’s absence, and the estimated duration of the absence. If denied, the employee will be provided with a statement in writing giving the reasons for such denial.

b. Supporting Evidence

The District may require a Unit Employee to submit evidence satisfactory to the district to justify the employee’s request for leave of absence. Such evidence may include, but shall not be limited to, a physician’s statement, a copy of a subpoena, or a notice of jury service.

c. Paid Leave of Absence Defined

A paid leave of absence shall mean salary continuance for the Unit Employee’s normal assignment on the day of the paid absence, with full credit for all District benefits to which the employee is entitled and service credit. A Unit Employee regularly employed on a part-time assignment shall be paid for compensable leaves on the basis of the average number of hours worked, excluding overtime, during the quarter preceding the quarter in which such leave occurs.
1) **Leave Status**

   A Unit Employee who is granted a paid leave of absence shall not be eligible for any other paid leaves(s) provided by this Article during the period of such approved leave unless the Unit Employee presents supporting evidence acceptable to the District.

2) **Failure to Return from Leave of Absence**

   A Unit Employee who fails to return to duty upon completion of a paid leave of absence, and who is not on an approved subsequent leave of absence may be dismissed by the District, unless the employee was unable, due to causes beyond his control, to return to duty, in which event the employee must report the circumstances in writing to the District as soon as he is able to do so.

**Section 2. Bereavement Leave**

a. A Unit Employee shall be granted up to three (3) days for bereavement purposes for members of the immediate family. If out of state travel or travel excess of 300 miles from the District is required, two (2) additional days shall be allowed.

b. If an additional period of absence from duty is required for this purpose, a Unit Employee may be granted additional bereavement leave, which additional leave shall be charged as personal necessity leave to the extent such leave is available to the employee as provided in Section 3 of this Article.

c. "Immediate Family" is defined as the mother, mother-in-law, father, father-in-law, grandmother, grandfather, or grandchild of the Unit Employee or of the spouse of the employee, and spouse, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law or sister, sister-in-law of the employee, or any other person living in the immediate household of the employee. Individual exceptions may be submitted for approval to the Chief of Police or designated supervisor.

d. In addition, the following groups are considered "Immediate family": Stepparent, foster child, dependent child or adult of the employee or spouse of the employee. The employee shall, upon request, furnish written evidence to his/her immediate supervisor that the leave taken is in accordance with the provisions of this section.
Section 3. Personal Necessity Leave

a. A Unit Employee may be absent from duty without loss of pay for up to seven (7) duty days during any fiscal year and have the absence charged to the employee’s accrued sick leave account.

b. For the purpose of qualifying for paid personal necessity leave, there shall be a compelling reason which required the Unit Employee’s absence from duty, which cannot be attended to outside of his duty hours, and which shall be limited to one of the following reasons:

   1) An accident involving the Unit Employee’s person, property, or the person or property of a Unit Employee’s immediate family (as defined in Section 2(c) of this Article) not otherwise chargeable to any other paid leave of absence for which the employee qualifies.

   2) The required appearance of the Unit Employee brought about as the result of a legal notice to appear as a witness before a governmental or judicial agency or court of law.

   3) The illness of a member of the Unit Employee’s immediate family (as defined in Section 2(c) of this Article) including the birth of a child to the employee.

   4) Any imminent danger as the result of flooding or fire or similar natural catastrophe to the personal residence of the Unit Employee.

   5) The death of a member of the employee’s immediate family as defined in Section 2 of this Article when additional leave is required beyond that provided in Section 2, or the death of a significant other of the employee or of his/her immediate family.

   6) Other reasons submitted in writing and approved in advance by the Chief of Police or designated supervisor.

Section 4. Sick Leave

a. Definition

Sick Leave utilization shall be for physical and mental disability absences, which are medically necessary and caused by illness, injury or pregnancy.
b. Accrual of Sick Leave Benefits

1) Each unit Employee employed full-time on a fiscal year basis shall be entitled to twelve (12) days of sick leave benefits with pay for illness or injury for each fiscal year of service. A Unit Employee employed full-time for less than a full fiscal year is entitled to that portion of the twelve (12) days sick leave per fiscal year of service as the number of months he is employed bears to twelve (12). A Unit Employee regularly employed on a part-time assignment shall be entitled to the same ratio of sick leave benefits of a full-time employee as the number of hours a full-time (40-hour) work schedule.

2) A newly hired Unit Employee shall be entitled to use only that portion of his sick leave award which has been accrued for each month of service actually rendered and may not take his full sick leave for the fiscal year until the first day of the calendar month after he has completed the first six (6) months of active service with the District.

3) There shall be no maximum on the number of sick leave days a Unit Employee may accrue. The full amount of unused annual sick leave shall be accumulated from year to year.

4) A Unit Employee may use his sick leave at any time during the year; however, a Unit Employee leaving the District during a fiscal year who has used sick leave for that year will required to reimburse the District for the value of the difference between the number of sick leave days actually accrued for each month of active service in the year and the actual number of sick leave days used, if any.

5) Sick leave credit received by transfer from a previous employing California school district of a newly hired Unit Employee shall be accepted and credited to the employee’s sick leave account with the District if the employee has been employed by such district for a period of one calendar year or more and accepts a position with the District within twelve (12) months of termination from the previously employing district.

6) All accumulated sick leave shall be canceled upon termination of service with the District except that accumulated sick leave may be transferred to a subsequent
employing California school district or toward retirement under PERS as provided by law.

c. **Difference Pay**

Each Unit Employee shall once each fiscal year be credited with a total of one hundred (100) days sick leave including the sick leave provided under Section 4 of this Article. Each day of sick leave provided by this Section shall be compensated at the rate of fifty (50) percent of the employee’s regular salary. In order to qualify for differential pay, an employee shall first utilize all accumulated sick leave credit, and in no event shall days of differential pay, when combined with days of sick leave utilization, exceed one hundred (100) days in any fiscal year. Only one increment of differential pay shall be allowed for any single and continuous absence that extends into the next fiscal year.

**Section 5. Catastrophic Illness/Injury Leave Plan**

e. In accordance with the provisions of AB2007, the Catastrophic Illness/Injury Leave Plan is available to eligible Unit Employees. The purpose of this plan is to permit employees with a catastrophic illness or injury to solicit individual donations of vacation and sick leave from fellow employees and/or from the Leave Bank. Eligibility provisions and procedures are outlined in Appendix A.

f. A catastrophic illness or injury is one that is expected to incapacitate the employee for an extended period of time and taking extended time of work creates a financial hardship for the employee because he/she has exhausted all sick leave other paid time off.

g. The Catastrophic Illness/Injury Plan is not grievable.

h. This plan was jointly developed as an institutional program by ECCE, Federation, POA, confidential employees, and management. Changes to this institutional plan cannot be made without the agreement of all constituent groups.

**Section 6. Extended Disability**

If the Unit Employee is still disabled at the conclusion of all available paid disability leave(s) and is unable to return to work, Article 10, Section 2, Extended Disability Leave, shall apply.
Section 7. Disability Release

The District may require a satisfactory written statement from a Board Certified or Board Eligible psychiatrist physician, or clinical psychologist specializing in the area of concern and mutually agreed upon by the District and the employee, releasing the employee to return to all duties of his position before the employee may return to duty after expiration of a disability leave. Such statement shall be submitted by the Chief of Police or designated supervisor. Pursuant to Section 4(a) of this Article, the District may require additional health information. An employee may return to duty on a limited basis, i.e., less than normal daily work hours, so long as the employee can perform any and all of the duties assigned to the position.

Section 8. Quarantine Leave

A Unit Employee shall receive full salary during the period of quarantine by duly constituted governmental authority.

Section 9. Military Duty Leave

Section 5. Reemployment Procedures

a. A Regular Classified Employee who is laid off shall be placed on a thirty-nine- (39) month reemployment list. The employee shall be required to maintain a current address on file with the Office of Human Resources.

c. An employee, who receives such notice of reemployment and refuses to accept in writing the offer of reemployment within ten (10) calendar days, shall be deemed to have rejected the offer of reemployment. Failure to reply within ten (10) calendar days will be considered a refusal. After an employee has declined two (2) such offers, the employee by such action relinquishes all reemployment rights with the District.

d. If the employee in a layoff status accepts the position being offered, the employee shall have up to thirty (30) calendar days from the postmark date of the notice to report to work. This does not preclude an employee from returning to work in fewer than thirty (30) calendar days. Should the employee fail to report back to work within thirty (30) calendar days, all reemployment rights are relinquished.

e. A Regular Classified Employee reemployed after being laid off shall be fully restored to his/her position with all rights to permanent status. Service credit and benefits shall not, however, accrue during the period of layoff.

General Provisions

Section 1. Personnel Files
a. There shall be one (1) official District personnel file for each Unit Employee. The material in the official District personnel file shall be considered and used as the only official personnel record of the District in any proceeding affecting the status of the Unit Employee’s employment with the District.

b. The material in the file shall be made available for the inspection of the Unit Employee to whom the file pertains except ratings, reports or records which were (1) obtained prior to the employment of the Unit Employee, (2) prepared by identifiable members of the screening committee involved in selection, or (3) obtained in connection with a promotional evaluation.

c. A Unit Employee shall have the right to inspect the file except as provided in subsection (b) of this Section upon written request. An officially designated representative of ECCPOA, chosen by the Unit Employee, may at the Unit Employee’s request accompany the employee in this review or upon written authorization a representative may review the file. The Review shall be made during normal business hours and at a time when such Unit Employee is not otherwise required to render service to the District unless mutually agreeable to the Unit Employee and the Chief of Police or designated supervisor.

d. Any item to be placed in the file shall be clearly identified as to its source or originator and its date of receipt by the District.

e. Information of a derogatory nature, except that listed under subsection (b) of this Section, shall not be entered or filed unless and until the Unit Employee is given a copy of the document and the employee has the opportunity to have a meeting concerning the matter and an opportunity to make his own written comments, which will be placed in the file attached to the derogatory document. Such written comments shall be submitted within five (5) working days. Such meeting and opportunity to write comments shall take place during normal business hours, and the affected Unit Employee shall be released from duty for this purpose, if necessary, without salary reduction.
f. Official District personnel files shall only be available to specifically designated persons. No other party shall have access to a Unit Employee’s file, except as the result of a legal proceeding, without the written authorization of the Unit Employee.

Citizen complaints, however, will be retained and available for review for five (5) years, but will be removed from the file and destroyed after five (5) years, upon written request of the employee.

Section 2. Medical Examination

a. If the District has cause to believe that a Unit Employee’s ability to perform his/her duties is impaired by a physical, mental or emotional condition, the appropriate Vice President, or designee shall informally discuss this concern with the Unit Employee involved and may, if deemed appropriate, suggest that the Unit Employee seek appropriate professional assistance.

b. If the Unit Employee does not or cannot show adequate improvement, over a reasonable period of time, in the performance of his duties, the Office of Human Resources may require the Unit Employee to undergo appropriate examinations by a Board Certified or Board Eligible psychiatrist, physician or clinical psychologist selected by the District and specializing in the area of concern at the expense of the District. The Unit Employee may request that the psychiatrist, physician or clinical psychologist selected by the District and the employee’s own psychiatrist, physician or clinical psychologist select a third such professional to conduct the examination which shall be at District expense. The Unit Employee shall be required to execute a release so that the clinical psychologist, physician or psychiatrist may make a confidential report of his findings to the Office of Human Resources. **Section 2.1 Drug and Alcohol Testing**

Upon Reasonable suspicion that a Unit Employee cannot safely or effectively perform the duties of the job, or that an on-duty Unit Employee might be under the influence of an intoxicant (as defined in the El Camino Police Department Policies, Procedures and Operations Manual), the District shall have the authority to order a test of that employee to determine if the employee is under the influence of an intoxicant. **Section 3 Home Address/Telephone Number**

A Unit Employee shall be required to keep on file his/her current home address and telephone number in the department office and the Office of Human Resources. The employee must notify both the department and Human Resources within forty-eight (48) hours of any change, or on the next working day of the employee, whichever is shorter.

**Section 4 Non-Discrimination**

The District and ECCPOA agree not to discriminate against any Unit Employee on the basis of race, religion, national origin, sex, marital status, and age or employee organization affiliation.

**Section 5 Tuberculosis Examination**

a. An X-ray of the chest or a tuberculin skin test shall be required of each Unit Employee every four (4) years (unless otherwise specified by law) and the results of such examination shall be filed with the Office of Human Resources. If the tuberculin skin test shows a "positive" reaction, the employee shall be required to have a chest X-ray examination. The cost of such examination(s) shall be paid by the District providing that it is administered by a medical facility retained by the District for this purpose.

b. If the examination results in a find that the Unit Employee is suspected of having active tuberculosis, the employee shall be immediately released of all duties, granted any paid leave benefits to which he/she may be entitled under Article 9, and shall be reinstated only after conclusive evidence is presented that the employee is free of active tuberculosis.

In any case the employee shall be given a reasonable time, prior to commencing the hearing, to prepare his or her defense to the amended or supplemental recommendations.

Section 8. Conduct of Hearing

The hearing shall be before a hearing officer, except in those cases where the Board of Trustees determines it will hear the appeal. In any case in which the Board of Trustees hears the appeal, it may utilize the services of its own counsel to advise the Board about procedure, evidentiary or legal issues. Unless specifically requested in writing by the disciplined employee all hearings shall be considered "open" hearings.

Hearsay evidence may be admitted for any purpose, but shall not be sufficient in itself to support a finding unless it would be admissible over objections in civil actions. The rules of privileges and of official or judicial notice shall be effective the same extent as in civil actions. Irrelevant and repetitious evidence shall be excluded. Oral evidence shall be taken only under oath or affirmation.

f. The standard of proof shall be a preponderance of the evidence. There will be reciprocal discovery rights. If an employee does not appear for a scheduled disciplinary hearing, the right to a hearing is waived and the discipline will be imposed.

Code of Civil Procedure section 1094.6 provides, in part, that any petition for writ of mandate to the superior court shall be filed not later than the 90th day following the date on which the Board of Trustees' decision becomes final.

Section 9. Limitations on Disciplinary Action

Disciplinary action may be taken for any cause which arose prior to the employee’s becoming permanent if the cause was concealed or not disclosed as required by law, regulation or other District rules, regulation, policies and/or procedures. Disciplinary action shall be taken for conduct, which would constitute a felony under the laws of the State of California.

In situations where an ECCPOA representative has not been invited to represent the Unit Employee, the District shall not agree to a final resolution of the grievance until ECCPOA has a copy of the grievance and the proposed settlement and has been given the opportunity to file a response to the matter within fifteen (15) calendar days.

Section 7.  Management Representatives

At any step of the grievance procedure the District may designate a substitute for the person designated herein. One additional management representative may be invited to be present at either the Step One or Step Two meetings.

APPENDIX A

CATASTROPHIC ILLNESS OR INJURY/FAMILY LEAVE DONATION

About the Plan

The purpose of this plan is to permit employees with a catastrophic illness or injury to solicit individual donations of vacation and/or sick leave from fellow employees. The intent is:

1) to insure that the employee continues to receive medical benefits during the recovery period.

2) to enable the employee to continue receiving the regular salary. TO BEGIN THE PROCESS, a letter of request and medical verification must be sent to the Director of Human Resources. Assuming all other conditions are met, the Director will initiate the "Call for Donated Leave" or the CII Committee will approve Leave Bank donations.

Guidelines for Donating Days

1) Any employee may donate accumulated leave but MUST retain no fewer than 30 days of sick leave on record.

Exception: An employee who is retiring or terminating and wishes to donate unused sick leave to a specific person or to the Leave Bank may do so with no limitation.

2) You may donate accumulated vacation days with no restrictions.

3) All days donated are irrevocable. Once you donate them, they are gone forever.

4) Any unused donated days will revert to the Leave Bank for use by other catastrophically ill or injured employees who request and are approved to use days from this bank.

5) Donated sick leave or vacation days are charged on the basis of day-for-day regardless of the classification and/or salary of either the donee or the donor.

The Employee suffering from a catastrophic illness or injury

1) Must have used all available forms of leave (sick leave or vacation).
2) Is incapacitated or absent for an extended period of time no fewer than 30 consecutive calendar days.

3) Must submit a letter to the Director of Human Resources requesting "Call for Donations." Someone authorized other than the donee may request donated days.

4) Must submit medical verification to the Director of Human Resources. The District may require additional medical verification from a physician selected by the District and at the expense of the District.

5) As required in AB2007, the District determines that the employee is unable to work due to the catastrophic illness or injury.

6) May use donated days as half or whole days and may be used retroactively. There are two choices on how to use donated days:

   a. Half day worked plus half day donated leave equals a portion of or full pay.
   b. Half day leave only resulting in full health benefits coverage and a portion of or half pay.

7) Must use all donated leave within a 12-month period after the donation. Leave days will be placed in a special donated leave account for up to one year. If the employee returns to work and has a reoccurrence of the same or related catastrophic illness or injury, after using any accumulated vacation or sick leave accrued days, previously donated leave days may be used. After one year, and in unusual circumstances, the CII Committee may consider a request to extend the period of up to one additional year.

8) If no reoccurrence of the catastrophic illness or injury occurs within one year of the date returned to work, the unused donated days will revert to the District’s Leave Bank.

9) Pledged donated days may be used only for the specified catastrophic illness or injury. A different catastrophic illness or injury must be handled as a separate or second incident.

10) NOT COVERED: Stress related illness; elective surgery, normal pregnancy, worker’s compensation claims, disabilities resulting from alcoholism or drug addiction unless the drugs are administered by a physician; intentionally self inflicted injuries; pre-
existing physical maladies or normal illness such as colds, flu, allergies, headaches etc.

**Leave Bank**

1) The District annually, or as needed, will promote a "call for leave donations" for the Leave Bank. In addition, the District will give each employee who terminates resigns or retires, an opportunity to donate unused vacation or sick leave to the Leave Bank.

2) Unused donated days reverting to the Leave Bank or days specifically donated to the Leave Bank make up the Leave Bank.

3) Requests for Leave Bank days are subject to availability. The District is not responsible for filling requests from the Leave Bank if no days are available.

4) It is the responsibility of the employee or the employee’s authorized person making the request to submit sufficient information or explanation to the CII Committee for approval. Insufficient information will be grounds for denial.

5) Submit requests for Leave Bank days directly to the Director of Human Resources who then will determine eligibility and will provide the CII Committee with appropriate information. The Committee will review the request but will not be told the name of the person making the request.

6) Confidentiality will be upheld and all efforts will be made to ensure privacy of the employee making the Leave Bank request.

**Definitions**

**Catastrophic Illness or Injury:** As defined in AB2007, a catastrophic illness or injury is one that is expected to incapacitate the employee for an extended period of time and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all sick leave and other paid time off. Examples include life threatening injury or illness; cancer, AIDS, heart surgery, stroke, etc.

**CII Committee:** The Catastrophic Illness/Injury Committee is comprised of representatives from Federation (1), POA (1) and Management (1) and is chaired by the Director of Human Resources as a non-voting member, or Designee.
Call for Donations: The District will solicit requests for donations for either individual or Leave Bank requests.

Duration: Per AB2007, all donated leave is available for a maximum of 12 months.

Grievances: Nothing in this plan is grievable.

Individual Requests: Employees meeting conditions of this plan may request donations from the general employee population.

Irrevocability: Once leave is donated, the donor cannot retrieve any portion of the donated leave.

Leave: Vacation or sick leave accrued to the donating employee. A donating employee must retain no fewer than 30 days of sick leave on record to be eligible to donate sick leave days.

Leave Bank: Unused donated days or days specifically donated to a general account. The Leave Bank permits those employees who do not wish to request individual donations to do so privately and anonymously.

Medical Determination: AB2007 requires medical verification of catastrophic illness or injury from a physician.

Medical Verification: AB2007 requires that the District determine that the employee is unable to work due to a catastrophic illness or injury.

Requests: AB2007 specifies that an employee who is suffering from a catastrophic illness or injury must request that eligible vacation or sick leave is donated. Donations cannot be accepted or approved without this request.
Employees who meet all requirements of these procedures may be entitled to family care and medical leave in connection with the birth, adoption, or foster care placement of a child with the employee, or the serious illness of a child, parent, or the employee him/herself. Family and medical leave will be granted in accordance with the Family and Medical Leave Act.

Eligibility for Family Care Leave and Medical Leave.
To be eligible for family care and medical leave, an employee must:

1. Have worked continuously for the District for at least one year prior to the date when such leave is requested; and
2. Have provided at least 1,250 hours of service during the 12 months before the leave is requested; and
3. Not have taken a maximum of twelve workweeks of family care and medical leave within the preceding 12-month period.
4. Comply with all requirements of state and federal law pertaining to family care and medical leave.

Permissible Uses of Family Care and Medical Leave
Family care and medical leave may be requested for:

1. The birth of an employee’s child;
2. The adoption of a child;
3. The placement of a foster child with an employee;
4. The serious illness or health condition of an employee’s child, spouse, or parent;
5. The serious health condition of the employee him/herself.

Amount of Family Care Leave
Provided all the conditions of this procedure are met, an employee may be granted up to twelve workweeks (60 workdays) of family care and medical leave during any 12-month period. The leave may be taken in one or more periods; however, the District retains the right to deny a leave request if
the leave is deemed not to be of sufficient duration (e.g. less than two weeks) or if a request is for intermittent leave where the intermittent schedule is not medically necessary.

Any employee requesting leave for his or her own serious illness/injury, under this program, shall be required to utilize all accumulated sick leave, available sub difference and vacation leave first.

Employees may request Family Care and Medical Leave, under this program, to care for a family member with a catastrophic illness or injury, with prior approval, may use accumulated sick leave, vacation and/or personal business leave. The total amount of permissible family care leave will be reduced by the amount of the other leave used.

References to the amount of leave available are based upon the entitlement of a full-time employee. Employees who work less than a full-time schedule or less than a 12-month year are entitled to leave in whatever proportion their work schedule bears to full-time. In no case will an employee scheduled to work less than a 12-month year be entitled to use family care and medical leave during scheduled periods of non-work status.

Special Provisions for Pregnancy Related Disability and Child Care Leave

(1) Upon expiration of any pregnancy disability leave authorized by Government Code Section 12945.2, the employee is eligible for up to an additional 12 weeks of family care leave to care for the newborn child.

(2) During the period of "disability" (6 weeks for a normal pregnancy) the employee shall use accumulated sick leave or available sub-difference until those entitlements are exhausted. Thereafter, the employee shall use vacation and/or personal business leave.

(3) Upon expiration of the pregnancy disability period, the employee may request family care leave pursuant to these procedures.

(4) The District shall continue to pay its portion of the employee’s medical insurance during the period of family care leave.

(5) The amount of family care leave available will be reduced by any other paid leave taken aside from the pregnancy "disability" period as defined in Government Code Section 12945.2.
Conditions for Granting Family Care Leave

If the employee can anticipate when the leave may be required (e.g., leave for a planned medical treatment), the employee may be required to schedule the leave in a manner that will minimize its disruption to the District, to the extent it is medically acceptable.

Family care and medical leave may be denied if the employee has not complied with these procedures.

For family care and medical leave requests for child care, if both parents are employed by the District, a combined total 12 work weeks of leave is available to a mother or father for the birth, adoption or foster care placement of a child.

Relation to Pay and Other Benefits

Except to the extent that paid leave is substituted for family care and medical leave, an employee on family care and medical leave is not entitled to any continued salary during the leave period.

The District will continue to pay medical, vision, and dental benefits for an employee and his/her dependents at the same level those benefits were paid for by the District immediately prior to the employee commencing family care leave. An employee may elect to continue to participate in life insurance plans by paying, at the employee’s own expense, the costs ordinarily paid by the employer. If the employee is unwilling or unable to make the required payments, the employee will not be covered by the employee benefit plans during the leave period. Upon reinstatement, however, the employee shall not thereafter lose any benefits as a result of the family care and medical leave. Upon termination of family care and medical leave, the employee shall be entitled to reinstatement to a position with the same or similar duties and pay which can be performed at the same or similar geographic location as the position held prior to the leave, unless the original position has been eliminated due to a reduction in force or restructuring of the District prior to the expiration of the leave. In the event the original position has been eliminated due to the layoff or restructuring, the employee shall retain his/her pre-leave seniority for layoff recall and other seniority related rights or benefits.

Upon termination of family care and medical leave, an employee shall retain the same seniority as at the time the leave commenced. Seniority shall not accrue during the leave period.

In the event an employee who is on leave fails to return to work upon expiration of all authorized leave, the District shall be entitled to recovered the cost of premiums paid for the employee’s medical insurance at the same level those benefits were provided immediately prior to the employee commencing leave.
Procedure for Requesting Family Care Leave

An employee shall notify his/her supervisor, in writing, of the need for family care and medical leave as soon as possible under the circumstances. If the leave is requested in connection with a planned, non-emergency medical treatment, the employee may be requested to reschedule the treatment, to the extent feasible, so as to minimize disruption or inconvenience to the District’s operations and co-workers.

The written request for family care and medical leave shall specify the reason for the leave (e.g., birth, adoption, illness of parent, etc.), the anticipated date of commencement and duration of the leave. The District shall require a certification issued by the health care provider of the individual requiring care. The medical certification shall include all of the following:

1. The date on which the serious health condition commenced;
2. The probable duration of the condition;
3. For Employee’s Own Illness: A statement that the serious health condition prevents the employee from performing the essential functions of his/her position;
4. For Care of Others: The health care provider’s estimate of the amount of time the employee needs to care for the individual;
5. A statement that the serious health condition warrants the participation of a family member (the employee) to provide care.

The District has the right to require a second medical opinion, paid for by the District. The District may also require a third medical certification (employer-paid) in the event of a conflict between the first and second opinions. If the leave extends beyond the period indicated in the original medical certification, or additional leave is requested, the employee may be required to obtain recertification.
