Board Policy 1200 The El Camino College Mission, Philosophy, Values And Guiding Principles

**Vision Statement**
El Camino College will be the College of choice for successful student learning, caring student services and open access. We, the employees, will work together to create an environment that emphasizes people, respect, integrity, diversity and excellence. Our College will be a leader in demonstrating accountability to our community.

**Mission Statement**
El Camino College offers quality, comprehensive educational programs and services to ensure the educational success of students from our diverse community.

**Statement of Philosophy**
Everything El Camino College is or does must be centered on its community. The community saw the need and valued the reason for the creation of El Camino College. It is to our community that we must be responsible and responsive in all matters educational, fiscal and social.

**Statement of Values**
Our highest value is placed on our students and their educational goals, interwoven in that value is our recognition that the faculty and staff of El Camino College are the College’s stability, its source of strength and its driving force. With this in mind, our five core values are:

- **People** – We strive to balance the needs of our students, employees and community.
- **Respect** – We work in a spirit of cooperation and collaboration.
- **Integrity** – We act ethically and honestly toward our students, colleagues and community.
- **Diversity** – We recognize and appreciate our similarities and differences.
- **Excellence** – We aspire to deliver quality and excellence in all we do.

**Guiding Principles**
The following guiding principles are used to direct the efforts of the District:
El Camino College must strive for distinction in everything the College does—in the classroom, in services and in human relations. Respect for our students, fellow employees, community and ourselves, must be our underlying goal.

Cooperation among our many partners including other schools and colleges, businesses and industries, and individuals is vital for our success.

Access and success must never be compromised. Our classrooms are open to everyone who meets our admission eligibility and our community programs are open to all. This policy is enforced without discrimination and without regard to gender, ethnicity, personal beliefs, abilities or background.

**Strategic Initiatives**
A. Enhance teaching to support student learning using a variety of instructional methods and services.
B. Strengthen quality educational and support services to promote student success.
C. Foster a positive learning environment and sense of community and cooperation through an effective process of collaboration and collegial consultation.
D. Develop and enhance partnerships with schools, colleges, universities, businesses, and community-based organizations to respond to the workforce training and economic development needs of the community.
E. Improve processes, programs, and services through the effective use of assessment, program review, planning, and resource allocation.
F. Support facility and technology improvements to meet the needs of students, employees, and the community.
G. Promote processes and policies that move the College toward sustainable, environmentally sensitive practices.

7/16/14
The Board of Trustees of the El Camino Community College District met at 4:00 p.m. on Monday, October 20, 2014, in the Board Room at El Camino College.

The following Trustees were present: Trustee William Beverly, President; Trustee Kenneth A. Brown, Vice President; Trustee Mary E. Combs, Secretary; Trustee Cliff Numark, Member; Trustee John Vargas, Member; and Student Member Kimberly Garcia.

Also present were Dr. Thomas Fallo, Superintendent/President; Dr. Francisco Arce, Vice President/Academic Affairs; Ms. Linda Beam, Vice President/Human Resources; Ms. Jo Ann Higdon, Vice President/Administrative Services; Dr. Jeanie Nishime, Vice President/Student and Community Advancement; and Ms. Barbara Perez, Vice President/Compton Education Center.

Minutes of the Regular Board Meeting of September 8, 2014
It was moved by Ken Brown, seconded by John Vargas, that the Minutes of the Regular Board meeting of September 8, 2014 be approved as amended below.

Public Comment on Non-Consent Agenda – Add: Ali Ahmadpour asked that the College recognize Cesar Chavez Day.

Student Member Garcia recorded a yes advisory vote. Trustees Beverly, Brown, Combs, Numark and Vargas voted yes. Motion carried.

Presentation – Community Advancement – Economic Workforce Development
Mr. Jose Anaya gave an informational presentation on Community Advancement – Economic Workforce Development.

Consent Agenda
It was moved by Trustee Combs, seconded by Trustee Brown, that the Board adopt the items presented on the agenda as noted below, with the exception of VI-F, #B (2014 Board of Trustees Evaluation).

Academic Affairs
Destruction of Records
Mathematics, Engineering, Science Achievement (MESA) Conferences
Proposed Curriculum Changes Effective 2015-2016 Academic Year
Student and Community Advancement
El Camino College – Institutional Effectiveness Outcomes – Strategic Plan 2015-2020
El Camino College Compton Center – Institutional Effectiveness Outcomes – Strategic Plan 2015-2020
Forensics Team Tournaments – 2014/2015
Destruction of Records
Board Policy 2410 (Board Policies and Administrative Procedures) – First Reading

President and Board of Trustees
Travel

Student Member Garcia recorded a yes advisory vote. Trustees Beverly, Brown, Combs, Numark and Vargas voted yes. Motion carried.

Consent Agenda – Item VI-F, #B (2014 Board of Trustees Evaluation)
It was moved by Trustee Numark, seconded by Trustee Combs, that the 2014 Board of Trustees Evaluation be approved. Additional goals to be considered should be forwarded to the President’s office by November 3, and will be included in the November agenda packet.

Student member Garcia recorded a yes advisory vote. Trustees Beverly, Brown, Combs, Numark and Vargas voted yes. Motion carried.

Non-Consent Agenda

Resolution No. 10-20-14 – Approving Assignment of Delinquent Tax Receivables To The California Statewide Delinquent Tax Finance Authority

It is moved by Trustee Combs, seconded by Student Member Garcia, that the Board of Trustees approve the resolution to assign delinquent tax receivables to the California Statewide Delinquent Tax Finance Authority for the fiscal years
ending June 30 in 2014 through 2016 and authorize execution and delivery of related documents and actions.

Student Member Garcia recorded a yes advisory vote. Trustees Beverly, Brown, Combs, Numark and Vargas voted yes. Motion carried.

Closed Session
Regular Meeting adjourned to a Closed Session at 6:15 p.m. which ended at 7:00 p.m.

Readout from the Closed Session
It was moved by Trustee Vargas, seconded by Trustee Combs, that the Board of Trustees ratify the Superintendent-President’s decision to suspend without pay, effective August 29, 2014, and terminate the employment of a classified employee from the El Camino Community College District, effective October 21, 2014. Trustees Beverly, Brown, Combs, Numark and Vargas voted yes. Motion carried.

B. PROPOSED CURRICULUM CHANGES EFFECTIVE 2015-2016 ACADEMIC YEAR

It is recommended that the Board approve the proposed curriculum changes, effective the 2015-2016 academic year, as listed below.

BEHAVIORAL AND SOCIAL SCIENCES

Course Review; Distance Education Update

1. Psychology 2 – Psychology for Effective Living

BUSINESS

Course Review; Distance Education Update, Changes in Conditions of Enrollment (Pre/Corequisite, Recommended Preparation, or Enrollment Limitation)

1. Computer Information Systems 13 – Computer Information Systems

   Current Status/Proposed Changes
   Prerequisite: eligibility for English 84 and Business 15 or Mathematics 23
with a minimum grade of C or qualification by testing (El Camino College Mathematics Placement Test) and assessment
Recommended Preparation: Mathematics 23 or Business 15

Recommendation

Prerequisite: eligibility for English 84
Recommended Preparation: Mathematics 23 or Business 15

FINE ARTS

CTE Two-Year Course Review

1. Art 130 – Two-Dimensional Design I

Course Review; Changes in Conditions of Enrollment (Pre/Corequisite, Recommended Preparation, or Enrollment Limitation)

1. Art 132 – Advertising Design I

   Current Status/Proposed Changes
   Prerequisite: Art 131 or Art 141 with a minimum grade of C
   Recommended Preparation: Art 131 or Art 141

   Recommendation

   Recommended Preparation: Art 131 or Art 141

Course Review; Changes in Descriptive Title

   Current Status/Proposed Changes

1. Dance 130A – Beginning Modern Dance Technique I A

   Recommendation

   Dance 130A – Beginning Modern Dance A

Course Review; Changes in Descriptive Title, Catalog Description

   Current Status/Proposed Changes

1. Dance 130B – Beginning Modern Dance Technique I B

   This course is the second in a sequence of two four levels of modern dance I. This course focuses on the continued development of dance skills through modern dance movement, emphasizing combinations on the floor and standing or traveling through
space. Technique skills are reinforced through creative expression of more complex movement. Attendance is required at dance events sponsored by the Center for the Arts.
Note: This course is required of all dance majors.
Note: Letter grade or pass/no pass option.

C. BOARD POLICY 4040 (LIBRARY SERVICES) – FIRST READING

   It is recommended that the Board accept for a first reading the revisions to Board Policy 4040 as shown.

D. ADMINISTRATIVE PROCEDURE 4040 (LIBRARY SERVICES) – FIRST READING

   Administrative Procedure 4040 is presented for informational purpose only.
Board Policy 4040 Library Services

It is the policy of El Camino College to maintain library services that are an integral part of the educational program and will comply with the requirements of the Reader Privacy Act. The District will provide the means to assure the planned and systematic acquisition and maintenance of library materials and information resources, resulting in a well-balanced collection having the depth, scope, and currency necessary to meet the needs of the El Camino College community.

It is the policy of El Camino College to maintain library services that are an integral part of the educational program.

The librarians, working in collaboration with other faculty, shall have primary responsibility for the identification, selection, coordination, and provision of academic resources, instruction in their effective use, and other services that meet the information needs of the El Camino College community. Donated materials will be evaluated using the same criteria as other materials.

Library resources shall be accessible to all currently enrolled students and campus employees users. Students and faculty involved in distance education or off-campus programs shall have electronic access to sufficient library resources to ensure successful completion of their academic coursework. The libraries shall be open during all terms in which classes are offered. Libraries shall operate under the supervision of library faculty during all open hours.

The District supports the American Library Association’s Bill of Rights that affirms both library users’ right to read what they choose and the library’s responsibility to provide books and other resources presenting a variety of points of view.

Procedures for implementing the policy will be developed in collegial consultation with the Academic Senate, as defined in CCR § 53200 and the President/Superintendent/President.

Civil Code Section 1798.90
Title V, Section 53200

Replaces Board Policy 6142
El Camino College
Adopted: 12/22/58
Amended: 5/10/65, 5/19/08
ADMINISTRATIVE PROCEDURE 4040  Library Services

Under the direction of the Director of Learning Resources, the Library and Learning Resources will offer a full range of library materials and information resources.

It is the aim of the library to provide a balanced collection of significant materials and information resources that will enrich and support the curriculum, aid the individual in the pursuit of information, provide a broad view of cultural heritage, promote aesthetic appreciation, present varied points of view concerning contemporary problems and issues, furnish intellectual stimulation, and invite the creative use of leisure time.

The selection and evaluation of library materials and information resources will be based on curricular demands, the recommendations of current professional review sources, plus the suggestions and requests of members of the campus community.

All faculty, staff, and currently enrolled students may borrow materials upon presentation of an El Camino College identification card. Area residents may borrow materials upon application for and purchase of a borrower’s card through the Friends of the Library.

The following guidelines will be used in implementing the Library Policy.

1) Prioritization
   A. To provide materials and information resources that meet direct curricular needs in the courses of study.
   B. To include standard reference works in the major fields of knowledge.
   C. To provide materials of current interest and concern.
   D. To provide a well-rounded reading experience.

Library materials and information resources will be purchased that are appropriate to the diversity of backgrounds and skills in the student body and works written by authors from a wide variety of backgrounds and perspectives.

2) Selection Criteria. When selecting materials, the library considers the following:
   A. Meeting the diverse needs of the campus community
   B. Currency
   C. Relevance
   D. Overall balance of the collection and format of the material

Faculty members are encouraged to recommend titles in their areas of expertise; however librarians have the final responsibility for maintaining a well-balanced materials collection. Limitations will be applied as needed.
3. Donations
The same criteria will be utilized when adding donations to the collection as when selecting new titles. If the donor places special conditions on the donation, e.g., that the materials must be added to the collection, the donation will not be accepted. All donations will be acknowledged by the College Foundation.

4. Special Collections
Special browsing collections of books, placed in a separate location in the library, will be established only when there is a real and observable benefit to the students. Under no circumstances will a new special collection be established when the books under consideration are already placed together by subject on the shelves under the Library of Congress classification system.

5. Government Publications
The library is not a designated government depository library; therefore, government documents will be cataloged and added to the book collection.

6. Discarding
When withdrawing materials, the following factors will be considered: the physical condition, number of duplicate copies, contemporary relevance and previous usage.

7. Factors that will be considered when withdrawing materials are the physical condition, the number of duplicate copies, contemporary relevance, and previous usage.

8. Replacements
Missing lost or damaged materials that are paid for will not necessarily be replaced.

9. Controversial Materials
Library materials are selected within the framework of the American Library Association’s “Freedom to Read Statement” and “The Library Bill of Rights” documents, which affirm both library users’ right to read what they choose and the library’s responsibility to “provide books and materials presenting all points of view concerning the problems and issues of our times.”

If library materials are questioned, the concern must be addressed in writing to the Director of Learning Resources, signed by the person raising the question, and must indicate specific objections. The Director, and the college librarians and related discipline faculty will review the matter. The Director will respond in writing and forward copies of the letters to the Vice President of Academic Affairs. The decision will abide by the Academic Freedom BP/AP 4030. The questioner may accept the
review, or present an appeal to the College President and if not satisfied, to the Board of Trustees.

10. A Library Advisory Committee will be convened at least twice annually to discuss library issues and provide input in the development of policies and procedures.

11. Library policies and procedures are available on the library website.

A. DESTRUCTION OF RECORDS

It is recommended that the Board of Trustees approve destruction of the following Placement Testing Records and Accompanying Materials for January 1, 2009 through December 31, 2009. The materials have been maintained for the required retention period. Reference Code: Title 5 California Code of Regulations. California Community Colleges, Article, Sections 59023-59026.

B. INTERNATIONAL TRAVELS

It is recommended that the Board of Trustees approve international travels for Leonid Rachman to participate in the following recruitments fairs:

1. ELS/SI Spring 2015 Tour, Saint Petersburg and Moscow, Russia, January 21-27, 2015. The purpose of the trip is the recruitment of F-1 Visa students and the expansion of recruitment efforts to new international sectors. Russia and eventually other former USSR countries are targeted recruitment areas. Registration fees are waived for this trip. Expenses to cover air travel, lodging, and other expenses in the amount of $3,250 will be paid from International Recruitment Conference funds.

2. American Educational Opportunities (AEO) Spring 2015 Tour, March 4-19, 2015, will include travels to Singapore, Jakarta, Kuala Lumpur, Bangkok, Ho Chi Min City, and Manila. The purpose of the trip is to recruit F-1 Visa students. Expenses in the amount of $16,000 will be paid from International Recruitment Conference funds.

C. BOARD POLICY 1200 – THE EL CAMINO COLLEGE MISSION, VISION, VALUES, AND STRATEGIC INITIATIVES – First Reading

It is recommended that the Board of Trustees receive for first reading Board Policy 1200 – The El Camino College Mission, Vision, Values, and Strategic Initiatives as shown on pages SCA 2, 4-8.

D. BOARD POLICY 3250 – INSTITUTIONAL PLANNING – Second Reading and Adoption

It is recommended that the Board of Trustees receive for Second Reading and Adoption Board Policy 3250 – Institutional Planning as shown on page SCA 2, 9.
E. INFORMATION ITEM – ADMINISTRATIVE PROCEDURES 3250 – INSTITUTIONAL PLANNING
It is recommended that the Board of Trustees receive for information Administrative Procedure 3250 – Institutional Planning as shown on pages SCA 3, 9-26.

F. STUDENT EXPULSION
It is recommended that the Board of Trustees approve Student Expulsion #2 for the 2014/2015 School year in accordance with El Camino College Board Policy 5500 – Academic Honesty & Standards of Conduct, Section I(b); Administrative Procedure 5520, Student Discipline and Due Process.
Board Policy 1200          District Mission and Strategic Plan 2015-2020

The El Camino College Mission,
Vision, Philosophy, Values and
Strategic Initiatives—Guiding Principles

Mission Statement
El Camino College offers quality, comprehensive educational programs and services to ensure the educational success of students from our diverse community.

El Camino College makes a positive difference in people’s lives. We provide excellent comprehensive educational programs and services that promote student learning and success in collaboration with our diverse communities.

Vision Statement
El Camino College will be the College of choice for successful student learning, caring student services and open access. We, the employees, will work together to create an environment that emphasizes people, respect, integrity, diversity and excellence. Our College will be a leader in demonstrating accountability to our community.

El Camino College will be the college of choice for successful student learning that transforms lives, strengthens community, and inspires individuals to excel.

Statement of Philosophy
Everything El Camino College is or does must be centered on its community. The community saw the need and valued the reason for the creation of El Camino College. It is to our community that we must be responsible and responsive in all matters educational, fiscal and social.

Statement of Values
Our highest value is placed on our students and their educational goals; interwoven in that value is our recognition that the faculty and staff of El Camino College are the College’s stability, its source of strength and its driving force. With this in mind, our five core values are:

People – We strive to balance the needs of our students, employees and community.
Respect – We work in a spirit of cooperation and collaboration.
Integrity – We act ethically and honestly toward our students, colleagues and community.
Diversity – We recognize and appreciate our similarities and differences.
Excellence – We aspire to deliver quality and excellence in all we do.
Guiding Principles
The following guiding principles are used to direct the efforts of the District:
El Camino College must strive for distinction in everything the College does in the classroom, in services and in human relations. Respect for our students, fellow employees, community and ourselves, must be our underlying goal.

Cooperation among our many partners including other schools and colleges, businesses and industries, and individuals is vital for our success.

Access and success must never be compromised. Our classrooms are open to everyone who meets our admission eligibility and our community programs are open to all. This policy is enforced without discrimination and without regard to gender, ethnicity, personal beliefs, abilities or background.

Institutional Effectiveness Outcomes
Institutional effectiveness involves College efforts toward continuous improvement in institutional quality, student success, and fulfillment of the Mission. The College’s integrated assessment, evaluation, and planning processes are put into practice with the ultimate outcome of greater institutional effectiveness—more students from our diverse communities will attain educational success and achieve their academic goals.

The following outcomes will be used to measure progress on student achievement and improvements in institutional effectiveness at El Camino College¹.

1. Student Readiness Rate
2. Successful Course Completion Rate
3. Remedial English Completion Rate
4. Remedial Math Completion Rate
5. Three-Term Persistence Rate
6. 30-Units Achievement Rate
7. Completion Rate
8. Transfer Rate
9. Degrees and Certificates awarded
10. Number of Transfers

Improvement goals to be achieved by the end of the Strategic Plan (Academic Year 2019-2020) are developed through College-wide consultation, with annual progress compared with a baseline year. Institutional effectiveness outcomes will be monitored annually for progress on each goal. In addition, an overriding priority is to reduce existing differences in achievement by demographic characteristics across all measures.

¹ Definitions and established goals for these outcomes are detailed in Institutional Effectiveness Outcomes, published on the Institutional Research & Planning webpage.

Board of Trustees Agenda – November 17, 2014
Strategic Initiatives
In order to fulfill the mission and make progress toward the vision, El Camino College will focus on the following strategic initiatives. Strategic Initiatives represent the areas of focused improvement. Objectives are College-wide plans to make progress on each initiative. Measures assess that progress during the period of the Strategic Plan (2015-16 to 2019-2020).

A - STUDENT LEARNING
A. Enhance teaching to Support student learning using a variety of effective instructional methods, educational technologies, and college resources and services.

Objectives:
1. Develop a comprehensive professional development plan that ties in with campus plans and initiatives to promote student success.
2. Incorporate instructional approaches that are positively associated with student success and persistence.
3. Provide specific and relevant technology training to support integration of technology with instruction.
4. Provide equipment needed to support faculty use of technology.
5. Institute outcomes-based conference attendance with a required sharing component for broader College benefit, where applicable.

B - STUDENT SUCCESS & SUPPORT
B. Strengthen quality educational and support services to promote and empower student learning, success, and self-advocacy.

Objectives:
1. Implement programs and services as detailed in the Student Success & Support Program Plan (SSSP), focused on pre-enrollment (access in), post-enrollment (access through), and graduation or transfer (access out).
2. Implement the plans indicated by the Student Equity Plan (SEP), focused on improving successful outcomes for all students.
3. Implement the College Master Plan, focused on carrying out the Strategic Plan through educational and resource planning.
C - COLLABORATION
C. Foster a positive learning environment and sense of community and cooperation through Advance an effective process of collaboration and collegial consultation conducted with integrity and respect to inform and strengthen decision-making.

Objectives:
1. Develop, promote, and implement an employee recognition plan.
2. Conduct annual review of the Making Decisions at El Camino College document which includes member orientation, purpose review, planning, goal-setting, and self-evaluation for all consultation committees.
3. Strengthen collaboration among programs, across disciplines and college areas.
4. Improve publication of the broad input on college processes.
5. Add this initiative to the purpose statement of each collegial consultation committee.

D - COMMUNITY RESPONSIVENESS
D. Develop and enhance partnerships with schools, colleges, universities, businesses, and community-based organizations to respond to the educational, workforce training, and economic development needs of the community.

Objectives:
1. Develop strategic partnerships that include program advisory committees that address the current and future workforce development needs of the local communities and the region.
2. Develop corporate partnerships that enhance STEM training to prepare our students for STEM programs and careers.
3. Develop inter-segmental programs linking feeder high school districts with El Camino College and regional universities to create strong and clear pathways for students.

E - INSTITUTIONAL EFFECTIVENESS
E. Improve processes, programs, and services through the effective and efficient use of assessment, program review, planning and resource allocation.

Objectives:
1. Develop an integrated program review and planning tool.
2. Establish benchmarks and aspirational goals for student achievement.
3. On a regular basis, gather current information on our community to ensure that we are responsive to community needs.
4. Strengthen collaboration between programs serving students.
5. Facilitate a strong fiscal position to allow reasoned responses to fiscal threats.
6. Add this initiative to the purpose statement of each committee involved with institutional effectiveness processes.

F - MODERNIZATION
F. Support facility and technology improvements to meet the needs of students, employees, and the community.
Modernize infrastructure and technological resources to facilitate a positive learning and working environment.

Objectives:
1. Implement the Technology Plan to meet the developing information technology needs of the campus.
2. Continue implementation of the Facilities Master Plan to modernize campus facilities and infrastructure, revising as needed.
3. Implement safety cameras and other technological aspects of campus safety plan.

G. Promote processes and policies that move the College toward sustainable, environmentally sensitive practices.

El Camino College
Adopted: 1/16/01
Amended: 1/22/02, 6/18/07, 6/21/10
The Superintendent/President shall ensure that the District has and implements a broad-based, comprehensive, systematic, and integrated system of planning that involves appropriate segments of the college community and is supported by institutional effectiveness research. The planning and budgeting systems shall be linked, and planning priorities shall be established annually.

The planning system shall include regularly updated plans required by law, or the Chancellor’s Office, including, but not limited to:

1. A Strategic Plan containing the College mission, vision, values, and strategic initiatives (Board Policy 1200).
2. An integrated and strategic Master Plan which includes long range plans for all academic and service areas; technology; facilities; fiscal resources; staffing and diversity; and associated implementation plans;
3. Student Equity Plan;
4. Student Success & Support Program Plan;
5. Basic Skills Action Plan;
6. Transfer Center Plan;
7. Extended Opportunities Programs and Services (EOPS) Plan.

The Superintendent/President shall submit to the Board those plans for which Title 5 requires Board approval, and inform the Board about the status of major plans and reports. The Board shall have an opportunity to assist in developing the general institutional mission and goals.

See Administrative Procedure 3250.

El Camino College
Adopted: 4/16/01
Amended:
I. INTRODUCTION

The District implements a broad-based comprehensive and integrated planning system that is a foundation for strategic directions and resource allocation decisions. The Superintendent/President is responsible for implementation and evaluation of this process.

The El Camino College planning process integrates assessment, evaluation, and planning to promote institutional effectiveness. Institutional effectiveness involves the College’s efforts toward continuous improvement in institutional quality, student success, and fulfillment of the College Mission. The College’s planning processes are put into practice so that more students from our diverse community attain educational success and achieve their academic goals.

The College mission underlies all planning and budgeting decisions, with strategic initiatives providing primary direction for achieving the mission. The College regularly develops a master plan that is based on the mission and strategic initiatives and is guided by college-wide processes. These processes consist of Curriculum Review, Program Review, outcomes assessment, and annual planning throughout the institution, all of which drive and are responsive to each other. All processes are evaluated continuously, with evaluation results discussed and used to improve the college.

Processes and entities described herein reference El Camino College, with parallel processes and entities existing at El Camino College Compton Center.

II. ROLES & RESPONSIBILITIES

The College’s planning process is guided by several agents to ensure that it is strategic, fiscally sound, integrated, collegial, effective, and on-going.

A. The Board of Trustees

The Board of Trustees is ultimately responsible for ensuring effective institutional planning for the College. They do this by reviewing the Institutional Planning Board Policy 3250 and related College-wide plans on an annual basis.

B. Superintendent/President

The Superintendent/President ensures that the District develops and implements a comprehensive, systematic, and integrated system of planning that involves
appropriate segments of the College community and is supported by institutional and other research. The Superintendent/President ensures the evaluation of this process. When appropriate, the Superintendent/President considers and enacts recommendations from planning committees, and makes recommendations to the Board.

C. Vice President, Student and Community Advancement

The Vice President of Student and Community Advancement (VP-SCA) oversees the development and implementation of the Strategic Plan, master plan, and annual planning and budgeting processes. The VP-SCA is responsible for ensuring the meaningful integration and implementation of all plans and processes, and the regular evaluation of those processes. With the Vice President of Academic Affairs, the VP-SCA oversees the Student Success and Support Program (SSSP) Plan and Student Equity Plan, among other student services plans and program reviews.

Reporting to the VP-SCA, the Director of Research and Planning coordinates College-wide strategic planning processes and supports the creation of annual unit and program plans. The Director coordinates activities related to the College-wide evaluation and accomplishment of institutional goals stated in the Strategic Plan, Master Plan, and annual plans.

D. Vice President, Academic Affairs

The Vice President of Academic Affairs (VP-AA) guides the College’s Educational Plan and continuous instructional improvement. The VP-AA ensures Curriculum Review, Academic Program Review, learning outcomes assessment, enrollment management, and long-range educational planning are meaningfully integrated and implemented, and that they support the mission and strategic initiatives. With the VP-SCA, the VP-AA oversees the Student Success and Support Program (SSSP) Plan and Student Equity Plan.

E. Vice President, Administrative Services

The Vice President of Administrative Services (VP-AS) prepares Tentative and Final Budgets in accordance with budget assumptions and College priorities, and in consultation with the Superintendent/President and the Planning and Budgeting Committee. The budget is developed and adopted in accordance with the planning and budgeting calendar and other timelines. The VP-AS oversees the Facilities Master Plan, Technology Plan, and Administrative Services Program Reviews.
F. Vice President, Human Resources

The Vice President of Human Resources (VP-HR) guides human resources planning through staffing and professional development plans, and equal employment opportunity (EEO) planning. This includes ensuring staffing plans are meaningfully integrated with other plans and processes, support the mission, and advance the strategic initiatives. Professional development related to short-term and long-term planning processes are conducted under the auspices of Human Resources.

G. Vice President, Compton Center

The Vice President of Compton Center (VP-CC) guides the College’s Educational Plan and the continuous improvement of instruction and student services at El Camino College Compton Center (ECC Compton Center). These responsibilities include ensuring that Program Review, learning outcomes assessment, enrollment management, and long-range educational planning are meaningfully integrated and implemented, support the mission, and advance the strategic initiatives. The VP-CC oversees the Student Success and Support Program (SSSP) Plan and Student Equity Plan, among other plans local to ECC Compton Center.

H. Planning & Budgeting Committee

The Planning and Budgeting Committee (PBC) serves as the consultation committee for campus-wide planning and budgeting. The PBC assures that planning and budgeting are interlinked and that the process is driven by the institutional priorities set forth in the Strategic Plan, Educational Master Plan, and other plans adopted by the College. The PBC develops and follows an annual planning and budgeting calendar, and makes recommendations to the Superintendent/President on all planning and budgeting issues. All committee activities are reported to the College community. PBC membership consists of one representative each from the Associated Students Organization (ASO), Academic Senate, El Camino College Federation of Teachers, El Camino Classified Employees, Police Officers Association, Confidential employees and Management, as well as representatives from Academic Affairs, Administrative Services, and Student and Community Advancement. Ex officio supporting members of the PBC include Area Vice Presidents, Business Manager, Information Technology Services (ITS) management, and the Director, Research and Planning. The committee is led by a non-voting chair appointed by the Superintendent/President.
I. Strategic Planning Committee

The Strategic Planning Committee (SPC) forms every five years to develop a new Strategic Plan, College Master Plan, and associated Implementation Plans, and recommends a course of action to the Superintendent/President. The SPC reconvenes annually to evaluate the status of implementation plans. SPC membership consists of Area Vice Presidents, and representatives from faculty, classified staff, management, students, El Camino College Foundation, and Division leadership. Ex officio membership includes representatives from each aspect of the long-term planning process described below. The SPC, is co-chaired by the Vice President, Student and Community Advancement, and Director, Research and Planning.

J. College-wide Accreditation Team

The College-wide Accreditation Team (CAT) provides continual evaluation to the College on areas related to accreditation, including institutional effectiveness (see Administrative Procedure 3200). The CAT is chaired by the current Accreditation Liaison Officer and is composed of past accreditation co-chairs and standard team leaders, and a representative from Institutional Research & Planning. Duties include monitoring progress on strategic initiatives and student achievement measures; developing a plan or cycle for accreditation tasks that includes the integration of actionable improvement plans into institutional planning; and ensuring that College processes reflect current accreditation standards.

III. PLANNING MODEL

College-wide planning processes are described visually in its Planning Model. The Planning Model consists of five general categories of planning: a) foundations; b) long-term planning; c) targeted planning; d) institutional effectiveness processes; and e) annual planning. These processes are integrated and guide resource allocation to produce the ultimate outcomes of institutional effectiveness and greater student success. Each planning process includes an implementation plan to effectively carry out the strategies of each. The Planning Model is evaluated and modified before the commencement of each five-year strategic planning cycle, or as needed.

A. Foundation of Institutional Planning: The Strategic Plan

The College’s foundation for institutional planning is the Strategic Plan. It contains the College’s mission, vision, values, and strategic initiatives that establish goals and objectives for greater institutional effectiveness. It
represents a plan of action to increase student success and learning, respond to
community needs, and improve overall institutional effectiveness.

The mission is reviewed regularly and revised as needed to ensure that it
reflects community and workforce needs; supports student learning and success;
and is in accord with the California Master Plan for Education. The Vision is
an aspirational statement of what the College desires to achieve within the
period of the Strategic Plan. Values describe the character of the institution’s
workforce and its approach to improving the institution.

The strategic initiatives are college-wide goals developed to help implement the
mission and focus efforts toward student success and institutional effectiveness.
Strategic initiatives drive planning and resource allocation, as planning goals
are prioritized by their associated strategic initiatives. Each strategic initiative
is linked to a specific set of objectives. Progress on each initiative is measured
annually by way of these objectives.

The plan is revised every five years by the Strategic Planning Committee based
on external trends, institutional research, strategic analysis, and other needs
assessments. It is reviewed through a College-wide consultation process and
recommended to the Superintendent/President. The final Strategic Plan is
approved by the Board of Trustees as Board Policy 1200. The Master Plan
serves as its implementation plan.

B. Long-term Planning – The College Master Plan

The College Master Plan (CMP) is a detailed plan developed to implement the
College’s Strategic Plan, prepare for enrollment changes, and address emerging
needs. It is founded on the mission, directed by the strategic initiatives, and
informed by both internal and external reviews and assessments. The CMP is
composed of integrated Facilities, Staffing, and Technology plans that support a
strategic Educational Plan. Separate annual Fiscal Plans are informed by both
external trends and priorities of the CMP. The CMP contains a five-year
Implementation Plan as well as a 20-year projection of student and community
needs. The implementation plan contains a series of recommendations and
priorities informed by other planning processes and a timeline for achieving
these recommendations. The long-term projection is submitted to the California
Community Colleges Chancellor’s Office (Chancellor’s Office) to demonstrate
building and infrastructure needs. Submission of these plans to the Chancellor’s
Office is required prior to embarking on any building project for the college. The
facilities plan and long-term projection is also used as back up documentation
when seeking to be included in statewide bond initiatives.
A new CMP is developed every five years, beginning with a comprehensive external scan of trends affecting the college’s future. These include, but are not limited to, trends and projections of community demographics, job markets, K-12 enrollments, state and local economies, and public policy. Internal evidence of student demographics, academic achievement, and learning outcomes also serves as a foundation for development of the master plan. Finally, feedback from the community and current students is gathered regularly to ensure that the college mission and long-term plans consider these needs. The office of Institutional Research & Planning coordinates the gathering of this evidence.

The ad hoc Strategic Planning Committee (SPC) forms to review evidence and develop the CMP. The Strategic Planning Committee is composed of faculty, staff, and managers involved with college planning, Program Review, curriculum, and assessment of learning. After development of a new Strategic Plan and review external and internal evidence, the SPC develops a framework for a new educational plan. Evidence from Program Review, curriculum, student achievement measures, learning outcomes, and previous master plan updates also contribute to developing the Educational Plan.

Program- and Unit-level information is utilized for master planning in two ways. First, program data are used to forecast department technology and facilities needs throughout the College. Second, findings and recommendations from periodic program and unit evaluations, through the Program Review process, contribute to long-term planning, where applicable.

The CMP and all sub-plans contain Implementation Plans to carry out goals during the timespan of each. Implementation Plans are reviewed and updated by the appropriate Unit or planning committee on an annual basis. The college’s Planning and Budgeting Committee (PBC) reviews the College Master Plan annually, measures its progress by way of planned outcomes and targets, and recommends changes, as needed. The Board of Trustees reviews and approves the College Master Plan and reviews its Implementation Plan annually.

1. Educational Plan
The Educational Plan focuses on a vision for the College and its programs and services for the future. It contains enrollment trends and growth projections; forecasted space needs to inform the Facilities Master Plan; College and program profiles; and a set of clear priorities and intended actions to guide college planning over a five-year period. These priorities and actions are in accord with the Strategic Plan and Targeted Plans, such as the Student Success and Support Programs Plan (SSSP) and Student Equity Plan (SEP). The Educational Plan informs the development or revision of the Facilities, Staffing, and Technology Plans.
The SPC develops the Educational Plan under the guidance of the VP-AA. Implementation of the plan is overseen by the VP-AA and monitored annually by the Academic Senate, College Council, Council of Deans and Directors, PBC, and the President’s Cabinet.

2. Staffing Plan
The Staffing Plan details current and forecasted staffing levels, hiring and evaluation practices, retirement and secession planning, and training needs. It contains a set of goals for workforce and professional development that reflect the Strategic Plan and support the priorities of the Educational Plan. The Staffing Plan informs technology and training needs for the Technology Plan and office space needs for the Facilities Master Plan.

Human Resources develop the Staffing Plan under the guidance of the VP-HR. Implementation of the plan is overseen by the VP-HR and monitored annually by the PBC and the President’s Cabinet.

3. Technology Plan
The Technology Plan details a strategic roadmap for institutional improvement across seven major areas: data systems and networking; equipment and software; technology training; staffing; distance education; facilities; and funding. The plan is derived from program information, campus-wide needs, external trends, and the priorities of the educational plan.

The ECC Technology Committee develops the Technology Plan under the guidance of the VP-AS. Development is based on internal and external needs assessments, and on contributions from the Academic Technology Committee of the Academic Senate, Distance Education Advisory Committee, and the office of Professional Development.

Implementation of the Technology Plan is overseen by the VP-AS and Director of Information Technology Services. Progress on the plan is monitored continuously by the ECC Technology Committee and reviewed annually by the PBC and President’s Cabinet.

4. Facilities Master Plan
The Facilities Master Plan is a guide for future campus development. It contains enrollment forecasts, building inventories, projected space needs, and a set of planning priorities from which a capital construction plan (implementation plan) is developed.

The Facilities Master Plan is developed through enrollment forecast analysis and needs assessments that are grounded in the Educational Plan, with input from the
Facilities Steering Committee, PBC, and other relevant participation. The plan is informed by the Technology and Staffing Plans.

The Facilities Master Plan is overseen by the VP-AS and the Director of Facilities Planning Services. It is reviewed regularly by Facilities Planning Services and the President’s Cabinet and is modified to reflect external changes and newly-developed educational priorities, as applicable. The Facilities Steering Committee monitors the plan on a regular basis. Progress on the plan is reported regularly to the District and College communities, with an annual report made to the Board of Trustees.

C. Targeted Planning

The College develops long-term plans with annual updates for specific initiatives or targeted groups of students. These include the Student Success and Support Program Plan, Student Equity Plan, Transfer Center Plan, and the Extended Opportunity Programs and Services (EOPS) Plan. These targeted plans are integrated with other planning processes.

1. Student Success and Support Program Plan

The Student Success and Support Program (SSSP) Plan details how services will be provided to targeted students to increase student access, academic direction and success, and goal completion. Progress in these areas is targeted by way of support services that include, but are not limited to, orientation, assessment and course placement, and educational planning. The SSSP Plan details policies, procedures, professional development, activities, and services planned in support of student success, along with associated budgets. It is linked to Program Review, and is coordinated with the Student Equity Plan and other planning processes.

The campus-wide Student Success Advisory Committee, which contains faculty, management, and classified representatives from Academic Affairs, Student & Community Advancement, and Public Relations, develops a draft plan which is reviewed through a college-wide consultation process, after which a final draft is recommended to the Superintendent/President. The Board of Trustees receives the College’s SSSP Plan. The SSSP Plan is submitted annually to the Chancellor’s Office Student Services and Special Programs Division. The College also submits the SSSP Year-End Expenditure Report in support of annual evaluation of the SSSP Plan.

2. Student Equity Plan

The Student Equity Plan describes an evaluation, planning, and resource allocation process aimed at strategically addressing marked group differences in student achievement in order to improve academic success and goal achievement for all
students. The equity plan is grounded on a series of metrics, disaggregated by demographic group, which are related to: access to college, course completion, degree and certificate completion, and transfer. The equity plan establishes goals and objectives; details activities and improvements that support each metric; and contains a plan budget, implementation schedule, and evaluation process. It is linked to Program Review and annual planning processes, and is coordinated with the Student Success and Support Program Plan to ensure that the latter addresses equity issues.

The Student Equity Plan Advisory Committee (SEPAC) contains representatives from faculty, classified staff, management, and students. The SEPAC develops a draft Student Equity Plan which is reviewed through a college-wide consultation process. The final draft is recommended to the Superintendent/President. The Board of Trustees adopts the College’s Student Equity Plan. The SEPAC implements and monitors the adopted plan on a three-year cycle. Annual year-end status reports are delivered to the Chancellor’s Office.

3. Basic Skills Initiative Action Plan
The Basic Skills Initiative (BSI) annual ESL/Basic Skills Allocation End-of-Year Report and Action Plan (BSI Action Plan) describes concrete plans to foster improvements in basic skills and ESL student access and success in the area of: 1) organizational practices, 2) planned program actions, 3) professional development plans, and 4) modifications to instructional practices. The BSI Action Plan evaluates activities from the previous year and identifies activities for the upcoming year to foster improvements in outcomes for basic skills and ESL students. All activities funded by the BSI must be related to attainment of the long term goals developed by the Basic Skills Advisory Group (BSAG), made up of faculty from Counseling, Humanities, and Mathematics Divisions, and representatives from Academic Senate, First Year Experience, Learning Resources Unit, MESA, and Special Resource Center. These 5 goals include increasing success rates, persistence rates, and completion rates for students enrolled in ESL, basic skills mathematics, reading and writing courses; offering comprehensive professional development for basic skills instructors; and increasing incidents and depth of collaboration among academic departments and between academic programs and student services to support basic skills students.

The annual BSI Action Plan is reviewed and signed off by the Academic Senate President; the Vice President of Academic Affairs; and the Vice President of Student and Community Advancement. It is then recommended to the Superintendent/President for final approval. The final report and plan is submitted to the Chancellor’s Office each October and posted on the College website. Activities and research funded by the BSI are incorporated into Program Review, the SSSP Plan, and the Student Equity Plan.
4. Transfer Center Plan
The Transfer Center Plan describes transfer-supporting activities and services provided to students, and facilities, staffing, and evaluation of the Transfer Center. The plan details targeted student populations, goals, and transfer applicant targets, with emphasis on improving transfer outcomes for underrepresented students. It is linked to Program Review, and is coordinated with the SSSP Plan, the Student Equity Plan, and other student services.

A draft Transfer Center Plan is developed by the Transfer Center Coordinator based on input from the Transfer Center Advisory Board which consists of the Transfer Center Coordinator, the Articulation Officer, Transfer-focused or Transfer Center faculty and staff, and a Compton Center Transfer Counselor. The annual plan draft is recommended to the Superintendent/President. The Board of Trustees adopts the Transfer Center Plan. A Transfer Center Report is submitted annually to the Chancellor’s Office Student Services and Special Programs Division that describes efforts to implement the Transfer Center, achievement of plan goals and targets, and expenditures supporting transfer activities and operations. The Transfer Center Coordinator oversees the implementation of the plan and provides updates to the Dean of Counseling on a regular basis, including discussions and decisions made by the committee.

5. Extended Opportunity Programs and Services (EOPS) Plan
The EOPS Plan describes short-term and long-term goals of EOPS in support of College goals, planned annual objectives and supporting activities, annual budget, and evaluation of prior year outcomes related to program standards. It is linked to Program Review, and is coordinated with the SSSP Plan, Student Equity Plan, and College-wide planning processes.

The EOPS Director drafts an annual plan with input from the EOPS staff. The Plan is presented to the EOPS Advisory Committee for further recommendations, and signed off by the College’s Business Manager and the Superintendent/President prior to being submitted for review to the Chancellor’s Office. Final approval is given by the Chancellor’s Office.

D. Institutional Effectiveness Processes

The College conducts evaluation and planning processes for continuous improvement of the institution. These include Curriculum Review, Program Review, Outcomes Assessment, and ongoing evaluation. These processes are data-driven, linked together, and integrated with all applicable long-term and annual planning processes.
1. Curriculum Review
All courses, degrees, certificates, and majors are reviewed by faculty within a six-year cycle with vocational courses being reviewed on a two-year cycle. Curriculum Review is conducted as both a continuous program evaluation process and a more comprehensive Program Review process. Curriculum is a sub-section of the Academic Program Review template and thus is linked to broader planning and resource allocation processes.

The College Curriculum Committee, a standing committee of the Academic Senate, is responsible for the development and review of the College’s curriculum and for ensuring that all curricula meet local and state standards. Review of curriculum proposals is based on state regulations, local requirements, and the mission and strategic initiatives of the College.

2. Program Review
Program Review is a process in which members of a department, service area, or unit critically assess their program, identify necessary adjustments, and design a mechanism to institute and evaluate proposed changes. Comprehensive Program Reviews are conducted every four years, with supplemental topics evaluated for Career Technical Education (CTE) programs every two years. All programs create an annual Program Review update as a part of ongoing evaluation, in which progress is tracked and emerging or changing needs are highlighted. All programs develop, implement, and track an annual plan according to the Planning and Budgeting Calendar which is informed by the latest Program Review or annual update.

In Program Review, recommendations that incur a cost are prioritized and connected to one or more of the College’s strategic initiatives. Program Review recommendations are entered into the Program Plan. Deans and Division Councils consider the recommendations from each program and create a prioritized list for their division. This is included in a Unit Plan. Each Vice President reviews the priorities in each of their Area’s Unit Plans and determines the top priorities in the area and creates an Area Plan. The Vice Presidents prioritize all requests in the area plans to determine the College’s top priorities for funding. These proposed fund allocations are then presented to the Planning and Budgeting Committee, which reviews them to ensure they align with the college mission and strategic initiatives. The final list of proposed fund allocations is incorporated into the college budget and forwarded to the President and the Board for their approval. Program Review recommendations also may trigger Curriculum Review and may be incorporated into other College plans, as appropriate.
Program Review reports follow a standard template specific to each Area (Academic Affairs, Administrative Services, Human Resources, or Student and Community Advancement) that generally includes: program overview; analysis of research and survey data; curriculum or service planning; assessment of learning, service, academic, and/or employment outcomes (where applicable); evaluation of program improvement; facilities, equipment, technology, and staffing needs; and future directions. The report culminates with a list of prioritized recommendations for the future with estimated budget impacts.

Individual Program Review submissions are evaluated by the Area Program Review committee following established rubrics that typically include completeness, clarity, and use of evidence for continuous improvement. This evaluation is followed by revision and final submission, with recommendations integrated into annual planning cycles over the next four years.

3. Outcomes Assessment
The College evaluates services, student learning, and student achievement through comprehensive and ongoing outcomes assessment. These outcomes include Student Learning Outcomes (SLOs), Program Learning Outcomes (PLOs), Institutional Learning Outcomes (ILOs), Service Area Outcomes (SAOs), and performance metrics.

The Assessment of Learning Committee (ALC) coordinates assessment planning, develops sustainable methodologies and procedures, provides ongoing training, assesses Institutional Learning Outcomes, and communicates with the College on learning assessment. The ALC is chaired by the College faculty SLO Coordinators, with representation from each division, Institutional Research, accreditation, Associate Dean of Academic Affairs, and a Dean liaison.

The College also measures student success, milestone achievement, and educational and career goal completion as a standard part of institutional assessment, with results discussed and strategized annually. This set of student achievement measures are tracked over time and compared against institution-set standards and aspirational goals. Issues of student achievement revealed by these measures are addressed through the strategic and educational plans, targeted plans, and annual plans. Strategy sessions to address issues are conducted by the Strategic Planning Committee and at the annual Planning Summit.

College-wide and program-specific surveys are administered to students and employees on a regular cycle to gather feedback on student and faculty engagement, campus climate, and student satisfaction. Results from these surveys are discussed widely by consultation and planning bodies, where major issues of concern are recommended for further evaluation and improvement.
4. Ongoing Evaluation
The College conducts ongoing evaluation of how well it is achieving plans, advancing the Strategic Initiatives, and fulfilling the mission. It includes, but is not limited to, the following annual or ongoing processes: Program Review updates; fiscal year planning; Curriculum Review; learning outcomes assessments; evaluation of Implementation Plans; annual reports; and annual evaluation of student achievement measures.

E. Annual Planning & Budgeting

Annual planning is a process of strategically supporting improvements at every level of the institution to make progress on strategic initiatives, respond to changing needs, and ultimately, fulfill the mission and achieve greater student learning and success. This is achieved through a hierarchy of plans and set of processes that integrate with longer-term planning. The annual planning and prioritization process culminates in the development of the Final Budget, the College’s Financial and Operational Plan.

1. Annual Plans
Annual plans contain sets of goals and objectives for all programs and units. Goals in all plans are linked to strategic initiatives to ensure that planning prioritizes the College mission. Objectives are based on Program Review recommendations, College-wide plans, or outcomes assessments, where applicable. Resources are allocated through the mechanism of the annual plan. These annual plans are evaluated twice yearly to assess progress and completion.

There are four levels of plans: Program (or department), Unit, Area, and College-wide. Program plans are developed based on a program or department’s Program Review recommendations, outcomes assessment, or recently-emerging needs. Units with programs (e.g., Divisions) develop plans from prioritized goals and objectives of program plans and unit-level evaluation, where applicable. Units without programs develop annual plans similar to programs. Areas, under each vice president, develop plans from prioritized goals and objectives of unit-level plans or from area-level evaluations, where applicable. College-wide plans consist of targeted plans, annual implementation plans of the CMP and its sub-plans, or those created by campus-wide committees, where applicable.

Requests for funding are divided into permanent, temporary ongoing and one-time augmentation requests. More detail of planning and budgeting activities is shared college-wide in the Planning and Budgeting Calendar. The College’s online program review and planning system records all annual plans and the integration of processes described herein.
2. Plan and Budget Development Process
Fiscal year plans begin development the previous fall semester (September-November) when departments review, update, and input prioritized recommendations into Program Plans. Each Division then reviews and prioritizes Program (or additional unit) goals and objectives to develop a Unit plan (December-January). Vice Presidents meet with Division or Unit managers to review and prioritize Unit plan goals and objectives to create prioritized Area plans (February-March). All Vice Presidents then develop a single list of proposed objectives to be funded in the next fiscal year. Prioritization is based on the following factors considered as a whole: 1) Health and Safety; 2) support for Strategic Initiatives and other college-wide priorities; 3) State and Federal compliance; and 4) accreditation requirements.

Vice Presidents present the proposed list of funded goals and objectives to College and Center PBCs for discussion and funding endorsement (March-April). Each PBC submits a list of endorsed funding requests to the President/Superintendent for consideration (May). Approved and allocated funding requests are incorporated into the College Budget (see Financial and Operational Plan below). The Board of Trustees adopts the Tentative Budget in June and the Final Budget in September.

3. Evaluation of Funded Objectives
Funded goals and objectives are evaluated by plan authors in January and July to measure implementation and initial outcomes. Long-term evaluation of funded objectives is conducted as a part of Program Review or ongoing evaluations (e.g., annual metrics or outcomes assessments). Criteria for bi-annual evaluation include: 1) goal status and objective implementation date; 2) actions taken as a result of implementation; 3) improvements in institutional effectiveness as a result of implementation; and 4) future recommendations.

4. Annual Planning Update
An annual planning update report is generated following the July evaluation process which summarizes implemented plans from the most recent fiscal year, with selected goals and objectives highlighted.

5. Financial and Operational Plan (Annual Budget)
The College’s Final Budget represents a starting point annual budget that is referenced, adjusted, and evaluated throughout the fiscal year. It is, with all available information reviewed and all input weighed, presented as a record of the District’s annual financial and operational plan. The budget is developed according to the Planning and Budgeting Calendar.
The budget reflects the goals identified by the Master Plan. Resources are allocated based on established criteria and budget assumptions described in the Final Budget (“Budget Book”) for each fiscal year. Requests for augmentations (one-time expenses) or enhancements (base budget increases) are based on needs assessments and/or Program Review recommendations and are awarded based on priorities noted in the Final Budget. Funding priorities are reviewed by the PBC annually.

Fiscal Services develops the Annual Budget under the guidance of the VP-AS. A Tentative Budget is reviewed by the PBC in May and by the Board of Trustees in June. The Final Budget is reviewed again by the PBC in August and adopted by Board of Trustees in September.

The annual Final Budget reflects the collegial and consultation efforts of the Superintendent/President, Vice Presidents, PBC, division managers, faculty, and department staff to develop a strategic and meaningful financial plan.

6. Faculty Hiring Process
Each fall, the College conducts a full-time faculty position identification and prioritization process to replace and/or fund new faculty strategically in response to enrollment demand and College priorities described in the Master Plan. The process is contained in the faculty collective bargaining agreement (see “Tenure-Track Faculty Hiring Procedure”). The Superintendent/President is responsible for the implementation of the hiring procedures as jointly agreed upon by the Academic Senate and the Board of Trustees.

The Superintendent/President establishes the number of hires each year based on planning, budgeting and academic considerations, and on the Faculty Obligation Number. Requests for full-time faculty positions are developed by division faculty and deans, taking into consideration enrollment demand; Program Review and/or annual plans; weekly student contact hours (WSCH); and Full-Time Equivalent Faculty (FTEF) data. The Faculty Prioritization Committee reviews the prioritized recommendations from the divisions and votes to create a campus-wide hiring priority ranking that is recommended to the Superintendent/President.

IV. EVALUATION OF THE INSTITUTIONAL PLANNING PROCESS

Evaluation of the institutional planning process is conducted in several ways to ensure that it remains ongoing and integrated, and contributes to institutional improvement.
1. Planning and Budgeting Committee
The PBC conducts a self-evaluation annually to assess its goals and fulfillment of its committee purpose as well as to gather feedback on effectiveness of the annual planning and budgeting process. Results from the self-evaluation are discussed by the PBC to determine where improvements may be made.

2. Planning Summit and Other Large-Group Events
The Planning Summit is an annual College-wide event to inform and seek feedback from a large and broad-based group of employees and students about College directions, strategic initiatives, planning, and institutional effectiveness. The summit convenes each spring.

Following each planning summit, training, and other strategic planning events, participants are invited to complete an evaluation survey. Results of the survey are used to make improvements in the planning process and summit programming for the next cycle. Summit participants help to evaluate implementation plans, progress on student achievement, and the quality and breadth of the collegial participation process.

3. Program Review
The Program Review process is assessed regularly, beginning with an evaluation tool that is distributed to recent Program Review authors to gain feedback on the guiding template, supporting materials, data usefulness, and the process as a whole. This feedback is then discussed by each Program Review committee to determine how the process and materials can be improved for future authors. Program Review evaluation results are also shared with deans and directors to discuss any needed changes.

4. Annual Planning & Budgeting Process
The annual planning process is periodically evaluated by users in terms of orientation and training support, timelines, integration with other processes, and overall effectiveness. The Annual Planning Update, which summarizes each planning year, is compared across years to evaluate the effectiveness of the process.

5. Learning Outcomes Assessments
Methods of outcomes assessment are evaluated on a regular cycle with improvements made to assessment plans as needed. Student Learning Outcomes (SLOs), Service Area Outcomes (SAOs), Program Learning Outcomes (PLOs), and Institutional Learning Outcomes (ILOs) are assessed continuously throughout the College. Results from College-wide outcomes assessments, such as from ILOs, are discussed broadly. The Assessment of Learning Committee (ALC) conducts annual surveys of faculty and division SLO Facilitators to help evaluate the learning outcomes and assessment process. Feedback from both surveys is shared with the ALC and at Academic Deans and Directors meetings.
6. Student Achievement and Institutional Effectiveness
Institutional Research & Planning annually produces an institutional effectiveness report which publishes and analyzes established measures of student achievement. This report is reviewed and discussed among College leadership, Academic Senate, Student Success Advisory Committee, PBC, and at Planning Summits as a way to gauge institutional improvement over time.

See Board Policies 1200, 3250, 4020.

El Camino College
A. Contracts Under $84,100........................................................................................................ AS 2
B. Contracts Over $84,100.......................................................................................................... AS 4
C. Amendments to Contracts .................................................................................................... AS 7
D. Purchase Orders and Blanket Purchase Orders................................................................. AS 8
A. CONTRACTS UNDER $84,100

It is recommended the Board of Trustees, in accordance with Board Policy 6340, ratify the District entering into the following agreements. The Vice President of Administrative Services, or an authorized designee, has executed the necessary documents.

a. Services Provided by District or Its Designee:

1. Contractor: **MERCED COMMUNITY COLLEGE DISTRICT**  
   Services: Contractor will use ECC grant funds to develop and provide an internship Boot Camp and Place a minimum of 90 high school and community college students in internship opportunities in Retail Hospitality and Tourism (RHT) sector businesses in the Central Valley/Mother Load region.  
   Requesting Dept.: Student and Community Advancement – Community Advancement – Workplace Learning Resource Center  
   Date(s): 11/18/14 – 6/30/15  
   Financial Terms: Cost not to exceed $48,075 Funded by RHT Grant of the Economic Workforce Development (EWD) program of the California Chancellor’s Office

2. Contractor: **SARGENT AEROSPACE AND DEFENSE**  
   Services: Contractor will receive 40 hours of Vocational English as a Second Language for Manufacturing (VESL) training.  
   Requesting Dept.: Student and Community Advancement – Community Advancement – Contract and Community Education  
   Date(s): 10/21/14 – 6/30/15  
   Financial Terms: Projected gross income $8,352 Funded by Sargent Aerospace and Defense

b. Services Received by District or Its Designee:

1. Contractor: **HUMAN K OVERSEAS STUDY (SOUTH KOREA); INTERNATIONAL EDUCATION & CULTURE EXCHANGE CENTER (USA)**  
   Services: Contractor will serve as F-1 Visa educational agents to recruit F-1 Visa students for ECC.
Requesting Dept.: Student and Community Advancement – Admissions and Records – Language Academy
Date(s): 11/17/14 (Effective upon Board approval and continuing month-to-month up to but not exceeding 5 years)
Financial Terms: One-time fee of $500 per student for either fall or spring semester; and $300 fee for summer

2. Contractor: ONCOURSE
Services: Contractor will provide a three-day OnCourse workshop for ECC Career Advancement Academy (CAA) faculty and our college partners in the expansion grant.
Requesting Dept.: Student and Community Advancement – Community Advancement – Career Pathways
Date(s): 1/7/15 – 1/9/15
Financial Terms: Cost not to exceed $11,950
Funded by CAA expansion grant

3. Contractor: PROVIDENCE HEALTH SYSTEM-SOUTHERN CALIFORNIA
Services: Contractor will provide ECC students with state required clinical experience.
Requesting Dept.: Academic Affairs – Health Sciences and Athletics
Date(s): 11/1/14 – 10/31/16 with one, additional two-year period.
Financial Terms: No cost to the District

4. Contractor: SILVERADO SENIOR LIVING
Services: Contractor will allow use of its facility to provide El Camino College nursing students with state required clinical experience.
Requesting Dept.: Academic Affairs – Health Sciences and Athletics
Date(s): 11/1/14 – 10/31/18
Financial Terms: No cost to the District

5. Contractor: THE REGENTS OF THE UNIVERSITY OF CALIFORNIA
Services: Contractor will provide ECC students with undergraduate research opportunities with UCLA engineering faculty thereby creating a direct pipeline into the School of Engineering at UCLA.
Requesting Dept.: Student and Community Advancement – Enrollment Services
Date(s): 10/21/14 – 10/20/17
Financial Terms: Cost not to exceed $60,400 per year
Funded by Chevron

6. Contractor: TOTAL CARE MEDICAL CLINIC
Services: Contractor will provide part-time work activity opportunities to CalWORKs students to work as medical assistants.
Requesting Dept.: Student and Community Advancement – Counseling and Student Services – CalWORKS
Date(s): 11/17/14 – 6/30/15
Financial Terms: No cost to the District

7. Contractor: WEST GARDENA COMMUNITY CLINIC
Services: Contractor will provide part-time work activity opportunities to CalWORKs students to work as medical assistants.
Requesting Dept.: Student and Community Advancement – Counseling and Student Services – CalWORKS
Date(s): 11/17/14 – 6/30/15
Financial Terms: No cost to the District

B. CONTRACTS OVER $84,100

It is requested that the Board of Trustees approve the District entering into the following agreements:

a. Services Provided by District or Its Designee:

1. Contractor: CENTINELA VALLEY UNION HIGH SCHOOL DISTRICT
Services: Contractor will receive expanded Engineering Technology/Advanced Manufacturing Pathways including new course offerings, additional trained teachers, and new class setup for engineering technology classes.
Requesting Dept.: Student and Community Advancement – Community Advancement – Career Pathways
Date(s): 9/9/14 – 6/30/15
Financial Terms: Cost not to exceed $135,705
Funded by a sub-agreement from Long Beach Community College (LBCC) for California Career Pathways Trust Grant

2. **Contractor:** COMPTON UNIFIED SCHOOL DISTRICT  
   **Services:** Contractor will receive expanded Engineering Technology/Advanced Manufacturing Pathways including new course offerings, additional trained teachers, and new class setup for engineering technology classes.  
   **Requesting Dept.:** Student and Community Advancement – Community Advancement – Career Pathways  
   **Date(s):** 9/9/14 – 6/30/15  
   **Financial Terms:** Cost not to exceed $209,010  
   Funded by a sub-agreement from LBCC for California Career Pathways Trust Grant

3. **Contractor:** EL SEGUNDO UNIFIED SCHOOL DISTRICT  
   **Services:** Contractor will receive expanded Engineering Technology/Advanced Manufacturing Pathways including new course offerings, additional trained teachers, and new class setup for engineering technology classes.  
   **Requesting Dept.:** Student and Community Advancement – Community Advancement – Career Pathways  
   **Date(s):** 9/9/14 – 6/30/15  
   **Financial Terms:** Cost not to exceed $119,050  
   Funded by a sub-agreement from LBCC for California Career Pathways Trust Grant

4. **Contractor:** LENNOX ACADEMY OF MATH AND SCIENCE  
   **Services:** Contractor will receive expanded Engineering Technology/Advanced Manufacturing Pathways including new course offerings, additional trained teachers, and new class setup for engineering technology classes.  
   **Requesting Dept.:** Student and Community Advancement – Community Advancement – Career Pathways  
   **Date(s):** 9/9/14 – 6/30/15  
   **Financial Terms:** Cost not to exceed $128,605  
   Funded by a sub-agreement from LBCC for California Career Pathways Trust Grant
5. **Contractor:** LONG BEACH COMMUNITY COLLEGE  
**Services:** Contractor will receive coordination of the ECC micro-region of consortium partners consisting of five school districts and the South Bay Workforce Investment Board (WIB), for expansion of the Engineering Technology and Advanced Manufacturing Linked Learning pathways including workforce education for all participating partners, expansion of course offerings in the pathway, teacher training, regional activities, data collection and reporting.  
**Requesting Dept.:** Student and Community Advancement – Community Advancement – Career Pathways  
**Date(s):** 9/9/14 – 6/30/19  
**Financial Terms:** Cost not to exceed $2,803,282  
Funded by Advanced manufacturing Engineering Technology Lined Learning (AMETLL) Consortium Career Pathways Trust

6. **Contractor:** TORRANCE UNIFIED SCHOOL DISTRICT  
**Services:** Contractor will receive expanded Engineering Technology/Advanced Manufacturing Pathways including new course offerings, additional trained teachers, and new class setup for engineering technology classes.  
**Requesting Dept.:** Student and Community Advancement – Community Advancement – Career Pathways  
**Date(s):** 9/9/14 – 6/30/15  
**Financial Terms:** Cost not to exceed $147,085  
Funded by a sub-agreement from LBCC for California Career Pathways Trust Grant

b. **Services Received by District or Its Designee:**

1. **Contractor:** PUBLIC AGENCY LAW GROUP  
**Services:** Contractor will provide legal counsel to represent, advise and counsel the District in purchasing, construction and related matters.  
**Requesting Dept.:** Administrative Services  
**Date(s):** 11/1/14 –10/31/19  
**Financial Terms:** Based on agreement with the District in connection with particular tasks and hourly schedules subject to annual adjustments equal to three percent (3%) of rates for the prior year.
2. **Contractor:** SOLDERING BIZ  
**Services:** Contractor will provide 40 hours of entry level conductor and soldering trainings on behalf of ECC Center for Applied Competitive Technologies (CACT).  
**Requesting Dept.:** Student and Community Advancement – Community Advancement – CACT  
**Date(s):** 12/1/14 – 11/30/15  
**Financial Terms:** Cost not exceed $215,000  
Funded by CACT H1-B sub-grantee agreement

3. **Contractor:** SOUTH BAY WORKFORCE INVESTMENT BOARD  
**Services:** Contractor will provide workplace learning experiences, such as internships, job shadowing, guest speakers and a career fair for ECC micro-region consortium partners.  
**Requesting Dept.:** Student and Community Advancement – Community Advancement – Career Pathways  
**Date(s):** 9/9/14 – 6/30/15  
**Financial Terms:** Cost not to exceed $205,000  
Funded by a sub-agreement from LBCC for California Career Pathways Trust Grant

C. **AMENDMENTS**

a. **Services Provided by District or Its Designee:**

1. **Contractor:** CITY OF TORRANCE  
**Services:** Contractor will receive a series of training classes using Development Dimensions International Training materials.  
**Requesting Dept.:** Student and Community Advancement – Community Advancement – Contract and Community Education  
**Date(s):** 4/1/13 – 12/31/16 (Dates of service change: Board initially approved on 4/15/13 the term of 4/1/13 – 12/31/13; First amendment Board approved the term through 12/31/14. This amendment extends the contract through 12/31/16.)  
**Financial Terms:** Projected gross income $82,635 (income increase: Board initially approved projected gross income of $22,635 on 4/15/13; income amended to $52,635 on 6/16/14)
b. Services Received by District or Its Designee:

1. Contractor: CUSTOM CORPORATE COMMUNICATIONS
   Services: Contractor will provide customized training for participating agencies on behalf of the District.
   Requesting Dept.: Student and Community Advancement – Community Advancement – Contract and Community Education
   Date(s): 2/19/14 – 12/15/15
   Financial Terms: Cost not to exceed $410,000 (cost increase: Board initially approved on 2/18/14 the cost of $100,000; amended to $350,000 on 9/8/14.)
   Funded by ETP (ET14-0217 two-year core contract)

2. Contractor: LINK-SYSTEMS INTERNATIONAL, INC.
   Services: Contractor will provide online and offline tutorial services via their NetTutor website for students in Science, Technology, Engineering & Mathematics (STEM) disciplines.
   Requesting Dept.: Academic Affairs – Natural Sciences
   Date(s): 1/1/13 – 9/30/16
   Financial Terms: Cost not to exceed $25,000 (cost increase: Board initially approved $5,000 on 12/17/12; amended to $15,000 on 10/21/13)
   Funded by HIS-STEM grant

D. PURCHASE ORDERS AND BLANKET PURCHASE ORDERS

It is recommended all purchase orders be ratified as shown.

B. CONTRACT – ALTA ENVIRONMENTAL – STUDENT SERVICES CENTER BUILDING PROJECT

It is recommended the Board of Trustees approve entering into a contract with the above firm to provide abatement/soils assessment for the existing Tech Arts and Shops Buildings in preparation for the Student Services Center Building Project.

This firm is being recommended based upon its prior experiences performing this type of work, the demonstrated expertise and the qualifications of its staff to perform the services and competitive fee structure.

Date of Service: December 2014 – End of Project

Cost: Not to Exceed $48,000
C. CONTRACT AMENDMENT – AMEC E & I, INC. – SHOPS BUILDING REPLACEMENT PROJECT

It is recommended the Board of Trustees approve the following contract amendment for additional geotechnical services.

1. Amendment is required due to additional scope and time to complete grading activities around the building, including but not limited to placement and compaction of base material.

<table>
<thead>
<tr>
<th>Total Increase in Contract Amount</th>

E. CHANGE ORDER – S. J. AMOROSO – INDUSTRY AND TECHNOLOGY BUILDING PROJECT

It is recommended the Board of Trustees approve the following change order.

1. Furnish uninterruptable power supply and power       $400,000
distribution unit systems for server room 141. Both systems are owner furnished. Owner request.

2. Install wood backing at existing roof top corrugated metal clad structures. Architecture & Engineering requirement. 4,261

3. Provide credit to eliminate voice data. Owner request. -602

4. Adjust existing utility vaults to accommodate new site hardscape. Architecture & Engineering requirement. $2,537

5. Install new below grade waterproofing system on the northwest side of the building. Unforeseen conditions. 3,504

6. Modify suspended cloud ceiling installation to accommodate uneven existing concrete retaining wall. Architecture & Engineering requirement. 1,241

7. Replace leaking existing gas valve. Owner request. 778

8. Revise circuiting to Emergency Power Shut Off switches to coordinate with machinery requirements. Unforeseen conditions. 1,416

9. Re-work new window openings in stairwells to avoid conflicts with existing structural elements. Unforeseen conditions. 2,714

10. Install fire-proofing material at top of fire rated walls where they connect to new beams. Code requirement. 4,956

**Total Change Order Amount** $420,805

**C. REVIEW BY BOARD OF TRUSTEES: PUBLIC NOTIFICATION & DISCLOSURE OF ESTIMATED COSTS FOR SALARY PROPOSAL FOR EL CAMINO POLICE OFFICERS’ ASSOCIATION**

In accordance with AB1200 and Government Code 3547.5, El Camino Community College District is required to publicly disclose the provision of the El Camino Police Officers Association and any new Agreement, before they are finally approved by the Board of Trustees. This is known as the “El Camino Police Officers’ Association Salary Settlement Notification Component of the Statewide Criteria and Standards.” This ensures that the public is aware of the costs associated with a collective bargaining agreement before it becomes binding on the District.

The information provided in the attachments follows the public disclosure format by the State Superintendent of Public Instruction, and must be reviewed by the Board of Trustees prior to approval of the provision in the Agreement between the District and El Camino Police Officers’ Association.
The El Camino Police Officers’ Association Salary Settlement Notification Component of the Statewide Criteria and Standards includes the summary of the costs of the Agreement.

s/ Thomas M. Fallo     s/ JoAnn Higdon
Superintendent/President    Chief Business Official

D. APPROVAL BY BOARD OF TRUSTEES: EL CAMINO POLICE OFFICERS ASSOCIATION’S SALARY PROPOSAL AND APPROVAL OF NEW THREE (3) YEAR AGREEMENT (January 1, 2015 to December 31, 2017)

It is recommended that the Board approve the tentative agreement for El Camino Police Officers’ a 5% increase, effective January 1, 2014, including the new three year agreement (January 1, 2015 to December 31, 2017). The new agreement includes the following: for calendar year 2015, a 1% salary increase, effective January 1, 2015; for calendar year 2016, an increase by Community College COLA adopted in state budget FY 2015/2016, effective January 1, 2016; and for calendar year 2017, reopener negotiations for salary and one additional article for each party, effective January 1, 2017. (The full tentative agreement and new salary schedules are attached on pages HR 11 - 13.)

POA COMPENSATION ESTIMATE BY FISCAL YEAR (compensation estimates reflect prior year compounding and applicable statutory benefits):

Existing Contract:

Fiscal Year 2013/2014 (6 Months, 1/1/14 – 6/30/14)
The cost of the salary increase of 6 months, 5% on-schedule increase is approximately $37,885.

Existing Contract (expires December 31, 2014) and New 3 Year Contract (January 1, 2015 to December 31, 2017)

Fiscal Year 2014/2015 (6 Months, 7/1/14 – 12/31/14: Existing Contract and 6 Months, 7/1/14 – 6/30/15: New Contract)
The cost of the salary increase of 6 months, 5% on-schedule increase and 6 months, 1% on-schedule increase is approximately $83,786.

Fiscal Year 2015/2016 (12 Months, 7/1/15 – 6/30/16)
The cost of the salary increase of 6 months 1% on-schedule increase and estimated on-schedule district-funded COLA of 2.2% is approximately $109,648.
Fiscal Year 2016/2017 (12 Months, 7/1/16 – 6/30/17)
The cost of the salary increase for 12 months is yet to be determined, based upon the district-funded COLA and re-openers for salary.

Fiscal Year 2017/2018 (6 Months, 7/1/17 – 12/31/17 – the term of the new contract)
The cost of the salary increase for 6 months is yet to be determined, based upon re-openers for salary.

E. REVISED CLASSIFICATION SPECIFICATIONS FOR CLASSIFIED POSITION
   It is recommended that the Board of Trustees approve the new classification specifications for the Digital Media and Design Specialist as shown on pages 14-16.

F. REVISED CLASSIFICATION SPECIFICATIONS FOR SUPERVISORY POSITION
   It is recommended that the Board of Trustees approve the revised classification specifications for the Supervisor, Technical Services as shown on pages HR 17-20.

G. REVISED CLASSIFICATION SPECIFICATIONS FOR ADMINISTRATOR POSITION
   It is recommended that the Board of Trustees approve the revised classification specifications for the Director, El Camino College Center for the Arts as shown on pages HR 21-24.
Tentative Agreement

El Camino Community College District and El Camino College POA

October 29, 2014

The following tentative agreement is entered into and recommended for ratification:

1) Increase salary schedule by 5%, effective January 1, 2014. It is understood that this salary increase concludes all negotiations through December 31, 2014.

2) In addition, New Agreement upon ratification through December 31, 2017 with these modifications:

   a) For calendar year 2015, effective January 1, 2015 increase the salary schedule by 1 percent.

   b) For calendar year 2016, effective January 1, 2016 increase salary schedule by Community College COLA in adopted state budget for FY 2015-16.

   c) For calendar year 2017, re-open negotiations by October 1, 2016 for salary and 1 additional article for each party, to be effective January 1, 2017.

   d) Ratification of this tentative agreement also concludes all negotiations between the parties including negotiations for 2015 and 2016. As above noted, negotiations will re-open on or about October 1, 2016 for salary and 1 additional article for each party, effective January 1, 2017.

   e) For a successor agreement after December 2017, negotiations between the parties will commence on or about October 1, 2017.

Board Approved: November 17, 2014
CLASS TITLE: DIGITAL MEDIA AND DESIGN SPECIALIST

BASIC FUNCTION:
Under the direction of an assigned supervisor or director, create and edit skilled graphic and digital media for print and online, including Web, social media, and print-materials for promotional and informational purposes. Responsibilities include the production and design of ads for various platforms, including, but not limited to: print, online, audio and video. Also perform a variety of digital media duties including preparing promotional and digital material for advertising and informational purposes; operate computers, digital cameras, Web and graphic software, and other equipment and programs, related to digital and print media.

REPRESENTATIVE DUTIES:
Design and create official college marketing materials that educate and inform both internal and external audiences about El Camino College’s mission, programs and services.

Use advanced applications and equipment including computer graphics and desktop publishing software as well as multimedia equipment to aid in the production of visual content (images, video, slideshows, PowerPoint, and infographics) process. (PC and Macintosh)

Provide timely and comprehensive marketing analytics across various channels to assist with the decision-making process and ultimately improve marketing strategies and results; measuring effectiveness of campaigns; and provide recommendations for optimization.

Create digital images such as digital photography and video, live stream and info graphics for college events to be used on the Web, in print publications and for other marketing purposes.

Research and compile information for the design and production of items such as advertisements, fliers, posters, newsletters, news releases, email notifications, and brochures.

Assist with the distribution of news releases, email notifications, and public service announcements.

Perform a range of related duties in support of assigned function including compiling information for projects, entering data, proofreading and editing own work product.

Research, identify and recommend emerging digital media technologies and methodologies.
Digital Media and Design Specialist (cont’d) Page Two

Use technical expertise, creativity and composition skills to produce and preserve digital images to be used in multimedia projects.

Operate and maintain specialized equipment as necessary.
Perform related duties as assigned.

KNOWLEDGE OF:

Digital Media - Knowledge of digital media such as websites, webcasts, online communications, social media and Internet trends.

Customer and Personal Service - Knowledge of principles and processes for providing customer and personal services. This includes customer needs assessment, meeting quality standards for services and evaluation of customer satisfaction.

English Language - Knowledge of the structure and content of the English language including the meaning and spelling of words, rules of composition and grammar for oral written and online communication.

Current Technical Advancements - Knowledge of current trends in digital media, such as Web-related content and a variety of social media channels.

Digital Software - Knowledge of related digital and graphic design software applications. Knowledge of office applications, including Microsoft Office.

Computer and Multimedia Technology - Knowledge of Web-specific technology, such as live stream, social media, Web content and digital media.

Digital Photography and Videography - Knowledge of digital photographic and video principles, techniques and procedures; as well as the artistic and technical aspects of digital photography; and multimedia such as online videography.

ABILITY TO:
Perform a variety of technically complex duties requiring a comprehensive understanding of digital graphic arts involving the use of independent judgment and personal initiative.
Demonstrate strong computer, analytical, organizational and written/oral communications skills.
Engage in research to develop new digital media procedures and materials.
Prepare and communicate the status of reports and projects.
Perform work during night and weekend hours as required.
Digital Media and Design Specialist (cont’d)     Page Three

Exercise a high-degree of initiative, judgment and self-management, discretion and
decision-making to integrate organizational priorities, meet deadlines and achieve
objectives.
Communicate effectively both orally and in writing.
Plan and organize work to meet changing priorities and deadlines.
Create digital images and photos for print and Web-based assignments including, but not limited
to social media and marketing channels.
Design effective layouts, prepare and disseminate promotional materials.
Understand and follow oral and written instructions.

Occasional bending and lifting of various materials and equipment.
Frequent moves from one work area to another.

Classified Salary Range 35
Board Approved: November 17, 2014
EL CAMINO COMMUNITY COLLEGE DISTRICT

CLASS TITLE: SUPERVISOR, TECHNICAL SERVICES

BASIC FUNCTION:
Under the general supervision of the appropriate division Information Technology Services manager, this position is responsible for the supervision and management of administrative and academic computer and technology services; direct consultative support on information technology-based systems primarily in the areas of desktop hardware resources, application software, multimedia, facilities design and network support. Plans, organizes, and directs the day-to-day supervision of the technology support services, Help/Service Desk call center, technical repair, and operational support staff. The supervisor provides leadership in technology consulting, project management, resource management, and delivery of services.

REPRESENTATIVE DUTIES:
Develop standard specifications for personal computer hardware and software to ensure system and procedural integrity and compatibility.

Develop long-range strategy and plan for the District’s personal computer hardware and software, ensuring flexibility to respond to technology changes - maximizing savings on PC hardware acquisitions while minimizing financial and technological risks.

Provide consultative support and services to the user community to ensure problem resolution, system and data access, and optimal system performance.

Review requests for personal computer needs and ensure that acquisitions and replacements are congruent with District-wide personal computer strategy. Provide consulting support for the college’s hardware and software needs and develop and implement customer service and support policies and procedures, as well as feedback mechanisms to ensure the highest quality support.

Oversee operations of the Help/Service Desk for personal computer, telecommunications and central operations.

Supervises help desk activities and support staff and administers the system for documenting help desk calls. Develops a database for storage of questions and solutions to computer and software-related problems, indexed in such a way that it facilitates consistent response by Technicians and easy access by others.

Establishes communications with academic and administrative departments, orienting them to the scope of user support. Establishes controls and standards to assure consistent site-based technical support.
SUPERVISOR, TECHNICAL SERVICES

Develop and implement performance measures to ensure customer focused service management as well as provide information for systems planning. This includes appropriate tracking and reporting, of customer requests and responses, as well as hardware and software performance and reliability.

Researches trends in technical support activity to determine the system or training needs of the organization. Maintain a broad knowledge within current and emerging technologies and participates in broad range technology planning.

Develop computer acquisition and replacement program that is compatible with the District’s long range personal computer strategy and coordinate with the division’s budget preparation process.

Direct and support the technicians and specialists responsible for personal computer installation, and repairs. Support and oversee the daily operations of the Technical Services Unit.

Stay current with new and emerging technologies in support of student services

Leads, supervises trains and evaluates assigned personnel. Certify payroll for assigned personnel. Apply the terms and provisions of applicable collective bargaining agreements; state and federal laws and District Board Policies and Administrative Procedures in personnel matters.

Provide Unit leadership in technology consulting, project management, resource management and delivery of services.

Direct the specialists, temporary personnel and student workers assigned to support computer labs and oversee the daily operation of designated computer lab facilities.

Research available products and systems and recommend alternatives to meet identified needs.

Participate in needs assessments and evaluate potential purchases for compatibility with existing systems.

Assist in the development of user documentation, guides, outlines, and technical publications.
SUPERVISOR, TECHNICAL SERVICES

KNOWLEDGE AND ABILITIES:

KNOWLEDGE OF:
Information technology hardware, software, and related systems in an enterprise environment
Educational technology, multimedia environments and delivery systems
Help/Service Desk call center operations and administration
System utilities, features, installation, maintenance procedures and diagnostic techniques
Facilities design and electrical systems integration
Concepts, practices and procedures of supervision and leadership
Data communications processes and network concepts and use
Database management related to assigned areas (Service Calls, Asset Management, etc.)
Information security concepts, configuration, tools, and software

ABILITY TO:

Ability to lead and effectively manage people
Demonstrate interpersonal and communication skills in working with users to interpret and provide appropriate solutions.
Support establishing and assuring compliance of departmental priorities, policies and procedures.
Maintain materials, budgets, inventory and technical references.
Develop and maintain cooperative working relationships with others.
Develop plans and budget for support services responsibilities.
Plan, organize and direct the work of others.
Communicate effectively, orally and in writing to assimilate and understand information in a manner consistent with the essential job functions.
Translate user requirements into appropriate required services
Make sound decisions in a manner consistent with the essential job functions.
Withstand considerable pressure and meet deadlines and follow
Lead an activity, project, or plan of action from inception through implementation.
Prioritize workload.
Analyze technical problems and do abstract problem solving.
Lift and carry up to 25 pounds.

EXPERIENCE/EDUCATION:

Any combination of experience and education equivalent to an Associate degree in a computer related field or business degree with emphases in information systems and four years of increasingly responsible Information Technology Services Management (ITSM) experience including in support center management, microcomputer installations and repairs, and supporting computer laboratories, and application software configuration.
