Board of Trustees
El Camino College
Office of the President

Dear Member of the Board,

I trust your Thanksgiving holiday was enjoyable and you are all ready to work off the extra calories.

The November 19th Board meeting Committee of the Whole focusing Trustee Goals and Evaluation was indeed an excellent discussion of many issues. You requested Ms. Oswald’s notes on both issues which are enclosed as attachment 1.

In the meantime, we have also received two other district’s self-evaluation instruments. San Francisco Community College District draft Board Self-Evaluation, attachment 2 and Palomar Community College District Self-Evaluation, attachment 3.

Some interesting comparisons on self-evaluations can be made with El Camino College’s Board of Trustee Evaluation, attachment 4. As a reminder, however, included is the El Camino Community College District Board of Trustees agenda item of June 18, 2007, which re-states the District’s Vision Statement, Mission Statement, Statement of Philosophy, Statement of Values, Guiding Principles and Strategic Initiatives. Quite a comprehensive action which leads the District’s Strategic Plan from 2007 to 2010, attachment 5.

Some of your discussion at the last Board meeting centered on District goals as opposed to Board goals. In that light, I also re-submit your 2005-2006 Board Goals, attachment 6.

Because of the Board discussion, and in conformance with Board goals, I respectfully submit some ideas for 2008 Board Goals, attachment 7. Please note that some of these repeat the previous year’s format

The December 17, 2007, Board meeting is our Annual Organizational Meeting where you elect officers and make various Board assignments. It would be best to adopt the Board goals for 2008 at this meeting, therefore, if any of you agree with the suggested Board goals or would like to propose other Board goals, please do so by notifying Kathy Oswald and we will include them in the action item.
If you have any questions, comments or concerns about this or any other item, please feel free to contact Kathy or me.

Sincerely,

Thomas M. Fallo
Superintendent/President

Notes from Board meeting of November 19, 2007

Committee of the Whole – 5:20 p.m.

Simon – Assignments – look at past years for goals.

Jackson – Highway 105 Freeway – Represent whole district.

1. Beverly: Proposing a statement: District endeavor to meet unique needs of specific components of District more intensely.

Seyedin: Get together in a different setting to brainstorm in different environment.

Beverly: Find more, new and better ways to teach these goals in a different setting.

4. Board Members will keep CEO well informed of significant contacts with community and significant contacts with College employees.

5. Keep ourselves informed and become better informed about legislative issues that effect the College (and later Beverly added) and strengths and weaknesses of the campus and offerings—services and courses.

Goals

Beverly: Normal distribution.

O’Donnell: Difficult to answer on behalf of Board.

Subject: Board Self-Evaluations

I am working with two of my colleagues to design a self-evaluation process for the Board of Trustees of City College of San Francisco. As we work on this project, it would be a great help to us if you could send to us your Board Self-Evaluation instrument along with any procedures and/or policies that relate to that instrument. Please use my email address for electronic files or send hard copies to me at:

2484 21st Avenue
San Francisco, CA 94116

Should you have any questions, please email me or call me at 415-846-1644.

Thanks.

STUDENT SERVICES

EL CAMINO COLLEGE STRATEGIC PLAN 2007 THROUGH 2010

Vision Statement
El Camino College will be the College of choice for successful student learning, caring student services and open access. We, the employees, will work together to create an environment that emphasizes people, respect, integrity, diversity and excellence. Our College will be a leader in demonstrating accountability to our community.

Mission Statement
El Camino College offers quality, comprehensive educational programs and services to ensure the educational success of students from our diverse community.

Statement of Philosophy
Everything El Camino College is or does must be centered on its community. The community saw the need and valued the reason for the creation of El Camino College. It is to our community that we must be responsible and responsive in all matters educational, fiscal and social.

Statement of Values
Our highest value is placed on our students and their educational goals, interwoven in that value is our recognition that the faculty and staff of El Camino College are the College’s stability, its source of strength and its driving force. With this in mind, our five core values are:

People – We strive to balance the needs of our students, employees and community.
Respect – We work in a spirit of cooperation and collaboration.
Integrity – We act ethically and honestly toward our students, colleagues and community.
Diversity – We recognize and appreciate our similarities and differences.
Excellence – We aspire to deliver quality and excellence in all we do.

Guiding Principles
The following guiding principles are used to direct the efforts of the District:

El Camino College must strive for distinction in everything the College does—in the classroom, in services and in human relations. Respect for our students, fellow employees, community and ourselves, must be our underlying goal.

Cooperation among our many partners including other schools and colleges, businesses and industries, and individuals is vital for our success.

Access and success must never be compromised. Our classrooms are open to everyone who meets our admission eligibility and our community programs are open to all. This policy is
STUDENT SERVICES

enforced without discrimination and without regard to gender, ethnicity, personal beliefs, abilities or background.

Strategic Initiatives
1. Offer excellent educational and student support services:
   a) Enhance college services to support student learning using a variety of instructional delivery methods and services.
   b) Maximize growth opportunities and strengthen programs and services to enhance student success.
   c) Strengthen partnerships with schools, colleges and universities, businesses and community-based organizations to provide workforce training and economic development for our community.

2. Support self-assessment, renewal, and innovation:
   a) Use student learning outcomes and assessment to continually improve processes, programs and services.
   b) Use research-based evidence as a foundation for effective planning, budgeting and evaluation processes.

3. Modernize the infrastructure to support quality programs and services:
   a) Use technological advances to improve classroom instruction, services to students and employee productivity.
   b) Improve facilities to meet the needs of students and the community for the next fifty years.
B. 2005-2006 Board of Trustee Goals and Evaluation
