

Board Policy 3250

Institutional Planning

The Superintendent/President shall ensure that the District has and implements a broad-based comprehensive, systematic and integrated system of planning that involves appropriate segments of the college community and is supported by institutional effectiveness research. The planning and budgeting system shall be linked, and planning priorities shall be established annually.

The Superintendent/President shall ensure the Board has an opportunity to assist in developing the general institutional mission and goals.

The planning system shall include plans required by law, or the Chancellor's Office, including, but not limited to,

1. A comprehensive, integrated educational and facilities master plan which includes long range plans for all academic, student services, community advancement and administrative services areas; technology; facilities; fiscal resources, and staffing and diversity;
2. Student equity plan;
3. Matriculation;
4. Transfer Center;
5. Cooperative Work Experience plan;
6. Educational Opportunities Programs and Services (EOP & S) plan.

The Superintendent/President shall submit those plans for which Board approval is required by Title 5 to the Board.

The Superintendent/President shall inform the Board about the status of planning and the various plans.
