Community Services

The College may offer Community Services programs, known as Community Education classes, for the purpose of personal and professional development. Community Education classes are not-for-credit classes designed to contribute to the physical, mental, moral, economic, or civic development of the individuals enrolled in them.

Classes are open for admission to adults and some classes are open to, or limited to, age-appropriate minors who may benefit from the classes.

General fund monies are not expended to establish and maintain Community Education offerings. Students enrolled in Community Education offerings may be charged a fee not to exceed the cost of maintaining community education classes, or classes may be provided for remuneration by contract, or with contributions or donations of individuals or groups.
