Renovations are still being done on Lot F for earthquake retrofitting. Two-thirds of the lot, mainly the south portion, has been closed this whole summer. Beginning this Friday, they will reopen lot F for one month only to accommodate parking for the beginning of the fall semester.

Lot C will probably be open by the end of the year. It went from 286 to 1400 parking spaces. Propose 1st level to be staff.

AQMD

We passed our audit which consisted of a report of the rideshare program. AQMD isn't satisfied with the low number of people carpooling.
