

Aspiring to meet the needs of El Camino College's diverse student population, the El Camino College Foundation is pleased to introduce an unprecedented scholarship program... THE FOUNDATION SCHOLARSHIP PROGRAM. Our commitment is to establish 80 new scholarships this year, for a total first year distribution of \$100,000. The scholarships will not only assist with, but in many cases, fully cover tuition, fees and textbooks. This is what sets THE FOUNDATION SCHOLARSHIP PROGRAM apart from any other.

THE EL CAMINO COLLEGE FOUNDATION PROUDLY ANNOUNCES

# The El Camino College Foundation Scholarship Program

...*BUILDING A FOUNDATION  
FOR TOMORROW*

Unquestionably, the Foundation's generous supporters make THE FOUNDATION SCHOLARSHIP PROGRAM possible. The Foundation's ongoing efforts to meet the needs of our students are realized with the development and implementation of this dynamic program. Our vision is to not only sustain, but also grow this program to reach a greater number of our students each year.

We have established an array of scholarships; some scholarships are discipline specific; some reward academic excellence; some are extended to students from local high schools; some are aimed at earnest students with financial need who do not meet Federal or State assistance requirements. All applicants must be on the path for a two-year degree, certificate or a transfer to a four-year institution.

Your support of THE FOUNDATION SCHOLARSHIP PROGRAM will enable a growing number of deserving students to achieve their educational goals. So much is possible when we work together. The El Camino College Foundation invites you to participate in this program and we would be happy to discuss the various ways you may get involved.
