Each shift assignment form will include the shift elimination order and department mandated shift assignments, with an explanation, at the time of posting. Forty-five (45) days prior to the posting of the shift bid, a supervisor or designee will contact officers starting with the most senior to junior and request that officers shift bid. If an officer is absent for any reason prior to or during the shift selection process, they will, prior to leaving, submit in some written form to a supervisor requesting their shift selection(s). If an officer cannot be reached to submit a bid, did not leave a request for a bid(s), or chose not to bid, a supervisor will make a final attempt to contact the officer (email, home phone, cellular phone, etc.) and give them an

opportunity to bid for a shift. If more than 24 hours passes and the officer has not responded, the department will select a shift for the officer.

(2) The Department will post the shift schedules no later than one month in advance of the scheduled change.

(3) Assignments and adjustments to schedules by the Department will be determined by the following priorities:

a) The needs of the Department.

Probationary officers will be assigned one shift rotation after completion of training.

b) Seniority of the requesting officer.

Officers will make one bid on the shift reassignment form. The bid will be the officer's preferred choice given the mandated shift assignments as posted on the shift bid and the seniority of the officer. The shift reassignment form will be completed starting with the most senior officer in descending order until all officers have completed a bid.

No Officer may be assigned to the night shift in excess of three schedule rotations. No Officer shall be forced to work more than two consecutive rotations on the night shift. See Article 6, Section 9 for definition of night or graveyard shift.

(4) A minimum of eight (8) officers at El Camino College District and seven (7) officers at Compton Community College District is required for the 3 consecutive 12 hour day schedules to be in effect. The schedule may revert to either 4 consecutive 10 hour days or 5 consecutive 8 hour days until the minimum number of officers is reached once again. If a reduction below the minimum necessary to maintain the 3/12 schedule occurs and the District chooses to revert to a schedule other than 3/12, a shift bid will be posted immediately and officers will have 5 days to bid. In the event this is necessary, the ECCPOA will assist the District to coordinate a smooth transition.

(5) Any adjustments to the approved schedules shall be authorized by the Chief of Police.

**Section 4. Adjustment Time**

Any Officer who works an average of thirty (30) minutes or more per day in excess of his regular part-time assignment for a period of twenty (20) consecutive working days or more shall have his regular assignment adjusted upward to reflect the longer hours, effective with the next pay period.

**Section 5. Voting Time Off**

Pursuant to the requirements of Election Code Section 14350 to Section 14352, the District for all statewide and local elections shall provide Officers with sufficient time off to vote (not to exceed two (2) hours of paid time) if the voting time available outside of working hours is not sufficient to enable the officer to vote. The Officer shall request such time off from the Chief of Police or designated supervisor.

**Section 6. Meal Periods and Rest Periods**

- a. Each officer who works a shift of more than five hours shall receive a paid thirty (30) minute meal period. The department may designate time periods (emergencies, special events, etc.) when obtaining a supervisor's approval is necessary to take a meal period.
- b. Each Officer who is scheduled to work for four or more consecutive hours shall receive one paid rest period of twenty minutes each in each such period, including travel time. The department may designate time periods (emergencies, special events, etc.) when obtaining a supervisor's approval is necessary to take a rest period.
- c. Meal and rest periods may be accumulated with the approval of a supervisor shall be considered as duty time and the Officer shall be subject to all on-call requirements.

Officers of the other work location will subsequently be contacted to find a volunteer(s) if necessary. If sufficient volunteers for a mandated overtime work assignment do not come forward, selection will be completed by the requirements of the section.

7. The Department will inform an officer who has been selected to work an overtime assignment by annotating the overtime sign-up sheet. It will be the responsibility of the officer to determine if he/she has been selected to work.
8. For mandated work assignments where one or more officers is required, the least senior officer(s), exclusive or those on an approved leave status, shall be noted on the overtime assignment sheet at the time of posting. The department shall notify the officer who is/are to be mandated to work an overtime assignment in the event insufficient volunteer(s) is/are not found. Mandated overtime assignments will be assigned according to officer duty station (i.e.) ECC Torrance to ECC Torrance, Compton to Compton.
9. Overtime will be approved and assigned based on the date of service and start time of each overtime assignment. Multi-day overtime assignments (bookstore for example) will be assigned as above and not a block.
10. No overtime will be posted for less than three (3) hours in compliance with Section 4 of this article.
11. If overtime is cancelled with less than eight (8) hours notice, the assigned officer will be paid for a minimum of three (3) hours.
12. All overtime hours earned will be accounted for and noted on the El Camino College Police Department Overtime Report.

The evaluator will provide upon request the names of any individuals related to any statement on the evaluation form.
- d. If the evaluation fails to provide information pursuant to (c) above then that item shall be stricken from the form.

Such statement shall be submitted by the Chief of Police or designated supervisor. Pursuant to Section 1(b) of this Article, the District may require additional health information. An Officer may return to duty on a limited basis, i.e., less than normal daily work hours, so long as the Officer can perform any and all of the duties assigned to the position.

**General Provisions**

**Section 1. Personnel Files**

- a. There shall be one (1) official District personnel file for each Officer. The material in the official District personnel file shall be considered and used as the only official personnel record of the District in any proceeding affecting the status of the Officer's employment with the District.
- b. The material in the file shall be made available for the inspection of the Officer to whom the file pertains except ratings, reports or records which were (1) obtained prior to the employment of the Officer, (2) prepared by identifiable members of the screening committee involved in selection, or (3) obtained in connection with a promotional evaluation.
- c. An Officer shall have the right to inspect the file except as provided in subsection (b) of this Section upon written request. An officially designated representative of ECCPOA, chosen by the Officer, may at the Officer's request accompany the Officer in this review or upon written authorization a representative may review the file. The Review shall be made during normal business hours and at a time when such Officer is not otherwise required to render service to the District unless mutually agreeable to the Officer and the Chief of Police or designated supervisor.
- d. Any item to be placed in the file shall be clearly identified as to its source or originator and its date of receipt by the District.
- e. Information of a derogatory nature, except that listed under subsection (b) of this Section, shall not be entered or filed unless and until the Officer is given a copy of the document and the Officer has the opportunity to have a meeting concerning the matter and an opportunity to make his own written comments, which will be placed in the file attached to the derogatory document. Such written comments shall be submitted within five (5) working days. Such meeting and opportunity to write comments shall take place during normal business hours, and the affected Officer shall be released from duty for this purpose, if necessary, without salary reduction.

The Human Resources Office may require the Officer to undergo appropriate examinations by a Board Certified or Board Eligible psychiatrist, physician or clinical psychologist selected by the District and specializing in the area of concern at the expense of the District. The Officer may request that the psychiatrist, physician or clinical psychologist selected by the District and the Officer's own psychiatrist, physician or clinical psychologist select a third such professional to conduct the examination which shall be at District expense. The Officer shall be required to execute a release so that the clinical psychologist, physician or psychiatrist may make a confidential report of his findings to the Human Resources Office. ## APPENDIX A

### CATASTROPHIC ILLNESS OR INJURY/FAMILY LEAVE DONATION

#### About the Plan

The purpose of this plan is to permit Officers with a catastrophic illness or injury to solicit individual donations of vacation and/or sick leave from fellow Officers. The intent is:

- 1) to insure that the Officer continues to receive medical benefits during the recovery period.
- 2) to enable the Officer to continue receiving the regular salary. TO BEGIN THE PROCESS, a letter of request and medical verification must be sent to the Director of Human Resources. Assuming all other conditions are met, the Director will initiate the "Call for Donated Leave" or the CII Committee will approve Leave Bank donations.

#### Guidelines for Donating Days

- 1) Any Officer may donate accumulated leave but MUST retain no fewer than 30 days of sick leave on record.  
Exception: An Officer who is retiring or terminating and wishes to donate unused sick leave to a specific person or to the Leave Bank may do so with no limitation.
- 2) You may donate accumulated vacation days with no restrictions.
- 3) All days donated are irrevocable. Once you donate them, they are gone forever.
- 4) Any unused donated days will revert to the Leave Bank for use by other catastrophically ill or injured Officers who request and are approved to use days from this bank.
- 5) Donated sick leave or vacation days are charged on the basis of day-for-day regardless of the classification and/or salary of either the donee or the donor.

#### The Officer suffering from a catastrophic illness or injury

- 1) Must have used all available forms of leave (sick leave or vacation).

- 2) Is incapacitated or absent for an extended period of time no fewer than 30 consecutive calendar days.
- 3) Must submit a letter to the Director of Human Resources requesting "Call for Donations." Someone authorized other than the donee may request donated days.
- 4) Must submit medical verification to the Director of Human Resources. The District may require additional medical verification from a physician selected by the District and at the expense of the District.
- 5) As required in AB2007, the District determines that the Officer is unable to work due to the catastrophic illness or injury.
- 6) May use donated days as half or whole days and may be used retroactively. There are two choices on how to use donated days:
  - a. Half day worked plus half day donated leave equals a portion of or full pay.
  - b. Half day leave only resulting in full health benefits coverage and a portion of or half pay.
- 7) Must use all donated leave within a 12-month period after the donation. Leave days will be placed in a special donated leave account for up to one year. If the Officer returns to work and has a reoccurrence of the same or related catastrophic illness or injury, after using any accumulated vacation or sick leave accrued days, previously donated leave days may be used. After one year, and in unusual circumstances, the CII Committee may consider a request to extend the period of up to one additional year.
- 8) If no reoccurrence of the catastrophic illness or injury occurs within one year of the date returned to work, the unused donated days will revert to the District's Leave Bank.
- 9) Pledged donated days may be used only for the specified catastrophic illness or injury. A different catastrophic illness or injury must be handled as a separate or second incident.

- 10) NOT COVERED: Stress related illness; elective surgery, normal pregnancy, worker's compensation claims, disabilities resulting from alcoholism or drug addiction unless the drugs are administered by a physician; intentionally self inflicted injuries; pre-existing physical maladies or normal illness such as colds, flu, allergies, headaches etc.

### Leave Bank

- 1) The District annually, or as needed, will promote a "call for leave donations" for the Leave Bank. In addition, the District will give each Officer who terminates resigns or retires, an opportunity to donate unused vacation or sick leave to the Leave Bank.
- 2) Unused donated days reverting to the Leave Bank or days specifically donated to the Leave Bank make up the Leave Bank.
- 3) Requests for Leave Bank days are subject to availability. The District is not responsible for filling requests from the Leave Bank if no days are available.
- 4) It is the responsibility of the Officer or the Officer's authorized person making the request to submit sufficient information or explanation to the CII Committee for approval. Insufficient information will be grounds for denial.
- 5) Submit requests for Leave Bank days directly to the Director of Human Resources who then will determine eligibility and will provide the CII Committee with appropriate information. The Committee will review the request but will not be told the name of the person making the request.
- 6) Confidentiality will be upheld and all efforts will be made to ensure privacy of the Officer making the Leave Bank request.

### Definitions

Catastrophic Illness or Injury: As defined in AB2007, a catastrophic illness or injury is one that is expected to incapacitate the Officer for an extended period of time and taking extended time off work creates a financial hardship for the Officer because he or she has exhausted all sick leave and other paid time off. Examples include life threatening injury or illness; cancer, AIDS, heart surgery, stroke, etc.

CII Committee: The Catastrophic Illness/Injury Committee is comprised of representatives from Federation (1), POA (1) and Management (1) and is chaired by the Director of Human Resources as a non-voting member, or Designee.

Call for Donations: The District will solicit requests for donations for either individual or Leave Bank requests.

Duration: Per AB2007, all donated leave is available for a maximum of 12 months.

Grievances: Nothing in this plan is grievable.

Individual Requests: Officers meeting conditions of this plan may request donations from the general Officer population.

Irrevocability: Once leave is donated, the donor cannot retrieve any portion of the donated leave.

Leave: Vacation or sick leave accrued to the donating Officer.

A donating Officer must retain no fewer than 30 days of sick leave on record to be eligible to donate sick leave days.

Leave Bank: Unused donated days or days specifically donated to a general account.

The Leave Bank permits those Officers who do not wish to request individual donations to do so privately and anonymously.

Medical Determination: AB2007 requires medical verification of catastrophic illness or injury from a physician.

Medical Verification: AB2007 requires that the District determine that the Officer is unable to work due to a catastrophic illness or injury.

Requests: AB2007 specifies that an Officer who is suffering from a catastrophic illness or injury must request that eligible vacation or sick leave is donated. Donations cannot be accepted or approved without this request.

APPENDIX B  
FAMILY CARE AND MEDICAL LEAVE PROCEDURES

FAMILY AND MEDICAL LEAVE ACT (FMLA)

Officers who meet all requirements of these procedures may be entitled to family care and medical leave in connection with the birth, adoption, or foster care placement of a child with the Officer, or the serious illness of a child, parent, or the Officer him/herself. Family and medical leave will be granted in accordance with the Family and Medical Leave Act.

Eligibility for Family Care Leave and Medical Leave.

To be eligible for family care and medical leave, an Officer must:

- (1) Have worked continuously for the District for at least one year prior to the date when such leave is requested; and
- (2) Have provided at least 1,250 hours of service during the 12 months before the leave is requested; and
- (3) Not have taken a maximum of twelve workweeks of family care and medical leave within the preceding 12-month period.
- (4) Comply with all requirements of state and federal law pertaining to family care and medical leave.

Permissible Uses of Family Care and Medical Leave

Family care and medical leave may be requested for:

- (1) The birth of an Officer's child;
- (2) The adoption of a child;
- (3) The placement of a foster child with an Officer;
- (4) The serious illness or health condition of an Officer's child, spouse, or parent;
- (5) The serious health condition of the Officer him/herself.

Amount of Family Care Leave

Provided all the conditions of this procedure are met, an Officer may be granted up to twelve workweeks (60 workdays) of family care and medical leave during any 12-month period. The leave may be taken in one or more periods; however, the District retains the right to deny a leave

request if the leave is deemed not to be of sufficient duration (e.g. less than two weeks) or if a request is for intermittent leave where the intermittent schedule is not medically necessary.

Any Officer requesting leave for his or her own serious illness/injury, under this program, shall be required to utilize all accumulated sick leave, available sub difference and vacation leave first. Officers may request Family Care and Medical Leave, under this program, to care for a family member with a catastrophic illness or injury, with prior approval, may use accumulated sick leave, vacation and/or personal business leave. The total amount of permissible family care leave will be reduced by the amount of the other leave used.

References to the amount of leave available are based upon the entitlement of a full-time Officer. Officers who work less than a full-time schedule or less than a 12-month year are entitled to leave in whatever proportion their work schedule bears to full-time. In no case will an Officer scheduled to work less than a 12-month year be entitled to use family care and medical leave during scheduled periods of non-work status.

#### Special Provisions for Pregnancy Related Disability and Child Care Leave

- (1) Upon expiration of any pregnancy disability leave authorized by Government Code Section 12945.2, the Officer is eligible for up to an additional 12 weeks of family care leave to care for the newborn child.
- (2) During the period of "disability" (6 weeks for a normal pregnancy) the Officer shall use accumulated sick leave or available sub-difference until those entitlements are exhausted. Thereafter, the Officer shall use vacation and/or personal business leave.
- (3) Upon expiration of the pregnancy disability period, the Officer may request family care leave pursuant to these procedures.
- (4) The District shall continue to pay its portion of the Officer's medical insurance during the period of family care leave.
- (5) The amount of family care leave available will be reduced by any other paid leave taken aside from the pregnancy "disability" period as defined in Government Code Section 12945.2.

### Conditions for Granting Family Care Leave

If the Officer can anticipate when the leave may be required (.e.g., leave for a planned medical treatment), the Officer may be required to schedule the leave in a manner that will minimize its disruption to the District, to the extent it is medically acceptable.

Family care and medical leave may be denied if the Officer has not complied with these procedures.

For family care and medical leave requests for child care, if both parents are employed by the District, a combined total 12 work weeks of leave is available to a mother or father for the birth, adoption or foster care placement of a child.

### Relation to Pay and Other Benefits

Except to the extent that paid leave is substituted for family care and medical leave, an Officer on family care and medical leave is not entitled to any continued salary during the leave period.

The District will continue to pay medical, vision, and dental benefits for an Officer and his/her dependents at the same level those benefits were paid for by the District immediately prior to the Officer commencing family care leave. An Officer may elect to continue to participate in life insurance plans by paying, at the Officer's own expense, the costs ordinarily paid by the employer. If the Officer is unwilling or unable to make the required payments, the Officer will not be covered by the Officer benefit plans during the leave period. Upon reinstatement, however, the Officer shall not thereafter lose any benefits as a result of the family care and medical leave. Upon termination of family care and medical leave, the Officer shall be entitled to reinstatement to a position with the same or similar duties and pay which can be performed at the same or similar geographic location as the position held prior to the leave, unless the original position has been eliminated due to a reduction in force or restructuring of the District prior to the expiration of the leave. In the event the original position has been eliminated due to the layoff or restructuring, the Officer shall retain his/her pre-leave seniority for layoff recall and other seniority related rights or benefits.

Upon termination of family care and medical leave, an Officer shall retain the same seniority as at the time the leave commenced. Seniority shall not accrue during the leave period.

In the event an Officer who is on leave fails to return to work upon expiration of all authorized leave, the District shall be entitled to recover the cost of premiums paid for the Officer's

medical insurance at the same level those benefits were provided immediately prior to the Officer commencing leave.

#### Procedure for Requesting Family Care Leave

An Officer shall notify his/her supervisor, in writing, of the need for family care and medical leave as soon as possible under the circumstances. If the leave is requested in connection with a planned, non-emergency medical treatment, the Officer may be requested to reschedule the treatment, to the extent feasible, so as to minimize disruption or inconvenience to the District's operations and co-workers.

The written request for family care and medical leave shall specify the reason for the leave (e.g., birth, adoption, illness of parent, etc.), the anticipated date of commencement and duration of the leave.

The District shall require a certification issued by the health care provider of the individual requiring care. The medical certification shall include all of the following:

- (1) The date on which the serious health condition commenced;
- (2) The probable duration of the condition;
- (3) For Officer's Own Illness: A statement that the serious health condition prevents the Officer from performing the essential functions of his/her position;
- (4) For Care of Others: The health care provider's estimate of the amount of time the Officer needs to care for the individual;
- (6) A statement that the serious health condition warrants the participation of a family member (the Officer) to provide care.

The District has the right to require a second medical opinion, paid for by the District. The District may also require a third medical certification (employer-paid) in the event of a conflict between the first and second opinions. If the leave extends beyond the period indicated in the original medical certification, or additional leave is requested, the Officer may be required to obtain recertification.
