El Camino College to Present University Fair

Ask questions; get answers from a variety of universities, all in one day!

El Camino College will host a University Fair from 10 a.m.-1 p.m. Thursday, April 14 on the Library Lawn. University representatives from across the nation will be on hand to answer questions and provide information about transferring and university life.

The University Fair gives students the opportunity to explore their transfer options and gather material on different universities to become better informed regarding the transfer process.

Representatives from the California State University and University of California systems will be at the fair, in addition to a variety of private universities and out-of-state schools. The University Fair is sponsored by the El Camino College Transfer Center, which provides services and activities to help students through the process of transferring to a four-year college or university.

For updates and further information on the University Fair, visit the Transfer Center located on the first floor of the Student Services Building, or call 310-660-3593, Ext. 6074.
