## **El Camino College to Sponsor Career Expo**

El Camino College's office of Career Placement Services will partner with the South Bay newspaper *Daily Breeze* to sponsor the 25<sup>th</sup> Annual Career Expo from 9 a.m. to 2 p.m. on April 27 in the Student Activities Center.

Career Expo 2006 is open to students, alumni, and the community, and admission is free. There will be approximately 100 employers in attendance to meet with students and other prospective employees. Last year, 23 campus departments and programs also participated in the Career Expo, discussing career choices in a variety of areas.

The two objectives for this event are to enlighten students with employment, internship, and career opportunities by introducing them to a variety of companies; and to provide students with a chance to engage in mutual interaction with faculty and employers in a casual and welcoming atmosphere. This is also a great time for students to explore career options and research the various majors available to them.

Some activities planned throughout the day include: demonstrations from the El Camino College Industry and Technology Division; a résumé writing booth; and pre-employment workshops.
