## **El Camino College Showcases Photography Exhibit**

"Selected Reflections of Earth and Sky," an exhibition of photography by Beth Shibata, will be on display in the El Camino College Schauerman Library from April 1 -30.

The display celebrates the earth and sky of the Madrona Marsh Preserve in Torrance. These images explore literal and metaphorical interpretations of reflection, inviting the viewer to look carefully at the surface to see what is and what might not be quite what one thinks. Drawing from training in the arts, both fine and martial, and the sciences, the images encourage contemplation and questions.

Library hours are 7:30 a.m. - 9 p.m. Monday - Thursday; 7:30 a.m. - 4:30 p.m. on Fridays; and, 9:30 a.m. - 2:30 p.m. on Saturdays.

For additional information call Ed Martinez at 310-660-3876.
