El Camino College to Sponsor Fall Transfer Fair

The Transfer Center at El Camino College is ready to launch its annual Fall Transfer Fair from 10 a.m. to 1 p.m. Oct. 10 on the campus library lawn.

This is the Transfer Center's biggest fair of the year, with more than 70 colleges and universities expected to attend. Tables will line the main walkway of the library lawn area and students are invited to walk right up to talk to the representatives and pick up information.

The event is free and open to the public.

Following the transfer fair, students can join a panel discussion with representatives from University of California and California State University campuses. This will be an opportunity for students to learn about information on admission requirements, financial aid, major preparation and more.

Campus tours of area colleges and universities, individualized help, and visits from university representatives are also available year-round at the Transfer Center.

For more information about any Transfer Center events, workshops, and services, call 310-660-3408.
