## **El Camino College Observatory Schedules Open House**

The El Camino College Observatory has scheduled an Open House from 8:30-10:00 p.m. May 25.

This is a wonderful opportunity to look through telescopes that are set up to view the moon, Mercury, Venus, Saturn, and other celestial objects.

The Observatory is located on the roof of the El Camino College Math Building. Visitors are asked to climb the stairs on the northeast corner of the building.

The event is free and open to the public.

Due to a high likelihood of fog this time of year the event will be postponed until June in the event of clouds. If there is doubt about the weather, call 310-660-3373.
