## **El Camino College EOPS/CalWORKs/CARE Programs to Sponsor "Spring Twilight Ball Fund-raiser"**

El Camino College's EOPS/CalWORKs/CARE programs have scheduled a "Spring Twilight Ball Fund-raiser" set for 7 p.m. March 28 at the South End Racquet Club in Torrance. With dinner, dancing and a silent auction, funds raised from this event support students with financial challenges.

EOPS/CalWORKs/CARE programs serve students from various backgrounds who are economically and academically disadvantaged. Funds raised allow the EOPS/CalWORKs/CARE programs to provide the support services needed for success. Those who are not able to attend can still support the programs with a cash donation or by sponsoring a student to attend the event. Tickets cost \$35; \$60 per couple. Tables for eight cost \$260. For more information, call 310-660-6195.
