El Camino College to Offer Eight-Week Classes Session

El Camino College's second eight-week session begins April 12 and runs through June 6. Students can register now online at www.elcamino.edu and click on **MyECC**.

Short-term classes are available in a variety of subjects, from art to nursing. The courses cover the same material as traditional schedule classes, just in an accelerated format.

"I think eight-week courses are a great way to take a class, especially because they fit into my work schedule," said El Camino College student Jennie Harris, a musical theater major. "I concentrate on that class for a short period of time and then the second half of the semester is open so I can focus on my other classes."

El Camino College students can register for classes in the following subjects:

Anthropology, Academic Strategies, Business, Contemporary Health, Computer Aided Design/Drafting, Computer Information Systems, Cosmetology, Dance, Educational Development, Education, English, Fashion, Film/Video, Human Development, Library Information Science, Mathematics, Music, Nursing, Political Science, Physical Education, Physics, Psychology, Radiologic Technology, and Speech Communication.

To register online, just go to: at www.elcamino.edu and click on **MyECC**. Students can also call 1-866-ELCAMINO. El Camino College is located at 16007 Crenshaw Boulevard, near Torrance.
