El Camino College to Sponsor Financial Aid Awareness Month Activities

April is Financial Aid Awareness Month at El Camino College and special events are planned to help students find the cash they need for college.

A student-oriented Financial Aid Awareness Fair is scheduled from 10 a.m. to 1 p.m. April 24 in the Student Activities Center East Lounge. This event will show students the variety of financial aid opportunities available. Representatives from the college's various support groups, including EOPS, CARE, and CalWORKS will also be available to help students find the assistance they need.

Financial aid professionals will be on hand to answer questions about loans, grants, scholarships, fee waivers, and more.

In addition, Financial Aid Online Workshops are offered from 4-6 p.m. April 15 and May 6 in the Library Demonstration Center. These workshops will provide general information and help completing the financial aid application online. Students can also take advantage of Financial Aid Orientation events scheduled from 3-6 p.m. April 16, 23, and 30 in the Student Services Building, Room 208. These orientation meetings will offer an overview of financial aid policies and procedures.
