El Camino College's Teacher Education Program (TEP) will sponsor its Second Annual Guest Speakers' Symposium from 8:30 a.m. to 2 p.m. May 2 on the Torrance-area campus, 16007 Crenshaw Boulevard.

The speakers' series will feature about 20 sessions on a variety of topics of interest for future educators and is geared toward college students who are interested in a career in education. Teachers from area schools will also be on hand to offer tips on being successful educators in their respective fields, such as preschool, elementary, special education, middle school, and high school.

Workshop topics include: state exam preparation, classroom management, creative art teaching, special education, lesson plan creation, writing strategies, speech development and counseling students.

Job search skills and insights from area principals will also be shared at the event.

Reservations are required; there are no registration fees, but a \$10 donation is requested and will go toward the TEP's education service project for area elementary schools. The donation is payable at the door.
