## El Camino College to Sponsor University Transfer Events

El Camino College will sponsor upcoming events designed to help students choose and transfer to a four-year college or university.

A **Spring Evening Transfer Fair** scheduled from 5 to 7 p.m. April 21 on the Library Lawn will be set up so students can meet with university representatives and ask questions on a variety of subjects, including: transfer requirements, financial aid, academic programs and more. Representatives from University of California (UC), California State University (CSU) and private campuses will be on hand to answer questions and provide information.

A **Historically Black College/University Fair** is scheduled just a couple of days later, from 11 a.m. to 2 p.m. April 23 on the Library Lawn.

Representatives from Hampton University, Morehouse College, Spelman College, Howard University, and others will be available to answer student questions.

A special **UCLA Day** is also planned from 10 a.m. to 1 p.m. May 7 on the Library Lawn. Representatives from various UCLA academic departments will be available to meet with students. Additionally, staff members from UCLA Student Services programs such as financial aid, undergraduate admissions and more will be on hand to answer questions.

Other El Camino College transfer events scheduled throughout the month include campus tours and workshops covering transfer basics.
