El Camino College Observatory Schedules Open House

The El Camino College Astronomy Department will sponsor its monthly Evening at the Observatory event, scheduled from 7:30 to 9:00 p.m. Sept. 25, weather permitting.

Participants will view planets, stars, and star clusters through telescopes set up at the El Camino College Observatory.

The Observatory is located on the roof of the El Camino College Math Building. Visitors are asked to climb the stairs on the northeast corner of the building and are advised to dress warmly, as it can get cool at night.

The event is free and open to the public.

In the case of cloudy weather, the event will be postponed. For more information, call 310-660-3593, Ext. 3373.
