El Camino College to Present Fall Transfer Fair and Transfer Conference

El Camino College will present its annual Fall Transfer Day Fair from 10 a.m. to 1 p.m. Oct. 5 on the Library Lawn at El Camino College, 16007 Crenshaw Boulevard, near Torrance.

The Fall Transfer Day Fair is the largest transfer fair of the year, featuring representatives from more than 80 colleges and universities, including out-of-state colleges, private universities, and historically black colleges. Representatives from the University of California and California State University systems will also be available.

Students are invited to walk up to the tables that line the walkways, ask questions, make contacts, and find out more information from the school representatives. The event is free and open to the public.

The El Camino College Transfer Center will also sponsor its Seventh Annual Transfer Conference: "Become a Transfer Super Hero" from 8 a.m. to 1 p.m. Oct. 22 in the El Camino College Campus Theatre.

The transfer conference is designed to help students who want to transfer learn more about the process. The conference will include a series of workshops such as: "Starting the Transfer Process," "Are You Transfer Ready?" "Choosing a University," "Financing the University Education," "Preparing for Career in Teaching," "Life Science Majors," "Business Related Majors," and "Transfer Admission Guarantee (TAG) Program." Panels from UC, CSU, private and out-of-state colleges and universities will be available to answer questions.

After the workshops there will be a fair comprised of university representatives who attended the conference, offering students a chance to ask more questions and find out details about the transfer process.

For more information, contact the El Camino College Transfer Center at 310-660-3593, Ext. 3481 or 5481 or go to www.elcamino.edu/student-services/co/transferservices.asp.
