El Camino College Observatory Schedules Open House

The El Camino College Observatory has scheduled an Open House from 8-9:30 p.m. April 20.

This is a wonderful opportunity for visitors and students to look through telescopes that are set up to view the moon, planets, stars, and constellations.

The Observatory is located on the roof of the El Camino College Math Building. Visitors are asked to climb the stairs on the northeast corner of the building.

The open house is free and open to the public. In the event of fog, the open house will be postponed. To check event status, call: 310-660-3593, Ext. 3373, or go to www.eccobservatory.info.
