El Camino College Observatory Schedules Open House

The El Camino College Observatory has scheduled an Open House from 7:30-9:30 p.m. January 26.

This is a wonderful opportunity for visitors and students to look through telescopes that are set up to view the moon, Jupiter, double stars, and star clusters.

The Observatory is located on the roof of the El Camino College Math Building. Visitors are asked to climb the stairs on the northeast corner of the building.

The open house is free and open to the public.

In the event of fog, the event will be postponed.
