El Camino Community College District Boundary Review Committee
Schedules Public Forums in Hermosa Beach and Inglewood

The El Camino Community College District Boundary Review Committee (BRC) has scheduled two public forums this week to gather input regarding modifications of current trustee area boundaries.

One forum is scheduled for November 2 at the Hermosa Beach City Hall Council Chambers, 1315 Valley Drive, Hermosa Beach; another is set for November 3 at the Inglewood City Hall Community Room, 1 West Manchester Boulevard, Inglewood. Both meetings begin at 6:30 p.m.

The district, along with many other public agencies and school districts in California, is examining voting practices.

In Fall 2010, the El Camino Community College District (ECCCD) board of trustees initiated discussions regarding the process required to modify trustee area boundaries and change from "at large" to "trustee area" elections. New trustee areas would be determined utilizing 2010 census population data.

Currently, trustees in the ECCCD must live in the trustee area they represent, however residents of the ECCCD vote for trustee candidates "at large;" that is, voters cast their vote for all candidates on the ballot. When voting by "trustee area," residents will only vote for the candidate who resides in their specific trustee area.

Additional meetings include the following. All begin at 6:30 p.m.
- November 9: **El Segundo** City Hall, 350 Main Street, El Segundo
- November 16: **Lawndale** City Hall, 14717 Burin Avenue, Lawndale

Members of the public may submit written comments by going to the Web page http://www.elcamino.edu/administration/board/brc/index.asp.

Community members may also create and submit maps indicating their communities of interest through our interactive redistricting map.
