El Camino College to Sponsor University Transfer Events

El Camino College will sponsor upcoming events designed to help students choose and transfer to a four-year college or university.

A **Transfer Fair** with more than 35 university representatives is scheduled from 10 a.m. to 1 p.m. March 8 on the Library Lawn. Students can meet with university representatives and ask questions on a variety of subjects, including: transfer requirements, financial aid, academic programs and more. Representatives from University of California (UC), California State University (CSU) and private campuses will be on hand to answer questions and provide information.

In addition, a **Historically Black College/University Fair** is scheduled from 10 to 1 p.m. March 29 on the Library Lawn. Representatives from Bennett College, Dillard University, Fisk University, Grambling State University, Howard University, Langston University, Stillman College, Texas Southern University, Xavier University, Texas College, Talladega College, Paine College, Prairie View A&M University, and others will be available to answer questions.

A workshop is also scheduled to run from 1-2 p.m. during the Historically Black College/University Fair, focusing on the Transfer Admission Guarantee and the Transfer Admission Priority programs that El Camino College has with 10 historically black colleges and universities. The workshop will include information about the institutions, and former ECC students who have graduated from historically black colleges will speak about their experiences. The workshop will take place in the Distance Education Conference Room.

Other El Camino College transfer events scheduled throughout the month of March include campus tours and workshops covering transfer basics.
