El Camino College Encourages Area High School Students to Apply Now to Be Eligible for Early Registration for Fall 2013

In an effort to help area high school seniors get the college classes they need for the fall 2013 semester, El Camino College has a new policy that gives them a head start on registering. Graduating seniors who follow the necessary steps to enroll will be able to register on June 4, a few days before the rest of the students.

As part of the college's campaign to alert high school seniors of this new policy, students graduating from a high school served by the El Camino Community College District will soon be getting a postcard outlining the steps to enroll.

It only takes three easy steps to apply online and enroll at El Camino College:

1. Apply Online Today! – Summer/Fall 2013 applications accepted online at www.elcamino.edu (www.ccc.apply.org)
2. Attend Orientation and Meet with a Counselor – Develop an Educational Plan with a counselor. 310-660-3593, Ext. 3458 to make an appointment.
3. Prepare and Take Assessment Tests – Practice tests are available online at www.elcamino.edu. The Assessment/Testing Center is open Monday-Friday; the phone number is 310-660-3405.

“Through this campaign, we want to make sure high school seniors living within the El Camino Community College District boundaries understand that if they apply now, they are going to be able to register early,” said ECC President Thomas Fallo. “Graduating seniors should apply as soon as possible.”

Early registration is available to 2013 high school graduates living within the El Camino Community College District including: El Segundo, Hawthorne, Hermosa Beach, Inglewood, Lawndale, Lennox, Manhattan Beach, Redondo Beach, and Torrance.

High school graduates must complete the three easy steps to enroll at ECC by **May 15, 2013**.

Go to www.elcamino.edu to apply online today. Early registration begins June 4, 2013. Call 310-660-3593, ext. 3414 for more information.
