## **El Camino College Launches New Online Archives Collection**

El Camino College recently launched a new Digital Archives collection, featuring 65 years of ECC student newspapers accessible in a simple, searchable, online database.

Staff at the Schauerman Library collaborated with colleagues in the college's Humanities Division and Journalism Department to create the new service. The site allows the community to view the entire run of yearbooks, as well as the school newspapers from 1947 – 2012.

The public is invited to access this site and read the stories from El Camino College's past. The site may be accessed at: <http://digitallibrary.elcamino.edu/camino/guest.jsp>.

For information about the digital collection contact Ed Martinez, Public Access Librarian, at 310- 660-3593, extension 3876.
