Classes Added to Fall 2014 at El Camino College!

To help students meet their educational goals, hundreds of classes were added for the fall 2014 semester.

Academic programs with seats available include high-demand classes such as academic strategies, business, and human development.

These added classes will allow more students to progress with their academic plans of earning a degree or transferring to a university. A partial list of classes still available can be found here www.elcamino.edu/academics/docs/ECC-Fall-2014-seats-available.pdf.

Students may also earn a degree or certificate by attending only evening and online classes. These programs are designed for reentry students, returning veterans, and working adults who are interested in starting a new career or upgrading their skill set. Students can also access ECC's career planning services.

There is still time to register: El Camino College's fall 2014 semester begins August 23. Students can apply and register online, 24 hours per day, via the El Camino College website www.elcamino.edu.

The Schedule of Classes is available on the Web at www.elcamino.edu/admissions/schedule.asp and may also be purchased at the Bookstore for \$1. Financial aid is available to qualifying students – go to www.fafsa.ed.gov/ to apply.
